**New business**

1. Shaw brought up the question of when will the accreditation team be coming to NDSU and asked what needs to be done to get prepared. Harrold noted this will occur in 2005-2006. A lengthy discussion then took place on what needs to be done to get prepared. It was suggested that information could be put a countdown in issues of "It's Happening" so that faculty and staff are aware of the .
2. Kolesar stated items in which students might want or would say, i.e. they would like a say in evaluating how well faculty are doing their job and whether certain faculty and professors should be allowed to continue to teach. He

noted that students probably wouldn't care about Assessment but would like the idea that faculty are being held accountable.

3. MOTION (Kostecki) to adjourn was passed with unanimous consent at 2:00 p.m.
