- Thunderbolt 4 | HDMI 2.0b | USB Type-A
- Backlit Keyboard | 720p Webcam
- Dual Speakers | Dolby Atmos Support
- Windows 11 Home

Redesigned for 2022, the **ASUS 15.6" TUF Gaming F15 Laptop** is 4.5% smaller than its predecessor. The Mecha Gray model also features an embossed TUF logo and a large touchpad with anime-inspired accents and four-way indicators. Powered by a 1.7 GHz Intel Core i7 14-Core processor and 16GB of DDR5 RAM, you'll have the performance you need to run the apps you want. The dedicated NVIDIA GeForce RTX 3060 graphics card with 6GB of GDDR6 VRAM allows you to take full advantage of the 15.6" display, which has a Full HD 1920 x 1080 resolution and 300 Hz refresh rate.

The NVIDIA GeForce RTX graphics delivers high frame rates with built-in artificial intelligence while enhancing your gaming experiences using real-time ray tracing to create realistic shadows and reflections. The dedicated graphics card can also accelerate the performance of select content-creating and live-streaming applications.
