Viewing Grades in Campus Connection

1. For students to view their semester grades, log in to Campus Connection and go to Student Center.

2. Click on the drop down arrow by “other academic...” Click on “Grades” and then the double arrow next to the selection area.

3. Select the term you wish to view your grades for and “Continue” or “Change Term” if necessary.

4. Make sure the “Official Grades” tab is selected, or click on it again (Mid-term Grades is the other tab).

Your grades and grade points will be in this area.
5. Tip: You should also **view an unofficial transcript** to view your **cumulative credit total and grade point average**. Your unofficial transcript will note your academic standing. In step one listed above, choose “Transcript: View Unofficial” and follow the on-screen steps. Your unofficial transcript will note Dean’s List, academic warning, academic probation, continued probation, or academic suspension. Contact your advisor if you have any questions and check your email for any information that may come from Registration & Records or your advisor regarding any deficient academic standing.
