Dear Dr. Kliman:

After reviewing the three-year Interim Progress Report (IPR) for the Master of Architecture program submitted by North Dakota State University, the National Architectural Accrediting Board (NAAB) has accepted the IPR as having demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Annual Program Review and Visiting Team Report. No fifth-year report is required.

Your next accreditation visit is scheduled for spring 2027 and will be conducted under the Conditions and Procedures in effect at the time of the visit. The Architecture Program Report (APR) is due September 7, 2026.

Please note that Program Annual Reports are still due annually.

If you have any questions regarding this matter, please contact [accreditation@naab.org](mailto:accreditation@naab.org).

Sincerely,
