**DEGREE REQUIREMENTS AND NOTES:**

- Students must have a first major in Accounting, Business Administration, Finance, Management, Management Information Systems, or Marketing. The Global Business major is a second major only. Students may only actively pursue the Global Business major after being admitted to the professional program (the same requirement for all College of Business majors).
- Denotes Common Body of Knowledge (CBK) course.
- The intent of BUSN 341 is to ensure that students participate in a study abroad experience that includes an academic component related to the country where the study abroad takes place. In addition to BUSN 341, BUSN 394: Individual Study (Global Business Environment) may also fulfill this requirement. Univ 492 (Study Abroad), NDSU Study Tour (Prefix 379) courses from across campus (faculty directed experience or field study in a foreign country) or other study abroad transfer courses approved by the department chair may also fulfill this requirement.
- Completion of any 300- or 400-level language course with a B or higher will also fill this requirement. For non-native English speakers, completion of any 300-400 level ENGL course with a grade of B or higher, including ENGL 320, will fulfill this requirement.
- International students who are enrolled at NDSU will not be required to complete a study abroad experience. Instead, students must complete one of the following North American history courses: HIST 382, 421, 422, 423, 424, 425, 429, 431, 434, 436, 437, or 476. This history course will substitute for the BUSN 341 "Global Business Environment or equivalent study abroad course"
- Students must follow the published curricula for the major program of study from the semester/year of entrance in the College of Business to graduation, provided enrollment at NDSU has not been discontinued for more than one year. Students who change their major program of study are subject to meeting the curricular requirements in effect at the time the new major is declared.
- Students enter the College of Business as a pre-major student. Admission to the major program requires an application indicating the successful completion of the pre-major and college courses with a "C" or higher, a 2.50 institutional cumulative grade point average, and a minimum of 60 credits.
- Students must complete all course and credit requirements for a second major in global business.
- A 2.50 cumulative grade point average is required to enroll in 300-400 level accounting, business administration, finance, leadership, management, management information systems, and marketing courses. A letter grade must be earned in any course that fulfills a major requirement.
- Students must earn a 2.50 institutional GPA to graduate.
- Of the credits completed in residence **at least 30 credits** must be in 300-400 level accounting, business administration, finance, leadership, management, management information system and marketing courses. As such, students must also be accepted to the major prior to the completion of the last 30 credits.
- Pre-Business Core Suggestions: While not required, students are encouraged to take either ANTH 111 (Introduction to Anthropology) or COMM 216 (Intercultural Communication) as a
- Students should refer to the College of Business website, [www.ndsu.edu/business](http://www.ndsu.edu/business), for current and complete listing of the major requirements.
