### General Education (Gen Ed) Electives

University general education categories, credit requirements, and approved course offerings are printed as a centerfold in the registration schedule for each term. Many categories have been integrated into the Environmental Engineering program with specific course requirements (left). For the remaining categories (below), students select approved courses of their choice (unless otherwise noted).

#### Gen Ed Categories:
- A - Humanities/Fine Arts
- B - Social/Behavioral Sciences
- C - Communication
- D - Cultural Diversity
- G - Global Perspectives
- L - Co-requisite Lab
- R - Quantitative Reasoning
- S - Science & Technology
- W - Wellness

#### Technical Electives

A list of approved courses is provided by the department.

### Environmental Engineering  
**Curriculum Guide Fall 2022**

---

All ENVE students are required to have no more than one "D" in ME 221, 222, 223 courses and a "C" or above in MATH 165, 166, 259, 266, 128 before enrolling in an CE/ENVE course that utilizes these courses as prerequisites. Students with a "D" in ME 221, 222, 223 are required to repeat the course when they enroll for the ENVE/CE course that requires these courses as prerequisites.

**Notes:**
- No grades less than "C" accepted in ME 221, 222, 223 or MATH courses.
- Transfer students are required to take ENGR 327, regardless of Gen Ed completion.

**Key:**
- "T" indicated requirement satisfied with transfer credits.
- "IP" indicates a course currently in progress.
- () indicates old course numbers.

**NR** indicates that it is not required.

Students with an ACT sub-test score of 18+ (or SAT of 430+) are advised to enroll in ENGL 120. A passing grade will be awarded for 110 by completing 120 with a "C" or better.
