			6
<b>XII. Electives (courses must be approved by adviser)</b>			
			6
		Total Required Credits = 60	Total Credits

**\*\*PLEASE NOTE:** If a proposed graduate research project involves human or animal subjects, or biohazards, it must be submitted for review and approval by the Institutional Review Board (IRB), the Institutional Animal Care and Use Committee (IACUC), and/or the Institutional Biosafety Committee (IBC). The student should initiate this process after his or her supervisory committee has approved the final research design because IRB, IACUC, and IBC approval must be obtained before the research project commences.

**Substitute Courses/Transfer Credits:** Those substitute/transfer courses marked with an \* on the reverse side **must** be listed here. Include the name of the institution. (Official transcripts showing completion of credit to be transferred from other institutions must be on file in the Graduate School PRIOR to approval of the Plan of Study.) The Supervisory Committee recommends the following substitute/transfer credits to satisfy degree requirements.

---

Credit hours transferred to doctoral program (in semester credit hours): \_\_\_\_\_
