Earning North Dakota State University credit for Project Lead the Way courses

Secondary school students successfully completing Project Lead the Way (PLTW) courses may apply for transcripted college credit from North Dakota State University. The student will receive 3 semester credits per course, subject to the following conditions:

- The high school must be certified by PLTW
- All requirements for the PLTW course must be satisfied, and the student must achieve an average of 85% or better for the course
- The PLTW End of Course Assessment must be taken and passed with a stanine* score of 6.
- Correct payment amount and completed application must be post marked by the deadline (see below). Any application post marked after the deadline will not be processed and will be returned. (Please see website for payment for more information.)

*This assessment (Administered by PLTW) is based on a norm-reference stanine scores which ranges from one (1) to nine (9) with one (1) being the lowest possible score and nine (9) being the highest possible score.

NDSU will accept transcripted credit for PLTW courses from other affiliate universities with equivalent credit requirements. Up to 6 credits may be used as general electives towards a degree at the NDSU. Possible substitution of PLTW credits for meeting specific programmatic requirements at the University is at the discretion of the individual academic programs. Currently, at NDSU, PLTW courses do not have specific program equivalents.

The PLTW courses for which NDSU credit may be received are the following:
ENGR: 120 PLTW IED: Introduction to Engineering Design
ENGR: 121 PLTW POE: Principles of Engineering
ENGR: 122 PLTW DE: Digital Electronics
ENGR: 123 PLTW CEA: Overview of Civil Engineering and Architecture
ENGR: 124 PLTW ES: Biotechnical Engineering or Environmental Engineering
ENGR: 125 PLTW CIM: Computer Integrated Manufacturing
ENGR: 126 PLTW AE: Aerospace Engineering
ENGR: 127 PLTW EDD: Engineering Design and Development
ENGR: 128 PLTW CSE: Computer Science and Software Engineering

**Once approved students see a Pass (P) appear on the NDSU transcript.
