Robert Noyce
STEM Scholars Program

NDSU UNDERGRADUATE STUDENTS:
NDSU-Noyce program provides $12,000/year awards for students pursuing dual degrees in STEM (i.e. Science, Technology, Engineering, or Mathematics) disciplines and in Education.

Recruitment of award recipients for the 2010 calendar year has begun. Deadline for applications is 5 pm, October 10, 2009.

Students majoring in Biological Sciences, Chemistry, Engineering, Geosciences, Mathematics, and Physics are eligible to apply.

Detailed information and application forms are available in the program website www.ndsu.edu/csme/noyce

NDSU-Noyce is supported by a National Science Foundation grant DUE-0833268.
