(Numbers shown in parentheses are from corresponding date one year ago.)

1. Professional is a new career effective fall 2007 for students enrolled in the Pharmacy Doctorate program. The Professional career was established to comply with federal reporting of professional-level students who were previously included in undergraduate career totals.

2. This figure includes 24 students who were registered for fall semester classes, but whose enrollment (attendance in classes) could not be confirmed, and who have not made payment toward or arrangements to pay their fall semester tuition/fees as of the census date.
