Early-Entry Pathway
Welcome to North Dakota State University’s Early-Entry Pathways program.

ACCOUNTING
If you are interested in a degree in accounting, you can take early-entry courses to get started on your degree. Early-entry courses listed meet the requirements or electives of this major. These courses may be used to meet your general education requirements as well. We suggest you also review the list of recommended general education courses.

**Introduction to Psychology**
PSYC 111  |  3 credits
General Education Category: B
Survey of the scientific study of behavior and mental processes.

**Principles of Macroeconomics**
ECON 202  |  3 credits
General Education Category: B
Aggregate income and employment analysis; business cycles, unemployment, inflation and economic growth; fiscal policy; money and monetary policy; the U.S. economy and the world economy.

**Principles of Microeconomics**
ECON 201  |  3 credits
General Education Category: B
Nature, method, and scope of economic analysis; economic scarcity, resources, specialization of labor; supply-demand analysis; production and cost analysis; product and resource market structures; distribution of income; international trade.

**Introduction to Sociology**
SOC 110  |  3 credits
General Education Category: B
Introductory analysis of the nature of society, the interrelationship of its component groups, and the process whereby society persists and changes.

**Elements of Accounting I**
ACCT 200  |  3 credits
General Education Category: Does not meet NDSU’s general education requirements.
An introduction to accounting to enable the student to achieve a working knowledge of accounting and its uses. Emphasizes the basic concepts and approaches of accounting applied to businesses, the accounting cycle, and the preparation of the income statement and balance sheet. Co-req: TL 116.

**Elements of Accounting II**
ACCT 201  |  3 credits
General Education Category: Does not meet NDSU’s general education requirements.
Emphasizes the use of accounting information as a basis for decision-making. Topics include the statement of cash flows, financial statement analysis, and managerial accounting (budgeting, job-order costing, cost-volume-profit analysis, short-term decision making, and capital budgeting). Prereq: ACCT 200.

**Business Software Applications**
TL 116  |  3 credits
Category: S
Instruction on the use of popular spreadsheet and database software applications including how and when to apply the features of these types of applications to address a variety of business problems. Content emphasizes leveraging widely used business tools via hands-on activities. Credit will be awarded only for TL 116, MIS 116, CSCI 114, or CSCI 116 but not more than one.
