

# Early-Entry Pathway

Welcome to North Dakota State University's Early-Entry Pathways program.

## GENERAL EDUCATION

If you are interested in a degree at NDSU, you can take early-entry courses to get started on the general education requirements. Below we have listed available early-entry courses for each general education category. These courses may be used to meet degree requirements as well. We suggest you contact the Office of Teaching and Learning at [ndsudce@ndsu.edu](mailto:ndsudce@ndsu.edu) to determine the best general education courses for your intended major. Some classes may satisfy more than one general education category requirement.
