Early-Entry Pathway

Welcome to North Dakota State University's Early-Entry Pathways program.

HUMAN DEVELOPMENT & FAMILY SCIENCE

If you are interested in a degree in human development and family science, you can take early-entry courses to get started on this degree. Early-entry courses listed meet the requirements or electives of this major. These courses may be used to meet your general education requirements as well. We suggest you also review the list of recommended general education courses.

Lifespan Development

HDFS 230 | 3 credits Category: B

Study of human growth and development throughout the life span.

Couples, Marriages and Families

HDFS 242 | 3 credits Category: W

Study of the formation of relationships in varied contexts: examines the diversity of couples, marriages, and families that exists in our contemporary society. Emphasis will be on relationship health as well as barriers to relationship wellness.

Introduction to Research Methods in Human Development & Family Sciences

HDFS 250 3 credits Category: Does not meet NDSU's general education requirements.

Undergraduate orientation to research methods in human development and marital/family relationships; students will explore the scientific method as applied to HDFS, methods/issues related to data collection, and methods of data analysis.

Introduction to Psychology

PSYC 111 | 3 credits General Education Category: B

Survey of the scientific study of behavior and mental processes.

Introduction to Sociology

SOC 110 | 3 credits General Education Category: B

Introductory analysis of the nature of society, the interrelationship of its component groups, and the process whereby society persists and changes.

Diversity and Multiculturalism

HDFS 275 | 3 credits Category: B & D

This course includes the study of developmental and family issues as viewed from a perspective of diversity and multiculturalism. Emphasis will be placed on understanding the role of factors such as race, ethnicity, social class, religion, sexual orientation, gender identity, and disability in developmental and family processes.

Computer Applications

CSCI 114 | 3 credits General Education Category: S

General introduction to computer concepts, operating systems, the internet, word processing, spreadsheets, database management and presentation software. Credit awarded for CSCI 114 OR CSCI 116.

Business Software Applications

TL 116 | 3 credits General Education Category: S

Instruction on the use of popular spreadsheet and database software applications including how and when to apply the features of these types of applications to address a variety of business problems. Content emphasizes leveraging widely used business tools via hands-on activities. Credit will be awarded only for TL 116, MIS 116, CSCI 114, or CSCI 116 but not more than one.
