

Early-Entry Pathway

Welcome to North Dakota State University's Early-Entry Pathways program.

PRE-LICENSURE NURSING

If you are interested in a degree in nursing, you will need to first complete the pre-nursing program requirements. The following early-entry classes are part of the pre-nursing curriculum. These courses may be used to meet your general education requirements as well. We suggest you also review the list of recommended general education courses.

Human Anatomy and Physiology I

BIOL 220 | 3 credits
General Education Category: S

An in-depth introduction to structure and function of human organ systems' cells, tissues, the integumentary system, the skeletal system, joints, muscle and muscular system, nervous tissue and nervous system, and the special senses.

Human Anatomy & Physiology II

BIOL 221 | 3 credits
General Education Category: Does not meet NDSU's general education requirements.

A continuation of BIOL 220, 220L; the endocrine, cardiovascular, lymphatic, immune, respiratory, digestive, urinary, and reproductive systems and development. Prereq: BIOL 220.
