There are only three weeks of classes left, and then it's time for spring semester finals. While finishing up your courses may be taking a lot of your time, there is also so much to do and take advantage of on campus. The final month will likely be a balancing act, but check out [myNDSU](#) to select some fun events that will help make this time of year memorable! There's truly something for everyone...theatre, athletics, intramurals, and opportunities to learn and give back!!

We collectively acknowledge that we gather at NDSU, a land grant institution, on the traditional lands of the Oceti Sakowin (Dakota, Lakota, Nakoda) and Anishinaabe Peoples in addition to many diverse Indigenous Peoples still connected to these lands. We honor with gratitude Mother Earth and the Indigenous Peoples who have walked with her throughout generations. We will continue to learn how to live in unity with Mother Earth and build strong, mutually beneficial, trusting relationships with Indigenous Peoples of our region.
