

Rubric for student paper evaluations
50th North American Power Symposium (NAPS)
North Dakota State University
Fargo, ND
Sep 9 - 11, 2018

Instructions: Please use this rubric to evaluate student presentations at NAPS. Your evaluations will help us identify and recognize the best student papers. Please fill in a numeric score (0, 20] in each of these categories below, along with a total (on 100), and feel free to write constructive comments.

Paper #: _____

Presenter's name: _____

Please note: Evaluations are required only for student presenters.

Criterion	Attributes	Score (0-20) points
Problem Formulation	Validity/Clarity/Novelty	
Problem Significance/Impact	Who cares/Why does it matter	
Intellectual Merits in Proposed Approach	What are the challenges? How were they tackled?	
Results/Findings	Soundness/What's interesting	
Presentation	Timeliness, Q/A, Overall quality	
Total	Overall impressions of work	(out of 100)

Comments/Suggestions for improvement:

Please turn in this form to the Session Chair.
