

CURRICULUM VITAE

Jessica Jensen

(701) 219-4293 (c) * (701) 231-5995 (w) * ja.jensen@ndsu.edu

EDUCATION

2010 Ph.D. Emergency Management, North Dakota State University
2007 M.S. Emergency Management, North Dakota State University
2004 B.A. Political Science, California State University Northridge

PROFESSIONAL ACTIVITIES

Current Activities

2017-current *Head*
Department of Emergency Management and Disaster Science, North Dakota State University
2016-current *Associate Professor (promoted a year early)*
Department of Emergency Management and Disaster Science, North Dakota State University
2011-2016 *Assistant Professor*
Department of Emergency Management and Disaster Science, North Dakota State University

COURSES DEVELOPED AND/OR TAUGHT

EMGT 101: Emergencies, Disasters, and Catastrophes
EMGT 261: Disaster Mitigation
EMGT 264: Disaster Recovery
EMGT 410/610: Comprehensive Emergency Management Planning
EMGT 425/625: International Emergency Management
EMGT 430: Emergency Management Capstone
EMGT 445/645: Vulnerability and Functional Needs in Emergency Management
EMGT 443/663: Voluntary Agency Disaster Services
EMGT 761: Preparedness Theory and Practice
EMGT 762: Mitigation Theory and Practice
EMGT 763: Response Theory and Practice
EMGT 764: Recovery Theory and Practice
EMGT 891: Preparedness Theory II
EMGT 892: Mitigation Theory II
EMGT 893: Response Theory II
EMGT 894: Recovery Theory II

PUBLICATIONS

Refereed Journal Articles

Jensen, J., & Ferriera, M. (under review). EMAP accreditation pursuit: Is it likely to cure what ails emergency management?

Jensen, J., & Kirkpatrick, S. (2022). Local emergency management and comprehensive emergency management (CEM): A discussion prompted by interviews with Chief Resilience Officers. *International Journal of Disaster Risk Reduction*, pre-press, published online <https://doi.org/10.1016/j.ijdrr.2022.103136>.

PRESENTATIONS

Invited Presentations

Jensen, J. (2022). Plenary presentation. Lessons from the disciplinary edge. NSF Strengthening Coastal Bend Infrastructure through the Improvement of Science Communication Conference, May 18-19.

Jensen, J. & Clark, C. (2022). Co-presenters. Behind the Mask. International Association of Emergency Managers, EM Vision Virtual Mid-Year Conference.

Jensen, J. (2021). Invited faculty. Innovating preparedness. Center for Homeland Security and Defense, Department of Homeland Security, Naval Post Graduate School. August 30, 2021.

Jensen, J. (2021). Invited faculty. Innovating preparedness. Center for Homeland Security and Defense, Department of Homeland Security, Naval Post Graduate School. August 30, 2021.

Jensen, J. (2021). Plenary presentation. Emergency Management Degree Program Leaders Virtual Conference, March 26-27, 2021.

Jensen, J. (2021). Presenter. The future of emergency management and disaster risk reduction. International Emergency Management Society Virtual Conference.

Jensen, J. (2019). Invited, plenary panelist. Incorporating research into teaching. FEMA Higher Education Conference, Emergency Management Institute, Emmitsburg, MD.

Jensen, J. (2019). Panelist. Conceptual Convergence. 44th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

Jensen, J. (2017). Invited instructor. Department of Homeland Security's Center for Homeland Defense and Security at the Naval Postgraduate School, Monterey, CA.

Jensen, J. (2017). Keynote presentation: "Emergency management: Articulating return on investment". Annual Kansas Emergency Management Association Conference, Topeka, KS.

Jensen, J. (2017). Invited instructor. Federal Emergency Management Agency's Executive Academy at the Emergency Management Institute, Emmitsburg, MD.

Jensen, J. (2017). Keynote presentation: "EM 2050: Where to go and how to get there". Minnesota Homeland Security and Emergency Management Governor's Conference at the Earle Brown Heritage Center, Brooklyn Center, MN.

Jensen, J. (2016). "Making the case: How to best demonstrate emergency management's value to key stakeholders". International Association of Emergency Managers 64th Annual Conference & EMEX at the Westin Savannah Harbor Resort & Savannah International Trade & Convention Center, Savannah, GA.

Jensen, J. (2016). "Disaster theory roundtable". Presentation at the 41st Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

Jensen, J. (2016). "Navigating the future landscape of hazards research and practice". Presentation at the 41st Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

Jensen, J. (2016). "Doctoral degree students and degree holders and the emerging discipline of emergency management". Presentation at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Dunaway, C., Keck, J., & Jensen, J. (2016). "Inclusive Emergency Management: Integrating the Disability Community into Emergency Planning and Response". College course presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2016). "We, Thee, and EMGT: One step at a time, one punch at a time, one round at a time". Arkansas Tech University Annual Conference, Russellville, AK.

Jensen, J. (2015). "Fundamentals of Developing an Emergency Operations Plan Likely to be Implemented". Northern Region Association of Safety Professionals Annual Conference, Fargo, ND.

Jensen, J. (2015). “(Mis)understanding citizen preparedness.” Presentation at the Association of Minnesota Emergency Managers Annual Conference, Breezy Point, MN.

Jensen, J. (2015). “Integrating emergency management into existing curricula”. Session at the 40th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

Jensen, J. (2014). “Educational options for passing along disaster knowledge”. Presentation at the 39th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

Jensen, J. (2014). “The changing emergency management profession”. Presentation at the 39th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

Jensen J., & Klenow, D. (2014). “Integrating emergency management into the general education curriculum: Ideas for higher education programs”. Paper presented at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2014). “Practitioners as generalists or specialists: Options and implications for higher education”. Panelist at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2014). “Accreditation of emergency management programs in higher education”. Paper presented at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (April 2014). “NIMS: The good, the bad, the ugly”. Presentation to faculty and students at the Center for Disaster Research and Education, Millersville University.

Jensen, J., & Klenow, D. (2013). “Invading the general education curriculum: A step toward program sustainability”. Presentation to the higher education community through the Federal Emergency Management Agency Higher Education Virtual Symposium.

Jensen, J. (2012). “Social-psychological issues in the aftermath of disasters: Implications for social work”. Presentation to the Social Work Master’s Program at North Dakota State University.

Jensen, J. (2012). “Graduate study in emergency management”. Presentation to the higher education community at the 2012 FEMA Higher Education Conference in Emmitsburg, MD.

Jensen, J. (2012). “Tackling dual issues: Preparedness and return on investment for grant programs”. Presentation to emergency management practitioners at the Minnesota Governor’s Conference, Minneapolis, MN.

Jensen, J. (2011). “Preparedness: A principled approach to return on investment”. Technical report presented at the Government Affairs Committee Meeting at the IAEM-USA 59th Annual Conference in Clark County, Nevada.

Jensen, J. (2011). “Just how standard is the NIMS standard? Findings from current implementation behavior research”. Presentation to emergency management practitioners via webinar for EMForum.Org.

Jensen, J. (2009). “Emergency Management Performance Grants (EMPG): Use and value” and “Impact of the economic downturn on local level emergency management”. Technical reports presented at the Government Affairs Committee Meeting at the IAEM-USA 57th Annual Conference in Orlando, FL.

Other Presentations

Jensen, J. (upcoming). Emergency management: Cutting off our nose to spite our face and how to stop the self-destructive cycle. International Association of Emergency Management Annual Conference.

Ross, A., Clay, L., & Jensen, J. (2019). The holistic individual preparedness model (HIPM): Accounting for social, health, and technological capacities across disaster response and recovery. Presentation, 2019 Gulf of Mexico Oil Spill & Ecosystem Science Conference.

Jensen, J. (2016). “Research utilization in emergency management higher education: Current status and future directions”. Webinar co-presenter, Federal Emergency Management Agency, Higher Education Program.

Jensen, J. (2016). “Emergency management education and practice synergy”. Webinar co-presenter, Federal Emergency Management Agency, Higher Education Program.

Jensen, J. (2016). “Communicating who we are to the whole community”. Facilitator of discussion session at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2015). “Emergency management accreditation”. Panelist in plenary session and subsequent breakout session at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2015). “Supporting student achievement of a balance in education, training, and experience”. Moderator at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2015). “Lessons learned in articulating, developing, and implementing program learning objectives”. Moderator and panelist at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2015). “Developing meaningful capstone courses”. Moderator at the Federal Emergency Management Agency’s Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2014). "Emergency management as a unique academic discipline: What is it and what does it do?" Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2014). "Maximizing the potential of emergency management higher education part II". Facilitator of 2 hour discussion-based breakout session at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2014). "Graduate programs in emergency management: Getting to know one another and what we are about". Facilitator of 1.75 hour discussion-based breakout session at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2014). "Determining research standards for emergency management". Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Symposium, Emmitsburg, MD.

Jensen, J. (2012). "Serving students for whom emergency management is a career of first choice". Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Jensen, J. (2012). "Confronting research issues in emergency management higher education". Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Jensen, J. (2012). "Maximizing the potential of emergency management higher education programs". Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Jensen, J. (2011). "Translating theory to practice". Paper presented at the IAEM-USA 59th Annual Conference, November 11-November 18, 2011 in Clark County, Nevada.

Jensen, J. (2011). "Visions of the future: Emergency management higher education." Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Jensen, J. (2011). "Post-graduate and graduate level program development." Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Jensen, J. (2009). "Emergency management theory: Unrecognized, underutilized, and undeveloped." Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Jensen, J. and C. Cwiak. (2009). "Building the discipline: EMCOLLABORATIVE." Plenary Presentation at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Leifeld, J. (2008). "NIMS in rural America: Implications for a national emergency management system." Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Leifeld, J. (2008). "NIMS, first responders, and the correlates of NIMS perceptions." Paper presented at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Leifeld, J. (2008). "Research and writing for emergency management." Paper presented at the Pre-Conference Workshop for Writers at the Federal Emergency Management Agency's Emergency Management Institute Higher Education Conference, Emmitsburg, MD.

Leifeld, J. (2008). "NIMS in rural America: Implications for a national emergency management system." Paper presented at the Midwest Sociological Society Conference, St. Louis, MO.

Leifeld, J. (2008). "NIMS in rural America: A story of people and place." Paper presented at the Midwest Sociological Society Conference, St. Louis, MO.

Leifeld, J. (2007). "Beck, reflexive modernization and mitigation." Paper presented at the Midwest Sociological Society Conference, Chicago, IL.

Leifeld, J. and L. Bratvold. (2007). "Disasters through the matrix: Towards the development of a standardized vulnerability assessment." Paper presented at the Sociologists for Women in Society Conference, New Orleans, LA.

Leifeld, J. and L. Bratvold. (2007). "Disasters through the matrix: Applying Collins to vulnerability." Paper presented at the Sociologists for Women in Society Conference, New Orleans, LA.

Department Activities

2017-Present Department Head
2015-2017 Curriculum Development and Assessment Coordinator
2012-2017 Development Committee
2009-Present Emergency Management Graduate Admission Committee
2012-2015 Graduate Coordinator
2013-2015 Faculty Hiring Committee
2010-2015 Department Website Content Developer and Manager
2013 Coordinated 4-part Series on Technology and Emergency Management
2012 Coordinated 4-part Speaker Series on the Cass Clay Diversion Mitigation Project
2012 Faculty Hiring Committee
2012-2015 Curriculum Committee
2011-2014 Event Coordinator
2011 Coordinated 4-part Speaker Series on Minot, ND Flood Recovery

College Activities

2019-Present Transfer/Military Agreement Marketing for Political Science and Public Policy,
Criminal Justice, and Emergency Management
2019 Chair, Communications PTE Committee
2019 Chair, CJ & PS Interim Head Hiring Committee
2017-Present AHSS Executive Council
2016-2017 Student Progress Committee
2013-2016 Policy and Planning Committee
2013 UNITE Proposal Review Committee

University Activities

2020 Member, Strategic Prioritization Consultant Selection Committee
2020 Member, Fall Return to Campus Taskforce
2020 Member, Expanded Completion Opportunities for Non-Completers Working
Group
2020-Present NDSU Higher Learning Commission Academy Team
2019-Present Member, Program Review Committee
2019-Present Member, Assessment Committee
2019-Present Member, Faculty Affairs

2019 Participant, Change Agents Course
 2019-Present Member, ADVANCE FORWARD Steering Committee
 2018-2019 NDUS Blackboard Governance Committee (Faculty Senate appointed member)
 2015-Present Invited Member, Peer Review of Teaching Program Advisory Board
 2015-Present Peer Reviewer, Formative Teaching Mentoring Program

Sample of Community Activities

2012-2016 *Board Member, Member-at-Large*
 Cass Clay Voluntary Organization Active in Disaster

Sample of National Activities

2022 *SME, Developer*, Fellows Onboard Hazards and Disaster Training
 Bill Anderson Fund
 2022 *SME Facilitator*, Future Directors for Training and Education
 Lutheran Disaster Response, Evangelical Lutheran Church of America
 2022 *Pilot Participant*, Vanguard Program
 Federal Emergency Management Agency, Training and Education Division
 2022 *SME*, National Thought Leaders Group
 Federal Emergency Management Agency, Training and Education Division
 2017-2020 *Mentor*
 SURGE Capacity, a mentor to individuals from diverse background seeking
 graduate degrees with a focus on hazards and disasters who are participating in
 a NSF-funded program to facilitate their entry to the field of research
 2017-2018 *Founder and Participant*
 Emergency Management Higher Education Network
 2013-2016 *Founder and Organizer*
 Emergency Management Theory and Research Workshop
 The first-third annual conferences were one day in length and preceded the
 Annual Federal Emergency Management Agency Emergency Management
 Higher Education Symposium in Emmitsburg, MD. Organizer going forward.
 2015-2017 *Invited Member Feeder Council and*
Invited Lead Mentoring Program
 Bill Anderson Foundation
 2009-2016 *Research Consultant*
 International Association of Emergency Managers, US Council
 2015-2016 *Invited Subject Matter Expert for Disability and Disaster Course Development*
Project
 Portlight
 2017 *Invited Subject Matter Expert, Exploring Emergency Management*
Disciplinary Boundaries Focus Group
 Federal Emergency Management, Higher Education Program
 2016 *Invited Subject Matter Expert, Emergency Management Student Internship and*
Jobs Focus Group
 Federal Emergency Management Agency, Higher Education Program

- 2016 *Invited Facilitator and Subject Matter Expert for Consensus Building with Emergency Management Doctoral Degree Holders: The Emergency Management Discipline, Status and Needs, 2nd Iteration*
Federal Emergency Management Agency, Higher Education Program
- 2016 *Invited Subject Matter Expert for Emergency Management Education and Training Synergy Working Group, 2nd Iteration*
Federal Emergency Management Agency, Higher Education Program
- 2015 *Invited Facilitator and Subject Matter Expert for Consensus Building with Emergency Management Doctoral Degree Holders: The Emergency Management Discipline, Status and Needs, 1st Iteration*
Federal Emergency Management Agency, Higher Education Program
