EMERGENCY MANAGEMENT RESEARCH RESOURCES

NOTE: Students, if you can believe it, this list of research resources is just an initial list. While these are our primary resources, the vast majority of disaster related literature is actually located outside of any of the resources listed here. Please do not hesitate to contact me by cell (701-219-4293) or email (ja.jensen@ndsu.edu) if you are looking for research on a particular topic and I will give you any relevant materials I have and/or help guide you to resources you might want to check out.
