SECTION 133
EDUCATIONAL POLICY

SOURCE: SBHE Staff Human Resources Policy Manual
SBHE Policy Manual, Section 820.2e43

The North Dakota State Board of Higher Education encourages its employees within the North Dakota University System to pursue a program of continuing education.

1. For courses taken at the request of the employee, institutions shall waive or provide tuition assistance for benefited employees, limited to three approved for-credit undergraduate or graduate courses during each calendar year, in any combination of subsections 1 and 2 as follows:

1.1 For courses taken at the campus of employee employment regardless of delivery type: 100% tuition and fee waiver is provided, with the exception of the CND, NDSA, program and course fees which shall be paid by the employee.

1.2 For courses taken at another NDUS campus, other than the campus of employment, regardless of delivery type: a system-wide fixed 50% employer paid tuition assistance, with the employee paying the remaining 50% of tuition and 100% of all fees.

2. This educational benefit is available to benefited employees as defined in SBHE Policy 703.2. Employees who are eligible for this educational benefit are not eligible for the graduate assistant tuition waiver absent exceptional circumstances.

3. Employees may be released from work for one face-to-face regular class sessions for one academic class per semester with approval of the employee's immediate supervisor and/or department head. Approval may be granted if it does not interfere with completion of the employee's essential job duties and the essential work of the institution.

4. This policy is applicable to any degree eligible and remedial courses, regardless of delivery or instruction mode system, for NDSU employees only. This includes, but is not limited to, self-support and online courses, that would be normally accepted toward a degree program. For these types of courses, the policy does not apply to employees of other institutions or of the university system.

4.1 Waivers cannot be used for third party provided curriculum where NDSU directly pays full or partial tuition collected to the third party sponsored, grant funded, consortium programs such as the Great Plains IDEA consortium, study abroad, study tour, or remedial professional development courses which do not result in the award of college credit.

5. Release time may be granted only for the amount of time required to attend the regular class session. Field trips and outside class activities are not included.

6. The waiver tuition assistance benefit is applicable to all North Dakota University System institutions of higher education, and...
6. The waiver benefit is available to NDSU employees taking classes through the Tri-College University Course Exchange. Classes taken through the Tri-College University Course Exchange by employees of other ND University System institutions are available for the 50% tuition assistance benefit paid by the employee’s institution to NDSU, subject to approval by the employee’s institution.

7. Regular employees, who are not North Dakota residents, may receive a waiver from the non-resident portion of tuition requirements for courses beyond the three classes per calendar year. All benefited employees are eligible for the North Dakota Resident tuition rate, regardless of receiving the waiver or tuition assistance benefit. It is the employee’s responsibility to ensure ND resident tuition rates are assessed.

8. Procedure:

9.1 The employee must obtain initial approval for this educational benefit from his/her immediate supervisor and/or department head, and final approval from. After the initial approval is obtained, the Human Resources and Payroll Office will review to ensure the employee is eligible as a benefitted employee. The Customer Account Services office will review the educational benefit for course and waiver exclusions, and will process the tuition waiver or tuition assistance benefit.

9.1.1 To obtain a tuition waiver or tuition assistance benefit, employees must complete the standard "NDUS Employee Tuition Waiver or Assistance" form which is available in the Human Resources and Payroll Office.

9.1.2 The request for a tuition waiver or tuition assistance must be submitted and approved prior to the beginning of the class for which the waiver benefit is requested.

9.1.3 No employee who has an overdue accounts receivable balance with the University may receive a tuition waiver or tuition assistance.

9.1.4 The benefit will be considered used if the employee is enrolled in the course past the 100% drop date. If the employee does not remain enrolled in the course past the 100% drop date and wishes to use the benefit towards a new class, it is the employee’s responsibility to notify the Human Resources and Payroll office.

9.2 Upon approval, employees are responsible for registering for classes through regular admission/registration procedures.

134.2 NDSU Lactation Policy

1. Effect of policy addition or change (explain the important changes in the policy or effect of this policy).
   Briefly describe the changes that are being made to the policy and the reasoning behind the requested change(s).
   - Is this a federal or state mandate? Yes
   - Describe change: This is a new policy, related to all employees at NDSU, establishing family-friendly workplace guidelines in support of new mothers who wish to express breast milk during work hours. The policy is based on federal requirements; the Patient Protection and Affordable Care Act (PPACA) Section 4207 amended the Fair Labor Standards Act, Section 7.
   - Version 2 changes include:
     o Opening paragraphs stating NDSU commitment to, and benefits of, family-friendly policies like 134.2
     o Opening paragraphs outlining expectation that employee will request flexibility in time from supervisor
     o Opening paragraphs outlining expectation that supervisor will work with employee
     o Added language about “breastfeeding and expressing breast milk” throughout policy
     o 1.1 – added “at least” to the previous one year guideline
     o 1.1.1 – added “shall be reviewed” by supervisor
     o 1.3 – added “or near” regarding lactation space locations
     o 2.1 – added language regarding need for supervisor flexibility with non-exempt employees in terms of break times for breastfeeding/expressing breast milk, especially due to travel time frequently required for employee to reach designated lactation rooms.

2. This policy change was originated by (individual, office or committee/organization):
   - Human Resources/Payroll and Equity Office 2/21/2017

SECTION 134.2  
LACTATION POLICY

SOURCE:  NDSU President

As part of our family-friendly policies and benefits, NDSU supports breastfeeding mothers by accommodating the mother employee who wishes to breastfeed or express breast milk during her the workday when separated from her child. NDSU recognizes that supportive breastfeeding policies and practices in the workplace not only benefit the employee but also benefit the child and the employer. Employer benefits include greater workplace productivity, increased organizational loyalty, and increased job satisfaction. Breastfeeding employees experience higher productivity, fewer distractions, lower absenteeism to care for an ill child, and a lower risk of developing breast and ovarian cancer or diabetes. Babies experience immediate and long-term benefits from breastfeeding including better immune system development and tend to have fewer and less severe short-term illnesses and chronic illnesses.

Any employee who wishes to breastfeed or express breast milk in the workplace shall notify the supervisor and discuss any relevant workload or scheduling issues.

1. Supervisors are encouraged to work with their employees and within policy requirements to accommodate an employee who wishes to breastfeed or express breast milk.

2.1 NDSU shall provide:
2.1.1 Flexible work scheduling, including scheduling breaks and permitting work patterns that provide time for breastfeeding or expressing breast milk for at least one year after child’s birth;
2.1.2 After one year of child’s birth, continued breaks and work patterns to accommodate breastfeeding or expressing breast milk may be reviewed and agreed upon with employee’s supervisor;
2.1.3 A convenient, clean, and safe water source with facilities for washing hands and rinsing breast-pumping equipment located in or near the private location.

2. NDSU shall not be required to compensate an employee receiving reasonable break time for any work spent breastfeeding or expressing breast milk, for such purpose.

2.1 Travel time to a lactation room must be considered and may extend the reasonable break time. Supervisors may permit extensions for reasonable break time with options that may include alternate start/stop times to the workday, rearranging break periods, and flexible scheduling. For non-exempt employees, supervisors will need to allow flexibility for employees to be able to earn all paid hours.
NDSU has the following lactation rooms and support resources available for nursing mothers:

SECTION 103
EQUAL OPPORTUNITY/AFFIRMATIVE ACTION POLICY ON THE ANNOUNCEMENT OF POSITION OPENINGS

SOURCE: NDSU President

This policy addresses requirements and procedures for position openings. Regardless of the position announcement procedures that are followed, all employment decisions within the University are subject to equal opportunity laws and regulations and NDSU's Equal Opportunity and Non-Discrimination Policy 100. For equal opportunity purposes, all appointments to payroll budget positions and equivalent positions supported by non-appropriated funds are subject to the search, recruiting, and hiring processes in Sections 202 and 304 of this manual.

Section 1 pertains to staff positions. Section 2 pertains to faculty and executive/administrative positions. Section 3 pertains to all positions.

STAFF

1. Staff (as defined in NDSU Policy 101.1.1 generally referred to as “broadbanded employees” include those positions in the following job band: 1000, 3000, 4000, 5000, 6000, and 7000).

   1.1 If the appointment is to be .50 FTE or more and the expectation is that the appointee will serve for equal to or more than twenty weeks, the position shall be announced throughout the appropriate recruiting area as defined in Section 200 of this Manual.

   1.2 Generally speaking, the recruiting areas are as follows for staff positions:

      1.2.1 Administrative/managerial positions in the 1000 band: national.

      1.2.2 Professional positions in the 3000 band: regional.

      1.2.3 Technical/Paraprofessional (4000); Office Support (5000) Crafts/Trades (6000); and Services (7000): local (Fargo-Moorhead community and/or surrounding counties as applicable).

   1.3 When a benefitted staff position vacancy occurs and there is a pool of regular employees appropriately qualified for transfer or promotion (including former employees covered by Reduction in Force policy Section 223), a unit supervisor may choose to advertise a vacant position internally for a minimum of five working days prior to initiating an external search. The procedures, which involve utilizing the online application system for these internal searches, will be the same as those external searches as mentioned in subsection 1 (see Section 202). The Human Resources/Payroll Office, in consultation with the unit supervisor, will be responsible to determine whether a pool of appropriately qualified employees exists.

   1.4 If the appointment is either less than .50 FTE or clearly stipulated to be for a total duration of less than twenty weeks (non-benefitted), no formal position announcement posting to the online employment application system is required. Unit supervisors are, however, encouraged to announce benefitted positions. The announcement may be distributed within
the University to the eligible staff of the particular administrative unit involved. Affirmative action efforts must still be undertaken to ensure that qualified minority individuals, females, and individuals with disabilities are included in the applicant pool. Proof of affirmative action efforts will be required, such as documentation reflecting an open announcement to all eligible staff of an appropriate unit or adequate written documentation on why the candidate is being selected for the opportunity without an announcement to the appropriate unit. Distributing the position announcement to the other Tri-College University institutions or within the Fargo-Moorhead community is also encouraged.

1.5 Recruitment for all benefitted staff positions in the 1000 and 3000 bands shall include the use of a search committee of at least three people to be appointed by the unit administrator at the time the unit requests authorization to fill a position opening. Unit administrators are urged to consider the importance of diversity when making appointments to search committees.

1.5.1 The search committee shall be involved in recruiting, screening, and interviewing applicants, with particular responsibility for affirmative action efforts to solicit and include applicants from underrepresented and protected groups. Selection from the group of finalists of the individual to fill the position is the responsibility of the unit administrator. A member of the Human Resources shall be considered an ex officio member of each search committee and will be available to assist the committee in fulfilling its responsibilities.

1.6 Although unit leaders are encouraged to post throughout the University any staff position that offers an important promotional opportunity to employees in other departments, the formal procedures for filling positions that involve utilizing the online application system for job announcements (see Sections 202 for broadbanded positions and 304 for non-banded) shall be optional in the following cases. (Whenever an appointment is based on one of the following options, the request to recruit must be completed online for benefitted positions and the specific option should be noted in the appropriate section of the online request to offer or on the NDSU Change Form (101) with relevant documentation attached.)

1.6.1 Timeslip employment that is not identified as a payroll budget appointment.

1.6.2 The transfer or promotion of an employee within a department or office, provided that the employee is fully qualified for the new position and was originally hired through a competitive search. This exception excludes faculty positions. This option is governed by NDSU Policy 240 which provides procedures and the requirement of the hiring department to obtain permission from the Director of Human Resources/Payroll who will review for appropriateness of the promotion including equitable issues.

1.6.3 When there is concurrence by the hiring department, reassignment due to:

1.6.3.1 An injury resulting in worker's compensation award and subsequent retraining; or

1.6.3.2 A reduction-in-force.

1.6.4 When an employee, at time of hire or within two years of employment, has a spouse or partner who is fully qualified and interested in a university position. (Please note the responsibilities lie with the employed spouse/partner’s unit supervisor to encourage the spouse/partner to locate positions that they feel they are fully qualified for and make an appointment with a staff member in Human Resources/Payroll Office and/or with the head/chair of the appropriate unit to review
the spouse's/partner's education and experience. The hiring department will make the final hiring decision.

1.6.5 At the request of the appropriate supervisor, the reinstatement of a former NDSU employee who has left his/her employment within the previous nine (9) months, provided that:

1.6.5.1 The employee had a satisfactory performance record; and
1.6.5.2 The employee is returning to a position requiring similar qualifications and having similar responsibilities; and
1.6.5.3 The position is within the department where he/she worked at the time of resignation.

1.6.6 The appointment of an employee to fill a vacant administrative position on an acting basis, normally for a period not to exceed one year, while a search is being conducted for a regular appointee.

1.6.7 With prior approval, the temporary appointment of a person to a grant-funded position when the individual has been instrumental in the development of the project or is identified by name in the proposal as having unique expertise necessary to the project. This temporary appointment may not be continued beyond the period of the grant project, and the individual may not be transferred to any other University appointment without an appropriate search.

Note: To use this option, proposal writers should indicate their intention on the transmittal form and provide a letter of explanation when the proposal is submitted to the Office of Sponsored Programs Administration. Those submitting proposals for internal funding that are not reviewed in Sponsored Programs Administration should contact the Office of the Provost prior to submitting the proposal.

1.6.8 An externally funded appointment as a broadbanded research professional in a department where the individual has just completed an NDSU graduate degree and the assignment involves continuation of the research used for the individual’s thesis/dissertation. This appointment is limited to the period for which funding has been given and normally may not exceed two years.

Faculty and Executive/Administrative Staff

2. Executive/Administrative (primarily in 0000 job bands) and benefitted Academic Staff (in 2000 band – bands are defined in NDSU Policy 101.1.2), generally referred to as “non-banded employees,” include such positions as tenured and tenure-track faculty and deans. Recruitment falls under two primary categories: half time or less or interim (2.1) and more than half time (2.2).

2.1 Titled and/or Compensated Positions (Less Than .50 FTE or Interim)
If the appointment is less than .50 FTE or stipulated to be for less than twenty weeks, the titled or compensated position shall be announced internally within the unit (and to other relevant internal units as appropriate to the position). The unit supervisor must ensure transparency and equal opportunities for individuals to learn about and apply for the positions. This means the unit supervisor must announce the position to appropriate unit(s)
internally and accept applications for at least ten working days. Documentation of the
announcement and review of applications must be provided to the Office of the Provost
before the position is offered so the Office of the Provost can ensure compliance with this
policy. Even when using internal searching, for any positions that come with fringe benefits,
the formal search process detailed in Policy 304 must be followed.

2.2 Equal to or Greater Than .50 FTE, Non-Interim Positions
If the appointment is to be .50 FTE or more and the expectation is that the appointee will
serve for equal to or more than twenty weeks, the position shall be announced
throughout the appropriate recruiting areas as defined in Section 103.1 of this Manual
(with the exception of graduate level degree seeking students).

2.2.1 Generally speaking, the recruiting areas are:

2.2.1.1 Executive/Administrative positions in the 0000 band: national.

2.2.1.2 Benefitted Academic staff such as tenure/tenure track faculty in the
2000 band: national.

2.2.1.3 The 2000 level: lecturer, assistant coach, assistant experiment
station specialist, Extension district directors, Extension area
specialists, and Extension field staff: regional.

2.2.2 Recruitment for all benefitted executive/administrative and academic staff
positions (all those in the 0000 and 2000 job bands) shall include the use of a search
committee of at least three people to be appointed by the unit administrator at the
time the unit requests authorization to fill a position opening. Unit administrators are
urged to consider the importance of diversity when making appointments to search
committees. NDSU Policy 339 requires for every faculty recruiting committee to
include faculty from the unit and at least one student. A unit may wish to include both
an undergraduate and a graduate student on the committee.

2.2.3 The search committee shall be involved in recruiting, screening, and interviewing
applicants, with particular responsibility for affirmative action efforts to solicit and
include applicants from underrepresented and protected groups. Selection from the
group of finalists is the responsibility of the unit administrator and is based on the
recommendation of the search committee. The Vice Provost for Faculty and Equity, or
designee shall be considered an ex officio member of each search committee and
will be available to assist the committee in fulfilling its responsibilities.

2.2.4 Exceptions to searches for benefitted executive/administrative, and academic and
professional broadbanded staff positions listed (greater than .50 FTE and longer than 4
months) are limited to the following:

2.2.4.1 The transfer of an academic staff member from a lecturer line to a
probationary appointment as outlined in the employee’s original
contract provided that he or she had secured the appointment on a
nationally competitive basis.

2.2.4.2 An externally funded appointment as a postdoctoral fellow, research
scientist, or broadbanded research professional in a department where
the individual has just completed an NDSU graduate degree and the
assignment involves continuation of the research used for the individual's thesis/dissertation. This appointment is limited to the period for which funding has been given and normally may not exceed two years.

2.2.4.3 With prior approval, the temporary appointment of a person to a grant-funded position when the individual has been instrumental in the development of the project or is identified by name in the proposal as having unique expertise necessary to the project. This temporary appointment may not be continued beyond the period of the grant project, and the individual may not be transferred to any other University appointment without an appropriate search.

Note: To use this option, proposal writers should indicate their intention on the transmittal form and provide a letter of explanation when the proposal is submitted to the Office of Sponsored Programs Administration. Those submitting proposals for internal funding that are not reviewed in Sponsored Programs Administration should contact the Office of the Provost prior to submitting the proposal.

2.2.4.4 When a faculty member has a spouse or partner who is fully qualified and interested in a university position, a dual career exception to the search process may be made. The department or unit administrator is responsible to contact the Vice Provost for Advancement of Faculty and Equity as soon as possible. Hiring a spouse or partner depends upon the qualifications of the spouse or partner, the availability of a suitable and acceptable position in each case, and is subject to the approval of the department or unit into which the spouse or the partner will be hired, following an interview process within that unit. For positions in the 0000 job band and positions in the 2000 job band not defined as faculty, 1.6.4 applies.

2.2.4.5 At the request of the appropriate supervisor and with unit support, the reinstatement of a former NDSU employee who has left his/her employment within the previous nine (9) months, provided that:

2.2.4.5.1 The employee had a satisfactory performance record; and

2.2.4.5.2 The employee is returning to a position requiring similar qualifications and having similar responsibilities; and

2.2.4.5.3 The position is within the department where he/she worked at the time of leaving.

2.2.4.6 When there is concurrence by the hiring department, reassignment due to:

2.2.4.6.1 An injury resulting in worker's compensation award and subsequent retraining; or

2.2.4.6.2 A reduction-in-force.
All Positions

3. Exceptions to this policy may be authorized by the President in unique circumstances. A written request for the Presidential exception is initiated by the hiring department and forwarded through the appropriate supervisory line to the unit's dean or director. If there is support from the dean or director, the request is forwarded to the Provost or the appropriate vice president. If the request is supported by the vice president after consultation with the Vice President Provost for Faculty and Equity, Diversity, and Global Outreach and the unit's dean and director, it is forwarded by the Provost or Vice President Provost to the President for consideration.

SECTION 103.1
RECRUITMENT FOR EXECUTIVE/ADMINISTRATIVE/MANAGERIAL, ACADEMIC STAFF AND OTHER
NON-BANDED POSITIONS (0000, 1000 and 2000 positions)

SOURCE: NDSU President

1. Recruitment Areas

1.1 Generally, all full-time executive/administrative/managerial, academic staff and other non-
 banded positions require a national search. Based on the source of funding, salary ranges,
 and local availability, however, some of these positions require only a regional search (a wider
 search is always an option, if the hiring official wishes). EXCEPTIONS to the national search
 requirement for these types of positions include:

1.1.1 2000 level: lecturer, assistant coach, assistant experiment station specialist, Extension
district directors, Extension area specialists, and Extension field staff.

1.2 Regular, part-time payroll positions (without regard to the funding source) require only a local
search.

2. Recruitment Methods

2.1 Recruitment is a critical function for an effective equal opportunity/affirmative action
employment program because increased diversity in the applicant pool is essential in order to
increase the diversity of people actually employed. With this objective in mind, some
potentially fruitful recruitment channels include:

2.1.1 Advertisements in appropriate professional journals and job registries and/or in The
Chronicle of Higher Education. Publications which solicit advertisements on the basis
of direct minority circulation are generally not a required method for recruiting;
however, if applicant pools consistently lack diversity, a publication such as Affirmative
Action Register should be considered.

2.1.2 Regional or national meetings of professional organizations and associations; women's
and minority caucuses associated with professional groups are especially helpful and
important.

2.1.3 College/University academic departments and placement offices especially at
institutions where the student body is composed primarily of women or racial/ethnic
minorities.

2.1.4 Industries, government, independent research institutions, etc., where racial/ethnic
minorities or women are professionally engaged.

Recruitment (placement of advertisements, position announcement mailings, etc.) for administrative and
academic positions is the responsibility of the hiring department. Once the Request to Recruit is approved,
and posted online, it also is posted by Job Service North Dakota. A notice for staff positions requiring a
minimum qualification of a bachelor's degree may be sent to the NDSU Career Center for their listing.
All recruitment information should include one of the following statements:

- North Dakota State University is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, disability or veteran status or

- NDSU is an EEO/AA M/F/Vet/Disability Employer.

- NDSU does not discriminate in its programs and activities on the basis of age, color, gender expression/identity, genetic information, marital status, national origin, participation in lawful off-campus activity, physical or mental disability, pregnancy, public assistance status, race, religion, sex, sexual orientation, spousal relationship to current employee, or veteran status, as applicable. Direct inquiries to: Vice Provost, Title IX/ADA Coordinator, Old Main 201, 701-231-7708, ndsu.eoaa@ndsu.edu.

- NDSU is an equal opportunity educator and employer. Visit ndsu.edu/equity/ or call 701-231-7708 for more information.

The following additional language may be added to either option above:

- Women & traditionally underrepresented groups are encouraged to apply.

SECTION 130
ANNUAL LEAVE

SOURCE: NDUS Human Resources Policy Manual, Section 6
NDSU President

1. Annual leave with pay is earned by eligible employees for the purpose of freeing them from their regular duties to spend time in rest and recreation or to attend to personal matters. Upon approval, annual leave may only be used in place of regularly scheduled work hours and shall not cause overtime. Such leave should be programmed to insure that leave is taken rather than carried forward from year to year.

2. University operations govern annual leave periods. Consideration is given first to the convenience of the administration, departmental needs, then the employee's departmental seniority and finally to the employee's preference. Annual leave is computed on the basis of the employee's hours/week, and months/year.

   2.1 The employee must obtain authorization from his/her department head before taking annual leave. The form of this authorization is to be determined by the respective department head.

   2.2 The employee is responsible for furnishing their supervisor or department head with a completed "Notification of Employee Leave" card upon returning to work.

3. Annual leave with pay for full-time benefited, broadbanded staff employees is earned on the basis of continuous service from date of employment as follows:

   First through third year - the equivalent of 12 days per year
   Fourth through seventh year - the equivalent of 15 days per year
   Eighth through twelfth year - the equivalent of 18 days per year
   Thirteenth through eighteenth year - the equivalent of 21 days per year
   Over eighteen years - the equivalent of 24 days per year

   Annual leave for full-time, non-banded employees in the following job categories is earned on the same basis as for staff employees: graduate research fellows (2230), graduate teaching fellows (2235), post doc research fellows (2240), research scientists (2420), extension program assistants (2530), and international exchange scientists (2810).

   Graduate teaching, research or service assistants and experiment station project assistants do not earn annual leave.

   3.1 Years of service shall be computed from the employment anniversary dates.

   3.2 Annual leave for part-time staff employees and the non-banded employees identified above in 3 is earned on a prorated basis.

4. Presidents, executive deans, provosts, vice presidents, positions excluded from the broadbanding system, and other positions approved by the President or chancellor at the time of hire are entitled
to accrue a minimum of twelve working days and a maximum of 24 working days of annual leave each year to be taken at the convenience of the administration. Accrual rates for these employees are determined by the institution president. For any of these employees who are less than full-time, the annual leave will be prorated.

Each department may negotiate annual leave accrual on a case-by-case basis during the recruitment, with prior Presidential approval. Current benefitted employees are not eligible.

5. Annual leave for 12 month faculty and other non-banded job categories not identified in #3 above is earned at the rate of 16 hours per month, 24 days per year. Annual leave will be prorated for those who are less than full-time. For non-banded employees on 9, 10, or 11, month appointments, see Section 320.

6. All eligible employees may accumulate annual leave hours. Full-time employees may accumulate up to 30 working days or 240 hours which shall be carried forward on January 1st of each year. Part-time employees may accumulate up to the equivalent number of days or hours on a prorated basis. Any accumulation in excess of 30 days or 240 hours (or the equivalent on a prorated basis for part-time employees) on December 31st of each year shall be cancelled.

7. All employees eligible to accumulate annual leave must take at least forty hours (or the equivalent on a prorated basis for part-time employees) of annual leave each year, except for the year during which they are hired.

8. When a holiday occurs during annual leave, the holiday is not considered a day of annual leave time.

9. At the discretion of the department head and the concurrence of the Director of Human Resources/Payroll or designee, an employee may be granted annual leave in advance of the accumulation thereof up to a maximum of 40 hours. In rare cases, such as leave due to a workers compensation claim or shared leave, the HR/Payroll office may process leave which exceeds the 40 hour advance. Annual leave taken in advance of accumulation may be deducted from the employee's last paycheck provided the employee has signed an agreement authorizing the deduction. This agreement must be submitted to and approved by the Office of Human Resources and Payroll prior to the employee obtaining a negative accrual balance.

10. Benefited employees terminating employment must be paid for earned unused annual leave subject to all approved payroll matched reductions/deductions. "Unused annual leave" shall include any leave carried over from the previous year and all accrued leave up to the date of termination. Proper termination notice must be given and any unearned annual leave taken shall be deducted from the employee's last paycheck.

10.1 Annual leave earned by an employee on a 12 month appointment may not be carried forward by the employee to be used or paid for during the term of a subsequent appointment for less than 12 months and must be paid out.

11. In case of death, payment of all earned, unused annual leave shall be paid according to Section 34-01-12 of the North Dakota Century Code. (See Section 183.)

12. Accrued annual leave for employees previously employed with other North Dakota institutions or agencies may be transferred to institutions under the State Board of Higher Education according to agreements between the employee and the institution. If re-employment occurs within one calendar year, the re-employing institution shall credit the employee with prior years of service from any state agency in computing annual leave accrual rate.
13. When employment begins or ends during a pay period, the accrual of annual leave shall be prorated for the pay period when the employee is hired or terminated and does not work a full pay period.

14. "Notification of Employee Leave" cards Leave requests are processed on an on-going basis. Each department is responsible for verifying the Departmental Leave Record. Late Leave Cards and errors must be submitted to the Office of Human Resources/Payroll for entry and/or correction. The approving supervisor is responsible for verifying leave balances before approving. Corrections to leave will be handled by the Office of Human Resources and Payroll.

**Commented [NF2]:** The departmental leave report is no longer going to run; supervisors will have real time balances to look at before approving. TLAB will allow departments to enter late leave and will no longer need to come to HR & Payroll, but corrections will still be handled by HR&P.

SICK/DEPENDENT LEAVE

1. Sick leave, including maternity, is a benefit granted by the University to eligible employees and is not a benefit considered to be earned by the employee such as annual leave. It is an insurance benefit allowing employees to build a reserve of days they can use for their extended illnesses. Abuse of this benefit may be grounds for disciplinary action or termination. Employees are responsible for informing their supervisors prior to the start of their work schedule of their sickness.

   1.1 The employing department may require satisfactory medical verification as deemed necessary by the department head prior to the payment of sick leave.

   1.2 The employee is responsible for furnishing their supervisor or department head with a completed "Notification of Employee Leave" card upon returning to work.

   1.3 Sick leave may only be used in place of regularly scheduled work hours and shall not cause overtime.

2. Sick leave is granted on the basis of continuous service from date of employment for benefited staff employees, and benefited 12-month academic staff and other non-banded staff.

3. Sick leave for full-time eligible employees accrues based on rate per hour at a rate equivalent to 12 days per year. Sick leave for eligible part-time employees working 20 hours or more per week is granted on a prorated basis. Sick leave accumulation is unlimited.

4. Sick leave may be granted to employees who become ill while on vacation provided satisfactory medical proof of such illness is submitted.

5. When a holiday occurs during a paid sick leave, the holiday is not considered a day of sick leave.

6. Upon termination, employees with ten years of continuous state service will receive a payment equivalent to 10% of the dollar value of their accrued sick leave. The amount is computed on the basis of the employee's salary at the time of termination and shall be in the form of a lump-sum payment.

7. At the discretion of the department head and the concurrence of the Director of Human Resources/Payroll or designee, an employee may be granted sick leave in advance of the accumulation thereof up to a maximum of 40 hours. In rare cases, such as leave due to a workers compensation claim or shared leave, the HR/Payroll office may process leave which exceeds the 40 hour limit. Sick leave taken in advance of accumulation may be deducted from the employee's last paycheck provided the employee has signed an agreement authorizing the deduction. This agreement must be submitted to and approved by the Office of...
Human Resources and Payroll prior to the employee obtaining a negative accrual balance.

8. **Unless an approved leave of absence has been granted, an employee who is off the payroll for one year shall lose unused sick leave.**

9. Accrued sick leave is transferable from any state agency to the employing institution if employment with the institution occurs within one calendar year of separation of service with the state agency. In the event of a Reduction in Force, sick leave is transferable if reemployment occurs within two calendar years.

10. Sick leave may be used by the employee when:

10.1 The employee is unable to work due to a mental or physical condition (including maternity).

10.2 The employee has an appointment for the diagnosis or treatment of a medically related condition.

10.3 The employee wishes to attend to the needs of an eligible family member who is ill or to assist them in obtaining other services related to their health. Eligible family members include the employee's spouse, parent (natural, adoptive, foster, and step-parent); child (natural, adoptive, foster, and step-child); or any other family member who is financially or legally dependent upon the employee or who resides with the employee for the purpose of the employee providing care to the family member.

10.4 Sick leave used for the purposes described in 10.3 shall not exceed eighty (80) hours per calendar year.

10.5 In the case of a serious health condition of an eligible family member, an employee may take up to a total of four-hundred-eighty (480) hours of sick leave in any twelve-month (12) period, including the eighty (80) hours in section 10.4 above.

10.6 The employee is caring for a newborn child or for a child placed with the employee, by a licensed child-placing agency, for adoption or as a precondition to adoption, but not both. Sick leave in such cases is limited to six (6) weeks during the first six (6) months from birth or placement.

10.7 The employee seeks for oneself or to assist a parent, child, spouse, sibling, or any other individual who regularly resides in the household or who within the prior six months regularly resided in the household, with the consequences of domestic violence, a sex offense, stalking, or terrorizing. Sick leave may be used to seek legal or law enforcement remedies; treatment by a health care provider for physical or mental injuries; obtain services from a domestic violence shelter, rape crisis center, or social services program; obtain mental health counseling; and participate in safety planning, relocation or other actions to increase the employee's or immediate family member's safety from future domestic violence, a sex offense, stalking or terrorizing. The immediate supervisor may limit the use of sick leave for this section to forty (40) hours per calendar year.

11. **The accrual of sick leave shall be prorated for the pay period in which employment begins or ends.**
12. Sick leave is not accrued during developmental leaves or leaves of absence without pay.

13. Accumulated sick leave may be used for any period(s) of actual disability caused or contributed to by pregnancy. Beyond the period of disability, an employee may request use of annual leave, family leave, and/or leave without pay to provide for an extended post-delivery period away from work.

14. "Notification of Employee Leave" cards Leave requests are processed on an on-going basis. The approving supervisor is responsible for verifying leave balances before approving. Each department is responsible for verifying the Departmental Leave Report. Late leave cards and errors must be submitted to the Office of Human Resources/Payroll for entry and/or corrections. Corrections to leave will be handled by the Office of Human Resources and Payroll.

SECTION 157
GRIEVANCE PROCEDURES

SOURCE: NDSU President

1. A grievance exists when an employee is dissatisfied with an aspect of his/her employment over which the employee has no control and on which remedial action is desired, excluding job family assignment and performance evaluations for broadbanded staff and other employees not covered under Section 353. (Section 241).

2. If an employee feels unfairly treated or has a complaint, the employee shall first discuss it with the immediate supervisor. It may be a case of misunderstanding which can be straightened out by frank discussion.

3. All employees have the right to present grievances to their supervisors or department heads and are assured freedom from discrimination, coercion, restraint or reprisal in presenting grievances.

4. At each step of the grievance procedure, the employee may be represented by another University employee or by a representative of the employee's choosing.

5. The intent of the University’s grievance procedures is to provide a reasonable opportunity for the resolution of an employee’s dispute with the University. Depending upon the nature of the grievance, the University has several formal grievance procedures which are available for use by an employee who feels aggrieved or discriminated against and for which informal discussions have not been satisfactory to the employee. If more than one of the University grievance procedures is available for a particular issue, the employee should consult with the Director of Human Resources/Payroll, the Vice Provost for Faculty and Equity (in the case where the issue involves alleged discrimination) or a unit administrator when considering grievance options. Once an employee files a formal grievance in writing with the Office of the Provost, the Office of Human Resources/Payroll or the Presiding Officer of the University Senate (to initiate a faculty Special Review Committee), the employee will not be entitled to grieve the same issue using another internal grievance procedure. If an employee seeks the resolution of a grievance in any external forum, whether administrative or judicial, prior to seeking resolution of the issue by filing a grievance in one of the formal internal grievance procedures listed below or while one of those grievance procedures is in progress, the University may, following notification to the employee, suspend the internal grievance procedure pending a final decision in the external forum.

The Director of Human Resources/Payroll (and the Vice Provost for Faculty and Equity in a case of alleged discrimination, harassment, or retaliation) will act in an advisory capacity, as requested, to all parties involved in the grievance procedure.

All employees

5.1 If the grievance is based on alleged discrimination, that is, an issue related to age, color, gender expression/identity, genetic information, marital status, national origin, physical or mental disability, pregnancy, public assistance status, race, religion, sex, sexual orientation, status as a U.S. veteran, or participation in lawful activity, race, color, religion, national
origin, sex (including sexual harassment), disability, age, veteran's status, or sexual orientation. Any employee may use the Equal Opportunity Grievance-Discrimination, Harassment, and Retaliation Complaint Procedure (Section 156). This procedure includes information about the process for filing a complaint, retaliation prohibitions, remedial measures, informal and formal resolution processes, notice of mandatory reporting responsibilities, and filing a complaint with an external agency, phases for administrative review, negotiation, and if necessary, a hearing before a special hearing committee.

Faculty

5.2 If the grievance involves a faculty member (instructor, assistant professor, associate professor, or professor), lecturer, adjunct faculty member or graduate teaching assistant and is based on a dismissal, termination, nonrenewal or nonpromotion, grievance procedures are described in Sections 350.3. Grievances based on matters other than dismissal, termination, nonrenewal, or nonpromotion may also be grieved using the procedure described in Section 353.

Broadbanded and all other employees

5.3 If the grievance is based upon an aspect of employment over which an employee has no control and desires remedial action, e.g., salary, working conditions, disciplinary action, etc., the employee uses the Condition of Employment Grievance Procedure (Section 230). This grievance option is limited to regular employees who have completed their probation period.

5.4 If the grievance is based on a suspension without pay, dismissal or demotion which the employee feels is unjust, the employee uses the Grievance Procedure for Termination of Employment (See Section 231). This grievance option is limited to regular employees who have successfully completed their probationary period.

6. The University's Director of Human Resources/Payroll and the Vice Provost for Faculty and Equity are available to provide assistance to employees in determining, under the given circumstances, which grievance procedure may be most appropriate.

Table mapping proposed recommended changes to NDSU’s Existing GE Categories to the New Undergraduate Learning Outcomes (created by the UCC April 12, 2017).

**Proposed Change #1** - UCC recommends that Diversity and Global Perspectives be separated into 2 unique categories to replace “Human Societies” to more effectively reflect the differences between the learning outcomes of these unique categories. **Proposed Change #2** - Elimination of Possible Secondary New Undergraduate Learning Outcomes. The committee views these as valuable attributes for faculty to consider but from an assessment/evaluative standpoint at the University level having additional outcomes to review will become too cumbersome to manage.

*Green Strike Thru* and *Red - Proposed changes UCC Committee (April 12, 2017); Remaining Document approved by Faculty Senate May 6, 2016*
University Curriculum Committee
Course and Program Curricular Approval Recommendations
April 24, 2017

Background
The Office of Registration and Records needs to bring CourseLeaf offline each summer to perform administrative updates within the system. To ensure compliance in the governance approval process and proposal forms are up-to-date with NDSU and NDUS policies and procedures, a best practice of CourseLeaf institutions is to destroy stalled proposals at the end of an academic year and institute deadlines during the academic year to promote early submission of proposals for the upcoming academic year.

Procedural Proposal for Faculty Senate Approval

**Stalled proposals**

The University Curriculum Committee directs the Office of Registration and Records to “shred” stalled CourseLeaf course and program proposals at the end of each academic year after the May Faculty Senate meeting.

- Prior notification would go out on the Chairs and Deans listservs to recommend backing up stalled proposals at their levels.
- New program proposals in Stage I/II processes will not be destroyed.
- All new or existing course proposals not approved by the May Faculty Senate meeting would be subject to purge.
  - Existing courses would revert to original state.
- Existing program proposal edits not approved by the May Faculty Senate meeting would also revert to the unedited curriculum.

**General Education Course Requests**

General Education course submissions (new course seeking general education category approval or existing course seeking new or additional general education category approval) will only be reviewed during fall semester.

**Deadlines**

All new and existing course and program proposals must be initiated in CourseLeaf by the Friday of Spring Break week. Functionality to submit proposals will be removed and inactive until early August. This deadline will be in place to allow sufficient time for department, college, Graduate Council, University Curriculum Committee, and Faculty Senate review/approval. Course and program proposals submitted prior to the deadline are not guaranteed to be reviewed before the end of the academic year.
Policy Change Cover Sheet

This form must be attached to each policy presented. All areas in red, including the header, must be completed; if not, it will be sent back to you for completion.

If the changes you are requesting include housekeeping, please submit those changes to ndsu.policy.manual@ndsu.edu first so that a clean policy can be presented to the committees.

SECTION: Policy 161 Fitness for Duty

1. Effect of policy addition or change (explain the important changes in the policy or effect of this policy). Briefly describe the changes that are being made to the policy and the reasoning behind the requested change(s).
   - Is this a federal or state mandate? ☐ Yes ☐ No
   - Describe change: Clarification of the process and changing it so it is consistent with other policies/federal laws
     - Family Medical Leave (FMLA) and American with Disabilities (ADA).

2. This policy change was originated by (individual, office or committee/organization):
   - Office/Department/Name and the date submitted Colette Erickson, 01/26/2017
   - Email address of the person who should be contacted with revisions: Colette.erickson@ndsu.edu

   This portion will be completed by Mary Asheim.

3. This policy has been reviewed/passed by the following (include dates of official action):
   - Senate Coordinating Committee: 2/27/17
   - Faculty Senate:
   - Staff Senate:
   - Student Government:
   - President’s Cabinet:

The formatting of this policy will be updated on the website once the content has final approval. Please do not make formatting changes on this copy. If you have suggestions on formatting, please route them to ndsu.policy.manual@ndsu.edu. All suggestions will be considered, however due to policy format guidelines, they may not be possible. Thank you for your understanding!
SECTION 161
FITNESS FOR DUTY

SOURCE: NDSU President

1. Overview

NDSU is committed to providing a safe working environment and to protect the health and safety of students, faculty and staff, visitors and University property. This policy provides a mechanism for identifying and intervening when individuals who could pose a threat to the safety of others and property. Required drug and alcohol screening of employees in designated positions is addressed in NDSU policy 161.1. Post-offer/pre-hire screening of job candidates for positions related to dining services must comply with Fargo Public Health Codes.

2. Definitions

a. Fitness for duty: physical and mental health status that facilitates the performance of essential job duties in an effective manner and protects the health and safety of oneself, others and property.

b. Reliable report: self-disclosure or third-party opinion about an employee's possible lack of fitness for duty which is assessed as reasonable by the manager/supervisor considering such factors as the relationship of the reporter to the employee, the seriousness of the employee's condition, the possible motivation of the reporter and how the reporter learned the information.

c. Working hours: beginning with an employee's starting time and ending with the employee's quitting time as well as any time an employee is on-call. All work activities are included whether they occur on or outside University properties.

d. Medical evaluation: An examination performed by a university-designated health professional, including but not limited to a health history, physical and/or psychological examination and any medically indicated diagnostic studies. The cost is paid by the employee's department.

e. Medical certification: a document from a medically appropriate, licensed provider attesting to an employee's fitness for duty following an extended medical absence. Allowable costs to obtain the certification are paid by Workers Compensation for work-related absences, and by the employee and the employee's health insurance for absences which are not work-related.

3. Employee responsibilities

a. Reporting to work fit for duty.

b. Notifying the manager/supervisor when not fit for duty.
c. Notifying the manager/supervisor when observing a co-worker who may not be fit for duty (in cases where the possibly impaired individual is the employee's manager, the employee should make the notification to the next higher level manager or the Director of Human Resources/Payroll).

d. Cooperating with a manager/supervisor's directive and/or referral for a medical evaluation.

4. Manager/supervisor responsibilities

a. Observing the attendance, performance and behavior of employees they supervise.

b. Interviewing an employee who appears to the manager/supervisor (or third-party report) unfit for duty and referring an employee for a medical evaluation when appropriate.

c. Recording the reasons/observations that triggered a fitness for duty concern medical evaluation referral.

d. Utilizing this policy in a fair and consistent manner, respecting the employee's privacy and the confidentiality of medical information.

5. Procedures

a. Employee plans to return from work after an extended medical absence.

1. Employee is required Manager/supervisor receives to submit medical certification from employee prior to his/her return to work indicating that employee is able to return to work, with suggested accommodations, if applicable.

2. Manager/supervisor with assistance from Human Resources determines whether or not employee can perform essential functions of the job with or without accommodation, accepting suggested accommodations or developing alternative accommodations.

3. Manager/supervisor provides and employee utilizes accommodations.

b. A triggering event occurs when a manager/supervisor observes or receives a reliable report of an employee's possible lack of fitness for duty. Observations may include, but are not limited to an employee's self-reports, manual dexterity, coordination, alertness, speech, vision acuity, concentration, response to criticism, interactions with co-workers and supervisors, suicidal or threatening statements, change in personal hygiene, presence of condition likely to lead to food borne disease transmission, memory and/or odor of alcohol or marijuana.

1. Manager/supervisor interviews employee, when possible.

2. Manager/supervisor assesses magnitude of safety risk. Managers/supervisors should are encouraged to contact Human Resources and/or Payroll for assistance.

   A. No risk: keep notes of event

   B. Minor risk:
I. Encourage employee to use Employee Assistance Program (see NDSU policy 134) or seek medical treatment;

A. II. Document event

C. Significant risk:
   I. Contact University Police if appropriate
   II. Place employee on paid leave of absence (sick leave or paid administrative leave, depending on situation)
   III. Arrange for employee's safe transportation home if situation warrants
   IV. Refer employee to Employee Assistance Program
   V. Work with Office of Human Resources and Payroll to initiate a or for medical evaluation
   VI. Implement discipline, if appropriate

D. Severe risk:
   I. Contact University Police
   II. Place employee on paid leave of absence
   III. Arrange for employee's safe transportation home
   IV. Implement appropriate discipline

6. Outcomes
   a. Employees voluntarily seeking assistance for physical (including controlled substance, drug and alcohol abuse/addictions), mental, and/or emotional problems before their work performance or attendance is adversely affected will not have their employment status jeopardized for seeking assistance.
   b. Employees cooperating in a medical evaluation and in compliance with recommendations for medical, psychological and/or chemical dependence treatment may be returned to the job provided appropriate discipline, if warranted, has taken place.
   c. Employees posing a severe risk may be subject to discipline up to and including termination of employment.

A Resolution Against the Use of External Online Assessment Programs

WHEREAS, the rising cost of tuition and textbooks puts a heavy financial burden on students and the additional cost of access codes for external assessment programs adds to this burden, and

WHEREAS, in a survey conducted by Student Government, 62% of students were required to purchase an access code for at least one class this semester, and

WHEREAS, coursework done in many classes using external online assessment programs contributes little to the final grade in a class, and

WHEREAS, in the aforementioned survey, 86% of students felt Blackboard was just as good or better than external online assessment programs, and

WHEREAS, students are paying extra costs for online programs that do not enhance their educational experience, so be it

RESOLVED, NDSU Student Senate opposes the requirement of access codes in courses that could use Blackboard as a means of assessment.

Resolution to Support Gender Diversity and Inclusion

Whereas, North Dakota State University is an equal opportunity institution that supports the protection of diverse populations as stated in the NDSU Equal Opportunity and Non-discrimination Policy and is committed to improving the climate for diverse groups, and

Whereas, NDSU added “gender identity and expression” to our nondiscrimination policy, Section 100 of the NDSU Policy manual, in an effort to be a more fully inclusive campus, and

Whereas, the availability of available restrooms is necessary for a productive learning environment for all people, and

Whereas, NDSU has the opportunity to demonstrate our commitment to improving the climate for gender diverse groups

Therefore, be it resolved that the NDSU Faculty Senate supports the full inclusion of transgender and gender diverse students in all aspects of the NDSU community,

Be it further resolved, that the NDSU Faculty Senate supports transgender and gender diverse students’ right to use the restroom and related facilities that reflect their gender identities,

Be it further resolved, that the NDSU Faculty Senate opposes the Justice and Education departments recent decision to reverse guidance that required Title IX to protect the right of transgender and gender diverse students to use restrooms and locker rooms that match their gender identities.
Katie,

The Faculty Senate Committee to Review Policy 352 has formulated draft revisions to the PTE evaluation criteria (Sec. 3.1) for promotion from associate to full professor (please see appended). The general intent is to provide more flexibility and to encourage applications for promotion to full. As you know, the current policy states that "candidates for promotion to the rank of full professor shall be evaluated by the criteria in effect at the time of application." One proposed revision would address the "moving target" issue by allowing candidates to choose to be evaluated by the criteria in effect at the time of the previous promotion, if the application is made within eight years. A second proposed revision would allow candidates who apply more than eight years after the previous promotion to choose to be evaluated based on work completed in the most recent eight years, rather than on their entire post-promotion record. This change might motivate faculty who have been at the associate rank for more than eight years, and whose research productivity may have temporarily declined (e.g., due to change of research focus, heavy teaching/service load, child birth/adoption, illness/disability), to apply for promotion, especially in units/colleges that quantify the expected average publication rate.

Our committee would like to request feedback from the Faculty Senate on these proposed revisions.

Thanks for your consideration.

Alan Denton

====================================

Proposed Revision to Policy 352 (changes highlighted):

3. COLLEGE AND DEPARTMENTAL PROMOTION, TENURE, POST-TENURE, AND EVALUATION CRITERIA

3.3 For probationary faculty, and for non-tenure-line faculty at the assistant rank, the basis for review of the candidate's portfolio and any recommendations on promotion and/or tenure shall be the promotion and tenure guidelines and criteria of the academic unit that were provided to the candidate at the time of the candidate's appointment to the position. The dean or director of the college or equivalent unit has the responsibility to provide to the appointee these documents, as well as a position description, contract, or other document that constitutes a tenure or work plan. Tenured and non-tenure-line candidates for promotion to the rank of full professor may choose to be evaluated by the criteria in effect at the time of the previous promotion, if the application is made within eight years of the previous promotion. Thereafter, candidates shall be evaluated by the criteria in effect at the time of application. Candidates applying for promotion to the rank of full professor more than eight years after the previous promotion may choose to be evaluated based on work completed in the eight years immediately prior to applying rather than on their entire post-promotion record.
