*indicates Alternate 46 voting senators  Quorum = 25.3 (26 senators must be present)
X = Present    P = Proxy

Substitutions: Johnson for Fellows and Veesham for Roberts

IV. Adoption of the Agenda.
   • Motion: To adopt the agenda: Burt/Jackson.
   • Passed by unanimous consent.

V. Approval of Meeting Minutes from May 10, 2021.
   • Motion to approve: Zhao/Christensen.
   • Passed by unanimous consent.

VI. Announcements.
   1. Dean Bresciani, President:
      • Not present.
   2. Margaret Fitzgerald, Provost
• No announcements
• No questions asked of the Provost

3. Florin Salajan, Faculty Senate President
• Acknowledged incoming senators
• Acknowledged executive officers and parliamentarian.
• Thanked Professor Molly Secor-Turner for her long, extensive service to the Senate and NDSU.
• Reminded Senators about the listening sessions and Qualtrics survey in the presidential search to allow faculty to have a voice in the process.
• Reminded Senators if they cannot attend, then to use the proxy vote. Both the absent Senator and the substitute have to agree to the arrangement, and please avoid last minute substitutions and proxies.
• As the Senate adjusts to being online, there will be bumps. Turning Point was causing some issues, but they will be worked on.

4. Dennis Cooley, Faculty Senate Past-President
• No announcements

5. Anastassiya Andrianova, Faculty Senate President-Elect
• No announcements

6. Joshua Schroetter, Staff Senate President
• Introduced himself to the Faculty Senators.
• No announcements.

7. Laura Friedmann, Student Body Vice-President
• Not present.

8. Philip Hunt, Registrar
• Now that the FERPA training is live, if faculty have questions or issues arising from it, then please contact him or his staff.
• The Academic Production Calendar should have been distributed by chairs and deans. If you do not have it, then please contact him.

9. Paul Carson, Professor of Public Health
• Made a presentation on where we are with Delta and the pandemic.
  • We are now higher in cases than we were this time last year.
  • We look to be in a better place in this geographic area than we were last year based on data collected on our campus.
  • Those who are vaccinated are at considerably less risk than those who are unvaccinated.
• Took Questions:
  • Is using masks an effective preventative? Response: the evidence quality for mask efficacy, especially in schools, is modest. The Precautionary Principle applies - if masks do not harm people, don’t cost a lot, and might help, then wear them. Dr. Carson
hopes that soon the point of wearing them will be moot when vaccines are more available to children.

- Do we have any data on adverse reactions from a third dose? Response: that data will be coming out soon.
- If we had higher vaccination rates, then mask mandate pushes would diminish. A vaccine mandate might cause greater long-term resistance.
- It is pretty easy to get tested in town, but less so on campus for faculty and staff. Students can get tested at Health Services.

VII. Committee and Other Reports.
   1. Budget Committee report
      • Nothing new to report.

VIII. Consent Agenda.
   1. UCC Report
      • Motion to approve: Cooley/Christensen
        • Motion passed: 29 Aye; 0 Nay; 0 Abstain.

IX. Unfinished Business.

X. General Order.
   1. Proposed amendments to the Faculty Senate Bylaws (Multiple Articles)
      • Motion to approve: Christensen/Cooley.
        • Concern was raised that there were senators who discussed it in May who are no longer part of the Senate, as well as new senators who were not in the Senate in May.
          • Motion to amend Article III: Section 7 by inserting new language in bold: Andrianova/Burt: “However, Senate approval by a majority vote of the full senate is required for approval of special committee members who are not members of the Faculty Senate”.
          • Motion to amend passed: Aye: 33; 1 Nay; 3 Abstentions
          • Original Motion to approve passed: 34 Aye; 1 Nay; 1 Abstention
            • Motion to amend bylaws by Selekwa
            • President Salajan ruled motion out of order.

XI. New Business.
   1. Proposed amendments to the Faculty Senate Bylaws (Article V, Section 6)
      • Motion to add this item to the Faculty Senate agenda for the October 2021 meeting: Andrianova/Thompson
        • Motion passed: 32 Aye; 1 Nay; 1 Abstention
      • Note: there will be language added to these amendments to allow the Faculty Senate to appoint a non-senator faculty member to be Secretary of
the Faculty Senate.

2. Formation of ad hoc committee on Academic Affairs organizational efficiencies.
   • Motion by Cooley/Rahman to form an ad-hoc committee on Academic Affairs organization consisting of a faculty member, with budgeting and program administration experience, from each of the seven NDSU colleges and a representative from the Provost’s office appointed by the Faculty Senate President. The committee will review and/or recommend revisions to Academic Affairs’ organization and report to the senate.

   • Discussion:
     • Pro (summary): There is a budget cut this year, likely to be additional ones in following years, especially 2026 when there will be a large drop in the potential student pool. According to SBHE Policy 305.1 NDSU’s President has “full authority” to make decisions about cuts, mergers, and organization, although the President include faculty participation in her or his decision-making process. This committee would be the Faculty Senate’s shared governance voice in the decision-making process. Now is the time to do something instead of across the board cuts. Need to do something different with new ways to handle cuts.
     • Con (summary): Would Senate have more success using an existing committee to utilize the established normal channels? They have established legitimacy. Program Review and the Budget Committee were raised as options. Concern expressed about whether it is timely to put a committee like this together now.
     • Question was asked about membership numbers, including whether there could be representative numbers of members instead of one per college.
     • Call the Question motion by Hassel.
       • President Salajan ruled the motion out of order.
• Motion Failed: 13 Aye; 18 Nay; 4 Abstentions

XII. Adjournment at 4:40pm: Motion to adjourn: Christensen/Andrianova.
  • Motion passed unanimously

Definitions:

For the purpose of this policy, "smoking" is defined as inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or plant product intended for inhalation, in any manner or in any form. Smoking also includes the use of an e-cigarette which creates a vapor, in any manner or any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking in this Policy.

Policy:

1. Smoking is prohibited on the North Dakota State University grounds and in University buildings, residence halls, apartments and enclosed structures.

2. Smoking is not permitted in a child care facility or near children enrolled in the facility. (ND Century Code 50-11.1-02.2)

3. Outdoor smoking is permitted at the N.D. Research and Extension Centers (excluding the Main Experiment Station), but only in those outdoor areas at least 50 feet from buildings.

4. Entities exempt from Policy 153, Section 1, include private companies in the NDSU Research and Technology Park, facilities owned on land leased to and controlled by other governmental or private entities, Northern Crop Institute, and Newman Outdoor Field.

5. Smoking is prohibited in state-owned or leased vehicles and motorized equipment.

6. The smoke-free facilities prohibition does not apply to specific activities used in connection with the safe practice of traditional spiritual, religious or cultural ceremonies (See: https://www.ndsu.edu/multicultural/student_support/ for information on cultural ceremonies such as smudging, etc.).

6.1 When engaging in a spiritual, religious or cultural ceremony using smoke in any campus location, the following precautions should be taken:

Identification of the location of the nearest fire pull station and fire extinguisher;

Communication with appropriate students and NDSU personnel (room/suitmates and building directors) to share time and location of ceremony. Please contact NDSU personnel in person or by phone;

Contain embers and ashes in abalone shells, ceramic bowls, or similar items; and

Extinguish embers/ashes appropriately to eliminate risk of fire.
7. Faculty, staff, students and visitors to NDSU are covered by this policy.

(Dangers of smoking can be found at the American Cancer Society website, and smoking cessation resources are listed in the NDDH Directory of North Dakota Tobacco Cessation Programs.)

Policy Number and Name: 154: Freedom of Speech, Expression, and Assembly

Effect of policy addition or change: Explain the important changes in the policy or effect of this policy. Briefly describe the changes that are being made to the policy and the reasoning behind the requested change(s): The policy changes were made to be in alignment with North Dakota State law, due to changes made in the 2021 Legislative session, as well as changes made to the North Dakota University System policy on freedom of speech.

UPDATE: A review by an outside entity caught two additional changes necessary to comply with state law and the First Amendment of the U.S. Constitution. In 2.8.1 (3), the word “substantially” should be replaced with “subjectively”. I either read it or typed it incorrectly in revising the policy. We would need to change the word “or” in 2.8.1 (4) to “and” to match the definition below in 2.9.

Is this a federal or state mandate: ☒ Yes ☐ No

Individual/Department/Committee or Organization submitting the policy change: Emily Frazier, Dean of Students Office, on behalf of committee that reviewed policy for needed updates.

Date Submitted to SCC Secretary: August 13, 2021
Email address of the person who should be contacted if revisions are requested: Emily.Frazier@ndsu.edu or Casey.Peterson@ndsu.edu

SECTION 154
FREEDOM OF SPEECH, EXPRESSION, AND ASSEMBLY
SOURCE: NDSU President

1. Introduction

1.1. NDSU recognizes and supports the fundamental right of its students and others to free speech and expression under the First Amendment to the United States Constitution and the North Dakota Constitution. NDSU values and encourages the free exchange of ideas while maintaining the safety of the campus community and the orderly operations of the institution. To that end, NDSU is committed to ensuring the freedom to speak, write, listen, challenge, learn, and discuss any issue, subject to reasonable and constitutionally-recognized limitations. As part of this commitment, NDSU is dedicated to promoting free speech and expression while cultivating a safe and non-discriminatory campus climate that supports diversity of thought and people.

This policy defines the spaces available for exercising the rights of free speech and expression and communicates the parameters of any such expressive activity, to protect the safety of campus, and to minimize disruption to NDSU’s educational mission. This policy establishes certain standards of conduct that must be observed by demonstrators and groups and applies to all individuals while using University property for exercising the rights of free speech and assembly. This policy is based off North Dakota University System Policy 503.1.

2. Definitions

2.1. Constitutional Time, Place, and Manner Restrictions – Restrictions on free speech which are content-neutral, narrowly tailored to serve a significant interest, and leave open alternative methods of communicating the message in question.

2.2. Employee – Any person acting on behalf of NDSU in an official capacity, temporarily or permanently, with or without compensation. The term does not include an independent contractor.

2.3. Faculty – An individual, regardless of whether the individual is compensated by an institution, regardless of political affiliation, who is tasked with providing scholarship, academic research, or teaching, including tenured and nontenured professors, adjunct professors, and those in comparable positions. "Faculty" does not mean an individual whose primary responsibilities are administrative or managerial, unless the individual also teaches at least one credit-hour.

2.4. Free Speech or Free Expression – The rights to speech, expression, and assembly protected by the First Amendment to the United States Constitution or Article I, Section 4 of the Constitution of North Dakota. Such rights include, but are not limited to, all forms of peaceful assembly, protests, demonstrations, rallies, vigils, marches, public speaking, distribution of printed materials, the display of signs or banners, or the circulation of petitions. For the...
purposes of this policy, “free speech” or “free expression” is not intended to include Commercial Speech.

2.4.1. Commercial Speech – The promotion, sale, or distribution of a product or service. For the purposes of this section, commercial speech does not include the incidental promotion, sale, or distribution of a product as part of the exercise of non-commercial speech.

2.5. Materially and Substantially Disruptive Conduct – Conduct by an individual or group which constitutes knowing or intentional affirmative steps to limit the free speech of an individual or group, prevents the communication of a message, or disrupts a lawful meeting, gathering, or procession through violent or obstructive behavior. Protected conduct does not constitute a material and substantial disruption.

2.6. Protected Conduct – Free Speech or Free Expression protected by the First Amendment to the United States Constitution or Article IV, Section 4 of the Constitution of North Dakota, subject to reasonable time, place, and manner restrictions; reservation requirements under institutional policies or procedures; and the reasonable safety and security needs of NDSU.

2.7. Student – An individual enrolled in one or more course credits at NDSU. A student who is acting in a paid role, such as a graduate student instructor or teaching assistant, is not a student for the purpose of this policy while they are engaged in that paid work.

2.8. Student-on-Student Harassment – NDSU may only discipline students for student-on-student harassment which meets one or more of the following criteria:

2.8.1. (1) Unwelcome verbal, written, or physical conduct directed to another student or a specified group of students; and
(2) behavior that is lewd, obscene, defamatory, unlawful, has the purpose of causing distress, or is based on actual or perceived personal characteristics; and either
(3) objectively or subjectively substantially creates a hostile or disruptive environment or substantially interferes with the student’s educational work; or
(4) the conduct is so severe, pervasive, and objectively offensive that it is reasonably likely, based on specific and documented facts, to create a substantial disruption to the educational environment or to effectively deny a student equal access to educational opportunities or benefits provided by the institution; or,

2.8.2. Conduct which violates North Dakota criminal laws prohibiting harassment, stalking, menacing, criminal coercion, or similar behavior.

2.9. Student-on-Student Discriminatory Harassment – Speech or expression that is unwelcome, targets the victim on a basis protected under federal, state, or local law, and is so severe, pervasive, and objectively offensive that a student effectively is denied access to educational opportunities or benefits provided by the institution.

2.10. Student Organization – An organization officially recognized or seeking recognition by NDSU’s Congress of Student Organizations, comprised of students, whether or not that organization seeks or receives institutional funds.

3.1. NDSU will not engage in viewpoint or content-based discrimination or suppression of speech, and will, to the greatest extent possible, permit and facilitate the open discussion and debate of ideas and issues, regardless of the content of those issues.

3.2. NDSU students, faculty, staff, and student organizations will be permitted to invite guest speakers or groups to campus regardless of the anticipated content or viewpoint of the speaker or group. NDSU may not prohibit any invited speaker or group from speaking on campus, and
may not retract (or pressure/require the parties listed above to retract) an invitation to speak based on the anticipated content or viewpoint of the speech or expression.

3.3. NDSU may impose measures regarding free speech and expression which comport with the First Amendment of the United States Constitution and Article I, Section 4 of the Constitution of North Dakota, including, but not limited to:
   3.3.1. Constitutional time, place, manner restrictions on the use of traditional public fora;
   3.3.2. Reasonable and viewpoint-neutral restrictions on the use of restricted or designated fora;
   3.3.3. Prioritizing the use of institution resources and property for students, faculty, staff, and student organizations over individuals and groups not affiliated with the institution;
   3.3.4. Prohibiting or limiting speech, expression, or assemblies not protected by the First Amendment to the United States Constitution and Article I, Section 4 of the Constitution of North Dakota, such as defamatory speech, true threats, and other recognized exceptions; and
   3.3.5. Content-based restrictions reasonably related to a legitimate educational or pedagogical purpose, such as rules for behavior in the classroom.

3.4. NDSU will not discipline or impose sanctions on any student for harassing conduct or expression unless the speech meets the definition of either “student-on-student discriminatory harassment” or “student-on-student harassment.” NDSU may not utilize the disciplinary process to sanction or discipline student speech that constitutes protected conduct except as provided in those definitions.

3.4.1. Notwithstanding, NDSU may respond to speech or expression which does not meet these definitions by taking constructive, non-punitive actions to promote a welcoming, inclusive environment.

3.5. NDSU will not use the concept of civility or mutual respect as a basis to suppress or limit the discussion of ideas, regardless of content, except as reasonably necessary to an educational activity. NDSU does, however, strongly encourage that all such discussions take place in an atmosphere of mutual respect, free from racism, sexism, and other forms of bias.

3.5. NDSU and its employees shall generally not seek to shield individuals from the free speech or free expression of others. However, it shall not be considered shielding when employees provide information about upcoming events to the campus community.

3.7. No speech, expression, or assembly may be conducted in a way that disrupts or interferes with any teaching, research, administration, or other authorized activities on the campus. No such speech, expression, or assembly may be conducted in a way that interferes with the rights of others to free speech and free expression. Due to the contextual nature of disruptive conduct, NDSU is reliant on the judgment and fairness of University employees and authorities in determining what constitutes disruptive conduct. Such judgment must be content neutral and focused on the disruptive nature of the conduct and not the message of the disruption. Disruptive conduct is prohibited.

3.8. NDSU may not deny student organizations funding from the student activity fee based on the viewpoints of the student organization; however, institutions may create content-neutral criteria which permit the distribution of limited funds to student organizations. Student activity fee funding may not be reduced based on outside funding received by a student organization.

3.9. NDSU may not treat one student organization differently than others with respect to the provision of any right, benefit, or privilege based on a requirement in the organization’s constitution or bylaws that leaders or voting members of the organization shall (1) adhere to the
organization’s viewpoints or sincerely held beliefs; or (2) be committed to furthering the organization’s viewpoint or mission.

4. Free Speech Areas

4.1. Open Public Forums - The generally accessible, open, outdoor areas of NDSU’s campus are considered open forums for free speech, subject to reasonable and constitutional time, place, and manner restrictions. If a group desires to have exclusive use of an open public forum, NDSU requires the group to obtain a reservation (See Section 6).

4.2. Designated Public Forums – NDSU has identified the following areas as restricted or designated forums. Utilization of these areas for free speech or expressive activity requires a reservation (See Section 6):

4.2.1. Areas inside buildings which have been identified as areas which may be rented or reserved.

4.2.2. Areas surrounding residential buildings from 10 am-10 pm [reservations for areas surrounding residential buildings are not available from 10 pm-10 am].

4.2.3. Areas surrounding academic buildings are closed during times when classes are held in that building and restricted when not in session.

4.2.4. Areas which must be restricted due to reasonable safety and security concerns, as designated by appropriate campus official(s).

4.2.5. Areas which must be restricted to enable the flow of pedestrian or vehicle traffic, as determined by appropriate campus official(s).

4.3. Closed Forums – Unless otherwise identified in this Policy, all other areas of campus are considered closed forums. Closed forums are those areas which are not designed for the exercise of free speech or expression or which have traditionally not been open to the exercise of free speech or expressive activity.

5. Reservation of Space and Fees

5.1. Reservations and Facility Usage

5.1.1. When organizing a public assembly taking place in an open public forum, organizers are encouraged to consult the Dean of Students Office. The Dean of Students Office will assist in the event taking place in an effective and safe manner that does not disrupt normal functioning of the University.

5.1.2. Reservations for public assemblies and guest speakers are not required for academic or administrative units.

5.1.3. Some events may require the submission of a Facility Use Agreement and/or coordination with specific buildings, offices, or departments. Reservations must be made following the process in place for each particular space. Most routine events can be approved within two business days, however, the scope of an event may impact how long it takes to process a reservation request.

5.1.4. A reservation is required if an event requires/desires exclusive use of an open public forum. If multiple requests are made for the same space during the same time, reservation requests will be processed in the order in which they were received.

5.1.5. A space reservation affords the group the right to the reserved space for the time covered by the reservation. Any person or organization using or occupying the reserved space is required to

space without a reservation must yield control of the reserved space in time to allow for the reservation and any time that may be needed to setup the space for the reservation.

5.1.6 NDSU may make facilities available to guest speakers or groups invited by campus representatives, and may subject such guest speakers or groups to the same terms and conditions governing use of the facilities for other outside groups. If NDSU chooses to make facilities available to guest speakers or groups invited by campus representatives, those facilities must be made equally available to all such speakers or groups.

5.1.7 NDSU may prohibit materially and substantially disruptive conduct.

5.2 Fees

5.2.1 NDSU may not impose fees based on anticipated content or reaction thereto, but is not required to subsidize the free speech and expression of students, faculty, staff, student organizations, or their guests. The University may prescribe a fee schedule for use of specified campus spaces. The schedule shall be made available by the area responsible for a particular space or venue, and shall not exceed the actual expenses incurred by the campus in making the space available. The schedule must not be wholly or partially based on viewpoint- or content-based criteria, but may include security and logistic fees based on the venue, the anticipated attendance, and other content-neutral factors. The cost of security will be set by the University Police and Safety Office. The criteria used to establish the fee schedule shall be made publicly available.

5.2.2 The University may waive any applicable fee for an assembly contributing to the educational mission of the institution or engaging in charitable work.

5.2.3 Academic and administrative units are not subject to the fee schedule.

6. Prohibited Items at Events Covered by this Policy

6.1 Dangerous weapons, as defined by N.D.C.C. § 62.1-01-01(1).

6.2 Firearms, except as permitted by law. See N.D.C.C. § 62.1-02-05.

6.3 Body-armor or makeshift body-armor, helmets and other garments, such as sporting protective gear, that alone or in combination could be reasonably construed as weapons or body-armor, without written permission from appropriate campus official(s).

6.4 Open flame, unless approved in advance by appropriate campus official(s).

7. Distribution of Literature and Chalking

7.1 Commercial literature may be distributed in designated public forums only:

7.1.1 At University events where the commercial activity has been pre-approved;

7.1.2 On University-approved bulletin boards per building’s policy/guidance for use of bulletin boards. All other commercial solicitations are prohibited, unless authorized under and pursuant to NDSU Policy 150 and 700;

7.1.3 Through publications such as The Spectrum student newspaper, whose distribution on campus is pre-approved; and

7.1.4 A public literature rack and contact tables in the main level of Memorial Union (contact tables are available through reservation in the Memorial Union and a fee is charged to off-campus entities).

7.2 Chalking is prohibited on NDSU property.

Introduction

1.1 General NDSU Values

All North Dakota State University (NDSU) students have an opportunity to maximize their education when every member of the NDSU community observes and helps maintain a code of personal conduct. The Code of Student Conduct (Code) is derived from three core values that support an educational environment:

- Respect for the NDSU community (on and off campus),
- Respect for the protection and rights of others, and
- Respect for students in the conduct resolution process.

This Code strives to foster development of personal accountability and commitment to the mission and values of the NDSU community.

Respect for the NDSU Community

Every NDSU student has a responsibility to respect NDSU property and all community members. It is expected that all individuals will conduct themselves in a manner that promotes the welfare of themselves, others, and the educational mission of the University. Respect for community involves awareness of how personal decisions affect others, both positively and negatively. Respect for community also includes appreciating the value and importance of knowledge, identities, and lived experiences each member contributes to NDSU.

Respect for the Protection and Rights of Others

Respect for the protection and rights of others is necessary to provide a positive and enriching educational environment. Conduct that inhibits the educational focus of others in unacceptable, whether it occurs on campus, off University premises, or in virtual spaces.

Respect for Students in the Conduct Resolution Process
This Code identifies student rights and outlines due process. NDSU will work with all impacted students in an equitable manner to promote education and growth.

Inclusion Statement
NDSU stands firmly against discrimination of every kind. Belonging is a fundamental human need and is essential in any learning environment, therefore every admitted student belongs at NDSU. Students are responsible for their words and actions, as well as the impact of them. Acts of bias and hate, by their nature, detract from students’ sense of belonging and the achievement of NDSU’s core values. NDSU will address any actions or incidents that violate this Code or NDSU’s Core Values through disciplinary and/or educational means.

1.2 General Complaint Procedures
Students may report general concerns, issues, and complaints utilizing the Concern and Complaint Form. The complaint procedure is designed to provide for orderly collection of information and to address students’ complaints in a timely manner by appropriate University personnel. Students may also arrange a meeting with a staff member in the Dean of Students Office, Old Main 100. A staff member will listen to the student’s experience and explain options for support and resolution. All information shared will remain private among impacted parties, and students are protected from retaliation by this Code (3.40). Depending on the content of the report, however, some reports may be posted on the Equal Opportunity and Title IX Compliance site. Such reports will be reviewed on a case by case basis and will not contain personally identifiable information or information that is easily traceable to individual students.

Complaints regarding student conduct covered in this Code will be resolved according to procedures described in this document (Sections 5 & 6).

1.3 Authority
The Vice Provost for Student Affairs and Enrollment Management (the “Vice Provost”), as delegated by the President, has responsibility for supervision of the process of handling the University’s response to student violations of University rules and regulations, including the imposition of sanctions. All student non-academic conduct that violates University rules, regulations, and values, and conduct occurring off-campus that affects the University community is considered the responsibility of the Vice Provost.

This authority includes the overall supervision of any administrative committees and boards charged with hearing complaints against students or student organizations for violation of those rules and regulations. Student organizations and University employees are required to
inform the Vice Provost or designee whenever action is deemed necessary against a student or student organization.

The Code contains statements of University policies relevant to student life. Development and enforcement of these standards of conduct are an educational endeavor designed to foster students’ personal, social, and ethical development. This document forms the basis for student conduct expectations as a member of the NDSU community. The enforcement of these standards serves to promote the protection of the rights, responsibilities, and health and safety of all members of the NDSU community.

Conduct described in this Code is illustrative rather than exhaustive. The term “including” should be interpreted to mean “including, but not limited to.” All ambiguities, inconsistencies, or clarifications of the Code will be resolved by the Vice Provost or designee. Faculty, staff, and students are encouraged to request clarification if a clause or rule is unclear. Final authority for interpretation of this Code lies with the Vice Provost.

Administrators identified in this document may designate one or more individuals to act on their behalf.

Questions should be referred to the Dean of Students Office, Old Main 100.

1.4 Individuals Covered Under this Code

A “student” is defined as anyone who has been admitted to the University, or is enrolled in courses. Students may be held accountable under this Code for violations committed any time after they were admitted. Students are accountable for their guests’ conduct and may be sanctioned as if they had committed the violations themselves. Student organizations are held to the same conduct standards as individual students. Additionally, individuals permitted by special status to utilize NDSU services may be held accountable under this Code. The University will use its discretion to determine if such action is necessary and/or appropriate.

Students have varying relationships within and outside of the University. As such, a student may be held accountable for prohibited conduct through multiple processes. Examples of other areas of accountability may include:

- Student athletes under the Student Athlete Code of Conduct
- Student leaders within student organizations
- Employer actions with student employees
- Academic actions under academic programs’ professional standards
- Criminal charges or civil suits

The University’s procedures are educational and not criminal in nature, so separate proceedings do not constitute double jeopardy. The University may proceed under this Code.
before, during, or after the other NDSU administrative processes or legal proceedings. NDSU does not typically wait for a court judgment prior to proceeding with University process. Findings under this Code may differ from judgments in criminal courts. Court judgments are not determinative of University findings.

2. Community Expectations

2.1 General Student Responsibilities
All students are expected to observe the University standards published in the University Policy Manual. Policy 601 outlines responsibilities that pertain specifically to students. However, students must follow all other University policies, procedures, contracts, or license agreements published elsewhere.

The University may address acts of prohibited conduct committed outside of University property when NDSU becomes aware of alleged Code violations through law enforcement or other third party reports.

2.2 Responsible Action Expectations
All students are encouraged to promote the well-being of themselves, fellow students, and others. If an individual needs emergency medical attention, particularly resulting from the use of alcohol or other drugs, it is critical that students take responsible action by calling an ambulance or other appropriate emergency response personnel (police, fire, etc.) to gain that assistance.

Responsible action includes:
1. CALL for help: In medical emergencies, immediate action should be taken by calling 9-1-1 either off or on campus. In non-emergency situations, students can also contact NDSU Police (701-231-8998) or notify Residence Life staff.
2. STAY with the individual until help arrives and notice has been given that assistance is no longer needed.
3. COOPERATE with responding staff or emergency personnel, including all requests for information and assistance.

Students/student organizations who take such responsible action, or for whom such action is taken, will not be subject to the student conduct process for alleged policy violations related to alcohol or drug use or minor policy violations, nor will the incident become part of the student’s conduct record. However, students [including the student(s) needing assistance and reporter(s)] may be required to have an educational meeting with University personnel and/or complete an educational program. This protection may not apply if other conduct violations occurred within the same incident.

2.3 Student Conduct Communication

In an administrative hearing, the responding student has a right to make a written and/or oral statement describing the event(s) that lead to the alleged violations, bring witnesses or witness statements, and present evidence.

In all cases involving an allegation of discrimination, harassment, retaliation, or sexual misconduct, both reporting and responding students shall have equal procedural rights.

University administrators will process conduct cases related to fraternities, sororities, and student organizations. Individual organizational boards will only address violations of organizational standards, not violations of this Code.

Non-Suspension/Expulsion Conduct Hearings
A non-suspension/expulsion conduct hearing is an administrative hearing that generally involves only the responding student and the hearing officer. The hearing officer is the individual appointed by the University to process an alleged violation of University policy. The hearing officer shall typically be a University employee; however, the University may, at its discretion, retain a non-employee to serve as a hearing officer at the University’s expense. Following the hearing, all applicable parties will receive a written notice of decision within 10 business days.

Suspension/Expulsion Conduct Hearings
A suspension/expulsion conduct hearing is an administrative hearing that involves the responding student, hearing officer, and any other individual(s) appropriate to the process. The hearing officer is the individual appointed by the University to process an alleged violation of University policy. The hearing officer shall typically be a University employee; however, the University may, at its discretion, retain a non-employee to serve as a hearing officer at the University’s expense.

The hearing will be recorded and retained as part of the student’s conduct file. The reporting (if applicable) and responding parties may access the recording, including for the preparation of an appeal. Requests for access should be directed to the Dean of Students Office. Following the hearing, all applicable parties will receive a written notice of decision within 10 business days.

5.10 Default Proceedings and Unresolved Alleged Code Violations
When a student/organization fails to appear for a hearing appointment without advance notice, or leaves the University with unresolved alleged violations, the hearing officer may make a decision in the student/organization’s absence, providing the student/organization was issued adequate written notice of the date, time, and place of the scheduled hearing.

In certain cases, a registration hold may be placed on the student’s records and the case will
be archived until such time the student requests reactivation or a resolution of the pending matter.

5.11 **Student Organizations in Default**

In the event a student organization becomes inactive rather than appearing for a hearing, the default decision will typically be withdrawal of recognition granted by the Congress of Student Organizations Commission. In addition, officers of the organization at the time of the incident may face conduct proceedings individually (see Section 3.20, Failure to Comply) and may also be noticed with one or more of the original alleged violations of the Code arising from the alleged misconduct by the organization.

If the organization requests reactivation at a later date, the Vice Provost or designee will assign a hearing officer to meet with the student organization leadership to determine responsibility for the alleged violations, determine or recommend the appropriate sanction, and if that sanction is less than suspension or expulsion, will assess the need for any remedial measures.

5.12 **Conflicts of Interest**

Any hearing officer who has a conflicting interest in the particular case may not participate. Any party has the right to challenge the appointment of a hearing officer. Challenges must be submitted in writing to the Vice Provost or designee at least three business days prior to the hearing. If a party fails to raise an actual or reasonably perceived conflict by objecting three business days in advance, any objection is deemed to be waived. A hearing officer may not be disqualified solely based on his or her position in the University community.

5.13 **Standard of Proof**

The standard of proof is a “preponderance of the evidence” which means that **it is more likely than not** that a violation did occur. A student is found to have violated this Code when:

- The student admits to the violation, or
- Preponderance of the evidence indicates the student is in violation of the Code.

5.14 **Witnesses/Witness Statements**

Prior to the hearing, names of witnesses being called to the hearing must be submitted to the hearing officer or Dean of Students Office by a deadline set during the prehearing conference. All parties will be given reasonable opportunity to present witnesses and/or witness statements and will be allowed to address questions to any witnesses participating in the hearing. All questions will be addressed through the hearing officer; however, the hearing officer may allow for direct questioning of non-party witnesses. Witnesses will be given reasonable latitude to respond fully to questions and will only remain for the duration of their own testimonies.
Character witnesses are not permitted. The hearing officer will exclude any information from the hearing documentation that appears to be a character statement rather than facts or evidence related to the case.

5.15 Evidence
In cases that involve an investigation, all evidence is to be provided during the investigation. All parties will be given reasonable opportunity to present any written or oral information, documentation, or other evidence that is relevant in determining responsibility.

Due to the hearing being an educational process, formal rules of evidence do not apply. For this reason, hearsay evidence may be permitted. Hearsay evidence refers to testimony given by a witness who speaks about information received from others, rather than information given directly by that witness. The value of such evidence is left to the discretion of each hearing officer.

5.16 Self Incrimination
Parties shall not be compelled to incriminate themselves by being obligated to testify that they engaged in conduct constituting a violation of this Code and/or local, state, or federal law.

5.17 Closed Hearings
All hearings are generally closed except to those who are part of the proceedings. The Vice Provost or designee may permit a limited number of NDSU personnel to be present as observers for the purpose of training. Other exceptions may also be made as deemed appropriate by the Vice Provost or designee.

5.18 Appeals
Students sanctioned for violations of any part of this Code or relevant University policies may appeal. Reporting (if applicable) and responding students are limited to one appeal and that decision is final, as indicated in Section 8, Appeal Procedures.

6. Hearing Procedures for Suspension or Expulsion Cases

6.1 Introduction
With all parties present, the hearing officer will call the meeting to order and ask all parties participating in the hearing to introduce themselves and identify their role in the proceedings. The hearing officer will describe the general outline of the hearing and read the following honesty statement:

Honesty Statement
The University expects that all information presented in this hearing will be true and correct to the best of each participant’s knowledge. If students willfully provide false information, they will be in violation of NDSU’s Code of Student Conduct. As a result, they may also be
subject to additional disciplinary action. Dishonest behavior by any faculty or staff members will be reported to supervisors for any necessary disciplinary action.

If a student is represented by an attorney or non-attorney advocate, the representative has the ability to fully participate in the hearing as indicated in section 5.3 Student Advisor Options. The hearing officer will dismiss witnesses until they are called to speak.

6.2 Case Presentation and Response
The hearing officer or designee will outline the process for presentation of the case. The responding and/or reporting parties will be permitted to respond to the alleged violations and present information that is relevant in determining whether the student violated one or more sections of the Code. The hearing officer is responsible for determining relevancy.

6.3 Questioning of Witnesses and Parties
All parties will be allowed to present witnesses who may be asked questions by any of the other parties. All questions will be directed to the hearing officer who will determine reasonableness and relevancy to the hearing. The hearing officer will seek clarification if necessary and request a response. As appropriate, the hearing officer may allow direct questioning of witnesses and parties, with the right to rescind the permission at any time.

6.4 Closing Statements
The reporting and/or responding parties (and investigator if applicable) will have an opportunity to make a closing statement.

6.5 Notice of Decision
The hearing officer will provide written notice of decision to the responding student (and reporting party if applicable). The written notice will include the findings, rationale, sanctions, and conditions for continued enrollment or re-enrollment, if any. The notice will generally be provided within 10 business days following the hearing. The Vice Provost may grant time extensions, if necessary.

7. Sanctions and Conditions
A sanction is a consequence placed upon any student for violations of the Code. Sanctions help define the student’s relationship with the University. Conditions are assigned actions that may repair damage, encourage reflection and learning, and/or assist the student in meeting the University’s expectations.

If a student is found responsible for one or more alleged Code violations, a sanction may be imposed. In rare cases, a finding of responsibility may result in no sanctions imposed. The sanctions listed below are assigned based on the severity of the incident and/or past conduct history.
Sanctions of suspension are noted in the student’s transcript throughout the duration of the suspension period, while sanctions of expulsion remain permanently.

With each sanction, conditions may also be assigned. In addition, notification may be given to other University officials as necessary. Examples of conditions are listed below.

In assigning a sanction and/or conditions, the hearing officer will consider factors, including:

- Facts of the case;
- Existence of any physical evidence or written or oral information provided by the parties;
- Type and severity of the offense;
- Impact on the reporting party (if applicable), the educational community, and its members;
- Previous incidents of prohibited conduct; and
- The ability and/or willingness of the responding student to accept responsibility.

Any Code violation that is identified as motivated by bias or resulting in a negative impact on a protected class may result in enhanced sanctions and/or conditions above those typically assigned for the same violations when not motivated by bias. See NDSU Policy 100, Equal Opportunity and Non-Discrimination Policy.

Repetitive violations of this Code are relevant in determining a student’s continued membership in the University community. Progressively more severe sanctions, including suspension or expulsion from the University, may be assigned, depending on the nature and/or persistence of the violation(s).

Legal guardians of students under 21 may be contacted by an NDSU administrator following alcohol and/or other drug related incidents.

Supervised conduct probation is written notification that a student is not in good conduct standing for a specified period of time and requires meetings with a designated NDSU employee to monitor progress in behavioral, academic, social, vocational, and other areas of the student’s life. The supervisor may assign educational tasks and/or projects as deemed necessary and appropriate to assist the student in personal growth.

Conduct Suspension
Conduct suspension is written notification that the status as an enrolled student or registered student organization has been terminated. This suspension is for a specified period of time not to exceed two academic years. In cases of crimes of violence, hate crimes, and/or Title IX related violations, the Vice Provost may specify a longer period of suspension.

- A student may not re-enroll at NDSU during the period of conduct suspension.
- The student’s eligibility for any refund of tuition/fees will be subject to the University’s normal withdrawal policy.
- The notice of conduct suspension will include the conditions for readmission that must be met prior to application for readmission. Students may obtain information regarding reactivation from Registration and Records or online through One Stop. A meeting with a member of the Dean of Students staff may be required prior to acceptance of the student’s application for readmission.
- The student’s transcript will carry a notation “may not register for nonacademic reasons <effective date range>” without further explanation. Upon completion of the suspension, the notation will be removed by the University.
- A student who has been suspended must vacate residence life facilities within the time frame established in the written notice of the conduct suspension.
- In addition to being ineligible for enrollment, a student is also ineligible for employment with NDSU.
- A student who has been suspended is restricted from the NDSU campus during the specified period of suspension. The student will also be required to obtain prior written permission from the Vice Provost or designee, before being on any portion of the NDSU campus during the period of suspension. Approval is generally granted only to permit a student to conduct business related to the University.
- Conduct suspension is a permanent conduct record, which means it may be retained indefinitely at the discretion of the Vice Provost, but not less than seven (7) years.
- Student organizations placed on suspension may have all rights and privileges provided by CSO revoked for the duration of their suspension. In order to regain all rights and privileges, the student organization is required to comply with and complete any and all sanctions and conditions.

Conduct Expulsion
Expulsion is written notification that a student is permanently ineligible to return to the University. The expulsion will be recorded on the student’s transcript as “may not register for
nonacademic reasons” and is a permanent record.

Conduct expulsion is a permanent conduct record, which means it will be retained indefinitely at the discretion of the Vice Provost, but not less than seven (7) years.

A student who has been expelled is restricted from the NDSU campus indefinitely. Written requests for exceptions to this restriction may be directed to the Vice Provost or designee; however, approval is generally only granted for the purpose of conducting official University business. Requests for readmission will not be approved.

7.2 Conditions

Written Assignments
Students may be required to complete written assignments as a means of reflecting and/or learning more about a particular topic.

Participation in a Specific Activity or Project
A student may be required to participate in a specific activity or project, such as public service, an educational class, meeting with a designated University official, and/or other assignment.

Loss of Privileges
A student may be denied various privileges associated with being a student at NDSU. Such privileges may include residing in, visiting, or accessing University property and facilities and participating in University events and/or student organizations.

No Contact Order
Students may be prohibited from direct or indirect physical and/or verbal contact with another individual or group. Reasonable restrictions to protect the safety and welfare of others may also be imposed. These include any and all forms of communication, access to University owned or controlled locations, and specified minimum distances.

Restitution
A student may be required to repair, pay the cost for repair, or pay for cost of replacement of any university or state property damaged by the student. In each case, the goal will be to return the damaged property to its existing condition at the time of damage. The determination of the method used to calculate restitution shall be the responsibility of the hearing officer, taking into consideration the fair market value or cost to repair the damaged item(s).

Alcohol / Drug Evaluation and/or Testing
The University reserves the right to require alcohol/drug evaluation and/or testing as a condition of enrollment or continued enrollment when:
• A student’s conduct endangers or may endanger the safety of themselves, others, or property, and/or
• A pattern of misconduct has been demonstrated by a student.

8. Appeal Procedures

Students sanctioned for violations of this Code may make one appeal. Cases resulting in suspension or expulsion are appealed to the Vice Provost or designee. All other appeals are addressed to the Vice Provost or designee, or an administrator of Residence Life, depending upon who served as the hearing officer.

In all cases involving an allegation of discrimination, harassment, retaliation, or sexual misconduct, the reporting party is also allowed to file an appeal within the same parameters identified in 8.2. In these cases, an appeal could result in a different decision regarding the finding of responsible or not responsible and/or stronger, the same, or lesser sanctions than originally imposed.

8.1 Deadline for Appeals

An appeal of any conduct process decision must be made in writing within five business days following the date the sanction notice is provided to the student. In extraordinary circumstances, the Vice Provost may grant time extensions or reductions. The appeal must be written by the student and shall contain the student’s name, date of the decision or action, and reason(s) for the appeal.

8.2 Appeal Documentation

Appeals must be submitted to the appeal officer specified in the decision letter using the designated appeal form. The documentation must specify in detail one or more of the following bases of appeal:

• The severity of the sanction was not consistent with the severity of the offense,
• The determination of the hearing officer was not substantiated by the evidence, and/or
• The student’s due process rights as outlined in this Code were violated, which materially or substantially impacted the decision. Those rights believed to be violated must be specified.

A copy of an appeal will be given to the other party who will have the opportunity to respond. Students will have no more than five business days to submit their response to the other party’s appeal; however, the response cannot include an appeal if the time period for appeal has already expired. In cases that only involve a responding student, the appeal officer may not increase the sanctions/actions imposed by the hearing officer.

8.3 Emergency Provisions

If an appeal is filed, the sanctions do not go into effect until the completion of the appeal.

The University reserves the right, however, to reduce the time allowed for a student appeal in cases that may have the potential to result in harm to an individual and/or property. The reduced time for appeal will be specified in the decision letter along with the rationale for allowing reduced time for an appeal.

Deleted: The University reserves the right, however, to reduce the time allowed for a student appeal in cases that may have the potential to result in harm to an individual and/or property. The reduced time for appeal will be specified in the decision letter along with the rationale for allowing reduced time for an appeal.

Deleted: finding

Deleted: of the Code having been violated or not
process. Some emergency provisions may be maintained throughout the appeal to protect an individual and/or property.

8.4 Review
The appeal officer will review all documentation related to the hearing, the written appeal documentation/response to appeal from the student, and materials from the original hearing, including the recording. In reviewing the appropriateness of sanctions, the student’s entire conduct file may be considered.

8.5 Appeal Advisory Board
The vice provost or designee reserves the right to appoint an appeal advisory board to review appeals. In such instances, the appointed advisory board will make a recommendation that the appeal officer may accept or reject. The decision of the appeal officer will generally be issued within 10 business days of receiving the recommendation from the advisory board and that decision will be final.

8.6 Appeal Decision
After reviewing appeal materials, the appeal officer may decide to do one of the following:

- Uphold the decision,
- Remand the case back to the original hearing officer,
- Adjust the sanction/condition, or
- Assign a new hearing officer to hear the case.

The decision on the appeal will generally be made within 10 business days of receipt of the appeal, but may take longer during University recesses or in the event of complex cases.

9. Special Circumstances and Conditions

9.1 Registration/Graduation Hold
If a student (new, current, or returning) fails to respond to a request to meet to discuss an alleged violation of this Code, or fails to comply with sanctions and conditions assigned as a result of being found responsible for a violation of this Code, a hold may be placed on the student’s eligibility to register or the student’s current registration may be canceled. If registration is canceled, eligibility for any refund of tuition/fees will be subject to the University’s withdrawal policy.

If a student withdraws from NDSU while disciplinary action is pending, the student’s educational records may be placed on hold and the allegations must be resolved prior to the student’s readmission.

9.2 Returning and/or New Students
If a student, during a period of non-enrollment, commits an act that violates this Code, a registration hold may be placed to prevent the student’s registration until a hearing may be held on that matter. The student may be notified about the hold at the time the University is first notified about the incident, or notice may be provided when the student subsequently requests enrollment. In addition, a hearing officer, in consultation with the Vice Provost or designee, may place a registration hold to deny a student the eligibility to register. Reasons may include the student’s arrest or when criminal charges are pending against the student, serious concerns arise about the health or safety of the student or others in the University community, and/or as otherwise provided by NDSU Policy 607, Admission & Re-Enrollment Safety Risks; Background Checks.

9.3 Rehearing Requests for Cases Resulting in Suspension or Expulsion
Any student who is suspended or expelled has the right to request a reconsideration of the case based on new or contradictory evidence that was not available at the time of the original hearing, and/or evidence that the student was not afforded due process as outlined in this Code. A request for reconsideration of the case should be submitted to the Vice Provost. Information that may be considered may include police reports, transcripts of legal proceedings, and the outcome of any civil or criminal proceeding directly related to the appeal.

9.4 Temporary Emergency Suspension
A student may be temporarily suspended by the Vice Provost, pending a hearing, when the student’s actions or threats of action indicate a serious threat to the welfare and/or safety of an individual or property. No hearing will be required before a temporary suspension is imposed; however, one will be convened within five business days following the suspension. In unique circumstances, any alteration to this timeline will be at the discretion of the Vice Provost. If the suspension is upheld, the suspension remains subject to the rules outlined in Conduct Suspension (see Section 7.1 Sanctions) and remains a matter of permanent conduct record.

9.5 Administrative Withdrawal
A student may be subject to administrative withdrawal if it is determined by compelling evidence that the student’s actions or threats of action indicate a serious threat to the welfare and/or safety of persons or property.

Students wishing to return to the University may obtain information regarding reactivation from Registration and Records or online through One Stop. A meeting with a member of the Dean of Students staff also will be required prior to acceptance of the student’s application for readmission.

9.6 Negotiated Withdrawal
In rare circumstances, a student may be allowed to negotiate a mutually agreed upon
withdrawal for a specified period of time. Other conditions may also need to be met prior to application for reenrollment. Such conditions will be provided to the student in writing at the time of the negotiated withdrawal.

A student requesting readmission will be required to meet with the Vice Provost or designee prior to approval of the student’s petition for readmission. The student must be academically eligible for readmission to NDSU and may be required to pass a criminal background check at the student’s expense prior to readmission.

9.7 Crimes of Violence
The term “crime of violence” means:

- An offense that has an element of use, attempted use, or threatened use of physical violence against an individual or property of another; or
- Any other offense that is a felony and that, by its nature, involves a substantial risk that physical force against an individual or property of another may be used in the course of committing the offense.

Examples include arson, auto theft, assault, aggravated assault, burglary, kidnapping/abduction, manslaughter, murder, resisting arrest through the use or threat of physical force, robbery, vandalism, and sexual offenses.

Individuals who are victims of crimes of violence have a right to be notified of the outcome of complaint resolution procedures, upon written request to the Vice Provost. If the victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim.

Notification shall be limited to the responsible student(s), part(s) of the Code violated, and assigned sanction(s). Individuals in receipt of this information may assume personal civil liability for releasing this information to others.

10. Conduct Records

10.1 Disclosure
All conduct records are confidential and may not be disclosed in whole or in part except as provided under law, including the Family Education Rights and Privacy Act (FERPA), the USA Patriot Act, and lawful court orders.

The conduct record shall be separate from the student’s academic record, but shall be considered a part of the student’s educational record. All conduct records shall be retained in the Dean of Students Office or other offices as authorized by the Vice Provost.
As provided under FERPA, information concerning Code violations for alcohol and/or drugs may be shared with legal guardians. In addition, Code actions may also be shared with some academic departments and Athletics as necessary to fulfill their professional obligations.

10.2 Retention and Destruction
In cases in which a student is found not responsible, all records related to that student’s cumulative conduct history will be retained for seven years from the date of the incident.

Sanctions Less than Suspension or Expulsion
In cases in which a student is found in violation and receives a sanction less than suspension or expulsion, with or without additional conditions, all records related to that student’s cumulative conduct history will be retained for seven years from the date of the student’s last conduct violation. Student conduct records may be retained indefinitely at the discretion of the Vice Provost.

Suspension or Expulsion
In cases in which a student is found in violation and receives a sanction of suspension, conduct records may be retained indefinitely at the discretion of the Vice Provost, but not less than seven years. In cases in which a student is found in violation and receives a sanction of expulsion, conduct records will be retained on a permanent basis.

Student Organization Records
Records of conduct violations involving student organizations will be retained for seven years following the date of the incident. Student organization conduct records may be retained indefinitely at the discretion of the Vice Provost.
