Becky Sue Humann, nee Feist, was born Nov. 20, 1970, in Linton, the daughter of Herman P. and Nancy (Bosch) Feist. She was raised and educated in the Linton area. She attended Linton Public School and graduated from Linton High School in 1989.

Becky married Steve Serr in 1990 and together, they had a daughter, Alison. Becky attended Medcenter One College of Nursing. She then began working at the Wishek Hospital.

She married Rory Humann on July 20, 2000, and with this marriage she gained two sons, Daniel and Michael. Even though they did not have any children together, they treated all of the children as if they were their own.

Becky began working for the North Dakota Department of Health in 2005 as a surveyor, where she continued to work until her death. She completed her master's degree in nursing administration from University of Mary in 2008. As her schedule allowed, she also worked at the Strasburg Care Center. She had a heart of gold and was a loving and caring nurse, treating everyone with dignity and respect.

Becky enjoyed spending time with her family and friends, horseback riding, shopping, working cattle, chili cook offs, and traveling (even though Rory did not). She was actively involved in the Linton Community, including the Linton Chamber of Commerce, Beaver Valley Horse Club and St. Anthony's Catholic Church.

Following a short and courageous battle with sarcoma cancer, Becky died March 25, 2015. Caring for her throughout her battle with cancer was her husband, Rory, and her daughter, Ali. We were so blessed to have Becky in our lives and she touched each of us in a very special way. She will remain in our hearts forever.
