

Julianne Lee – BS 1970 Child Development & Family Relations, AD 1975 Nursing

Julianne Elizabeth Lee, Fargo, who grew up in Aneta, ND, passed away at United Hospital, St. Paul, MN, on February 7, 2015, only four days after her 68th birthday. Julianne obtained her bachelor's and master's degrees in nursing from the University of North Dakota, following an associate's degree in nursing and a bachelor's degree in child development and family relations from North Dakota State University.

Julianne was formerly a critical care nurse at St. Luke's Neuro Intensive Care Unit in Fargo, and she then worked as a registered nurse at the Veterans Administration Hospital in Fargo for 20 years. After Julianne retired from the VA Hospital, she worked for the Mayo Clinic Healthcare System and then as a registry nurse traveling to different parts of the country, including many happy years working as a travel nurse in Las Vegas, NV. Julianne had a zest for life, as well as for working, learning, fashion, and music. She was dedicated to her patients and was a strong advocate with a golden heart. Julianne was also a talented writer, and she was busy outlining and composing a series of books during her retirement.

A memorial service will be held the weekend of June 20th in Aneta, and memorials may be sent in Julianne's name to the Aneta Community Church.
