Available Graduate Assistantship Positions

The MS in Advanced Athletic Training program has Graduate Assistantships associated with the program to allow students to gain clinical experience as a Certified Athletic Trainer and to implement the new skills learned in the program. The following are the available/open GA positions with the award amount, length, and specific duties:

1. **North Dakota State University: (Track & Field)**
The North Dakota State University (NDSU) Bison are a NCAA Division I (FCS) athletics program with 16 varsity sports in the following conferences: Summit League, Missouri Valley Football Conference, and Big 12 Conference (wrestling).

   One position is still available with NDSU Athletics (Track & Field). The GA position is a 12 month position starting July 1, 2020. The duties include working sports camps in the summer, in addition to other duties assigned by the Director of Sports Medicine.

   **AWARD:** $27,185.27/year ($9,185.27 tuition waiver; $18,000 stipend)

2. **Valley City State University (1 position):**
The Valley City State University (VCSU) Vikings are a National Association of Intercollegiate Athletics’ (NAIA) athletics program with 12 varsity sports in the North Star Athletic Association (NSAA) conference. There are a total of 2 GA positions that work and the sport assignments may change year to year depending on the GAs.

   Two positions are available with Valley City State University and are 9.5 month positions, starting the beginning of August, 2020.

   **AWARD:** $20,185.27/year ($9,185.27 tuition waiver; $11,000 stipend)

3. **Essentia Health (1 position):**
Essentia Health is one of the healthcare facilities in Fargo, ND. The available position is 9.5 months, starting the beginning of August, 2020.

   One position is available at a local high school and includes additional coverage (such as tournaments) as determined by the GA supervisor.

   **AWARD:** $21,060.27/year ($9,185.27 tuition waiver; $11,875 stipend)
