

## Tom Hoskins

**Where was your undergraduate AT degree from?**

King's College, Wilkes-Barre, PA

**What is your current GA position?**

NDSU Baseball

**What is your thesis topic and why does it interest you?**

Either examining the effects of mobilizing the latissimus dorsi on improving total shoulder ROM, or creating a clinical prediction rule for the Hawkins-Kennedy Special test for shoulder impingement, using MSK-US. I really enjoy researching the shoulder, and different ways that we as athletic trainers can improve the functionality of the shoulder.

**What is your favorite aspect about being an Athletic Trainer?**

Getting to provide patient centered healthcare for my athlete's every day, and getting to see them become successful both on and off the field.

**If you were stranded on a deserted island, what band or musician would help keep your sanity?**

Either Post Malone or Florida Georgia Line.

**When you are not at your GA position or working on your coursework and thesis; what do you like to do in your free time?**

Play PS4, go for runs, watching football

**What is your favorite thing about the Fargo-Moorhead area?**

The amazing selection of restaurants in the area.
