

Ariel Ives

Where was your undergraduate AT degree from?

The University of New Mexico

What is your current GA position?

Park Christian High School through Essentia Health

What is your thesis topic and why does it interest you?

I am interested in scapular dyskinesia because of its unknown relationship to secondary injuries and the lack of evidence to support a proper diagnosis.

What is your favorite aspect about being an Athletic Trainer?

The dynamic nature of the position and being exposed to so many different skills.

If you were stranded on a deserted island, what band or musician would help keep your sanity?

Stick Figure

When you are not at your GA position or working on your coursework and thesis; what do you like to do in your free time?

Explore the Fargo-Moorhead area especially spending time by the river and going to concerts/live music.

What is your favorite thing about the Fargo-Moorhead area?

It is so green here! I love how much water and foliage there is.
