

Luke Lammert

Where was your undergraduate AT degree from?

The University of Georgia

What is your current GA position?

NDSU Softball

What is your thesis topic and why does it interest you?

I'm looking at the relationship between confidence and CPR quality in ATCs. If there is one skill an ATC has to be confident about, it is CPR. I want to know what factors affect that confidence, how it is developed, and if it has any effect on CPR quality.

What is your favorite aspect about being an Athletic Trainer?

Doing paperwork.... just kidding. Actually, my favorite aspect is building a good rapport with my athletes and watching them progress and succeed after an injury.

If you were stranded on a deserted island, what band or musician would help keep your sanity?

St. Paul and the Broken Bones

When you are not at your GA position or working on your coursework and thesis; what do you like to do in your free time?

Run, listen to and play music, watch movies, play video games.

What is your favorite thing about the Fargo-Moorhead area?

The people. Everyone is extremely kind!
