

FALL 2020

NDSU

Let's Move in Homeschool

Welcome to the 9th Annual NDSU Let's Move in Homeschool Program

The goal of the program is to provide children (Pre-K through 12th grade) with enjoyable, developmentally appropriate health and physical education lessons within emotionally and physically safe environments. Our Fall 2020 program emphasizes motor skill development, skills-based health, and personal success. Children can participate in both programs or opt to participate in one or the other.
