Many slides have overlapping material so they have to be viewed in slide show mode.

I added a lot of extra explanatory material to the talk I gave on 12/5/19, since I'm not there to comment on questions.

The main problem that required addressing, was that many people are unfamiliar with Islam and its holiest books the Quran and Sahih hadith. Verses in the Quran are not organized by the progression of time. Roughly they are ordered in terms of length. The actual time order in which they were revealed to Mohammad is known in part from its content and in part from other holy texts like the hadith and the sira (biographical information about the life of Mohammad). Later verses in the Quran abrogate earlier verses. Ahmadis reject this, since some of the latest are the most violent.

Caution to readers: Most Muslims in the US are not fundamentalists. That is, they don't closely follow the holy books, for example, with regard to strict separation of the sexes, and a lowered status for women. Their current doctrines don't express the prejudice towards or hatred of Christians and Jews found in the Quran and Hadith.

Information on the Ahmadis since I use them as an example

Ahmadi Muslims are a non-violent Sunni sect of Islam discusses here. However, Ahmadi are fundamentalists because they follow the Quran and Sahih Hadith (except in denying the existence of the violent parts).

Reasons that I call Ahmadis fundamentalists follow:

- ❖ Very patriarchal: **lowered status for women** Exs: polygyny, **Tight control of sexual behavior**, strict separation of sexes and doctrines expressing belief that women are less capable and more evil than men (As will be seen **this is in line with the Quran and Hadith**) **2 slides** ★
- ❖ Use of group control of individuals characteristic of Islam which arose in a desert with insecure resources, so honor and reputation were important controls and the group much more important than the individual. Ex: shunning for members who disobey
- ❖ **Hatred (to be seen) of Jews and Christians in doctrines**
- ❖ **Threatening end-times preaching** ★
- ❖ **Belief in pseudoscience in their doctrines:** For example: Homeopathy and scientific miracles in the Quran ★ ★
- ❖ As in the Quran, very strict requirements to enter paradise ★

Since I use the Ahmadis as an example, I take passages from the Quran from their English translation proved at:

<https://www.alislam.org/quran/>

Note: All English translations of the Quran are the same, except for minor substitutions of synonyms. Muslims believe that the Quran (in Arabic) expresses the exact words of Allah transmitted to Mohammad. It would not be a good idea, or healthy, to change the meaning of the Quran by mistranslation.

The Ahmadi version has the same violent verses seen in all translations. Being a peaceful sect, the Ahmadis go to extreme lengths to try to explain that violent verses are not violent.

One minor difference is in numbering of verses. Ahmadis generally insert a praise verses at the start of each chapter (surah), so verse numbers are usually one higher than other English translations like the classic Yusuf Ali version.

ISIS is a violent Salafi Sunni Muslim organization similar to the Wahhabi version of Islam practiced in Saudi Arabia

In the 15th edition of the ISIS English news letter Dabiq, the article “Why we hate you and why we fight you” ISIS makes clear that their hatred is founded on the fact that we are not Muslims. This is exactly the position expressed in the Quran.

If you have the impression that ISIS is made up of crazed illiterate, mad men, you should download Dabiq 15. It’s better written than most American magazines, but full of Quranic justifications for their violence.

Link to Dabiq 15 article

Common question: Is ISIS a Muslim organization?

Yes, ISIS follows the Quran and Mohammad. Click links to see that Quran/sahih hadith support the actions of ISIS.

Quran and Sahih Hadith: Kill/chop up unbelievers and children ★
They will often let non-Muslims live if they pay the Jizyah tax and submit or convert to their form of Salafi Islam (similar to Wahhabism as practiced by the Saudis). ★

Quran/Sahih Hadith: Hate you/fight you as you are not Muslims ★

Quran and Sahih Hadith: Die fighting for Islam go to paradise

Quran and Hadith: Much lower status for women Ex: Rape captured women, keep or sell them as sex slaves ★ ★ ★

Quran and Hadith: Severe religious coercion: threats towards, killing and taxation of unbelievers encourages conversion ★

Islam and Christianity

I'll discuss some similarities and differences of Christianity and Islam and conclude that Islam is a much more powerful religion.

Islam has been able to resist the evolution seen in Christianity, since its founding, brought on by the forces of rationality and Democracy.

As a consequence, reading the Quran reveals a lot more about what most Muslims today believe than reading the Bible does for Christian. **This can be seen, for example, in PEW surveys (in particular by comparing the beliefs of modern Muslims with those expressed in the Quran and sahih hadith.)**

General Information related to Islam

All discussions here refer to Sunni Muslims. **The Quran (in Arabic) is believed to be the exact words of Allah.** Ahmadis are used as an example of a fundamentalist, non-violent sect of Islam that follow the Quran closely.

Ahmadi Muslims **split from Sunni Islam on 3/23/1889. Ahmadi religious doctrines differ from those of traditional Sunnis in only a few particulars.**

There are about 1.6 billion Sunni Muslims world wide. They make up about 85% of all Muslims, while Ahmadis are about 1% of Sunnis.

Hadith are short statements related to the prophet Mohammad and are second only to the Quran in importance in Islam. They represent the words and actions of Mohammad as well as what he believed, or tacitly approved as well as his personality traits . These were recorded by his companions in hadith. Mohammad is claimed by Muslims to be the “perfect man”.

Sahih hadith are the trusted hadith **believed by the majority of Sunni Muslims to accurately represent Mohammad.**

In this presentation, I only reference sahih hadith Bukhari and sahih hadith Muslim since they are the most trusted and consist of a little more than 7,000 hadith each. The total number of all hadith are many hundreds of thousands.

General Information: How Ahmadis differ from other Sunnis

- 1) **They believe that their founder was a prophet.** That's why most Sunnis consider them non-Muslims since Mohammad was to be the final prophet as stated in the Quran. **Their basic superstitions are Sunni, so I think they are Sunnis. They believe that Jesus moved to India and died there after surviving crucifixion and that their founder is related to him in obscure ways (discussed later). Regular Sunnis believe Jesus was transported alive to paradise where he awaits returning to Earth to help the fighting Mahdi conquer the world for Allah.**
- 2) **Ahmadis also believe their founder was the Mahdi (the final reformer of Islam) and the Messiah (for them a 2nd coming of Jesus substitute) who normally arrives just before the end times. They believe their founder would convert the world to Islam non-violently. Obviously, this did not work out. Sunnis generally believe the living Jesus will come from paradise to aid a fighting Madi to kill the Jews and conquer the world for Allah.**
- 3) **Ahmadis reject the violent parts of the Quran and Hadith. Since the Quran can't be modified, they go to rather desperate lengths to reinterpret the violent passages as well as those dealing with sex slavery.**
- 4) **Ahmadis are the only Sunni sect to reject thousands of Sahih (trusted) Hadith. Many of these are rejected because of their violent content.**

Two views of the **Utility of religions**

1) Superstitions propagated by indoctrination that help believers with their existential fears. Dawkins, Harris Dennett etc.

2) In addition to idea in 1) they help to bind people together into larger, more coherent social groups. Atran, Norenzayan, Shariff, Henrich, Haidt, Sosis etc.

I'll argue the binding role was most important in forming our world dominated by large societies.

Binding aids with a societal survival problem:

Large societies tend to decline and break up due to formation of factions. Example present day USA.

Absurd paradox associated with Islam and Christianity

**Adherents call them religions of love, yet
their holy books make it clear that all
unbelievers are damned to Hell. Today this
amounts to damnation of 5 billion people.**

**Is this just an untoward property, or has
Hell belief been historically useful?**

**I'll attempt to answer a question
which has not been previously
addressed which relates to the
formation of empires.**

Why are these the largest religions?

I consider religions to be evolved cultural tools

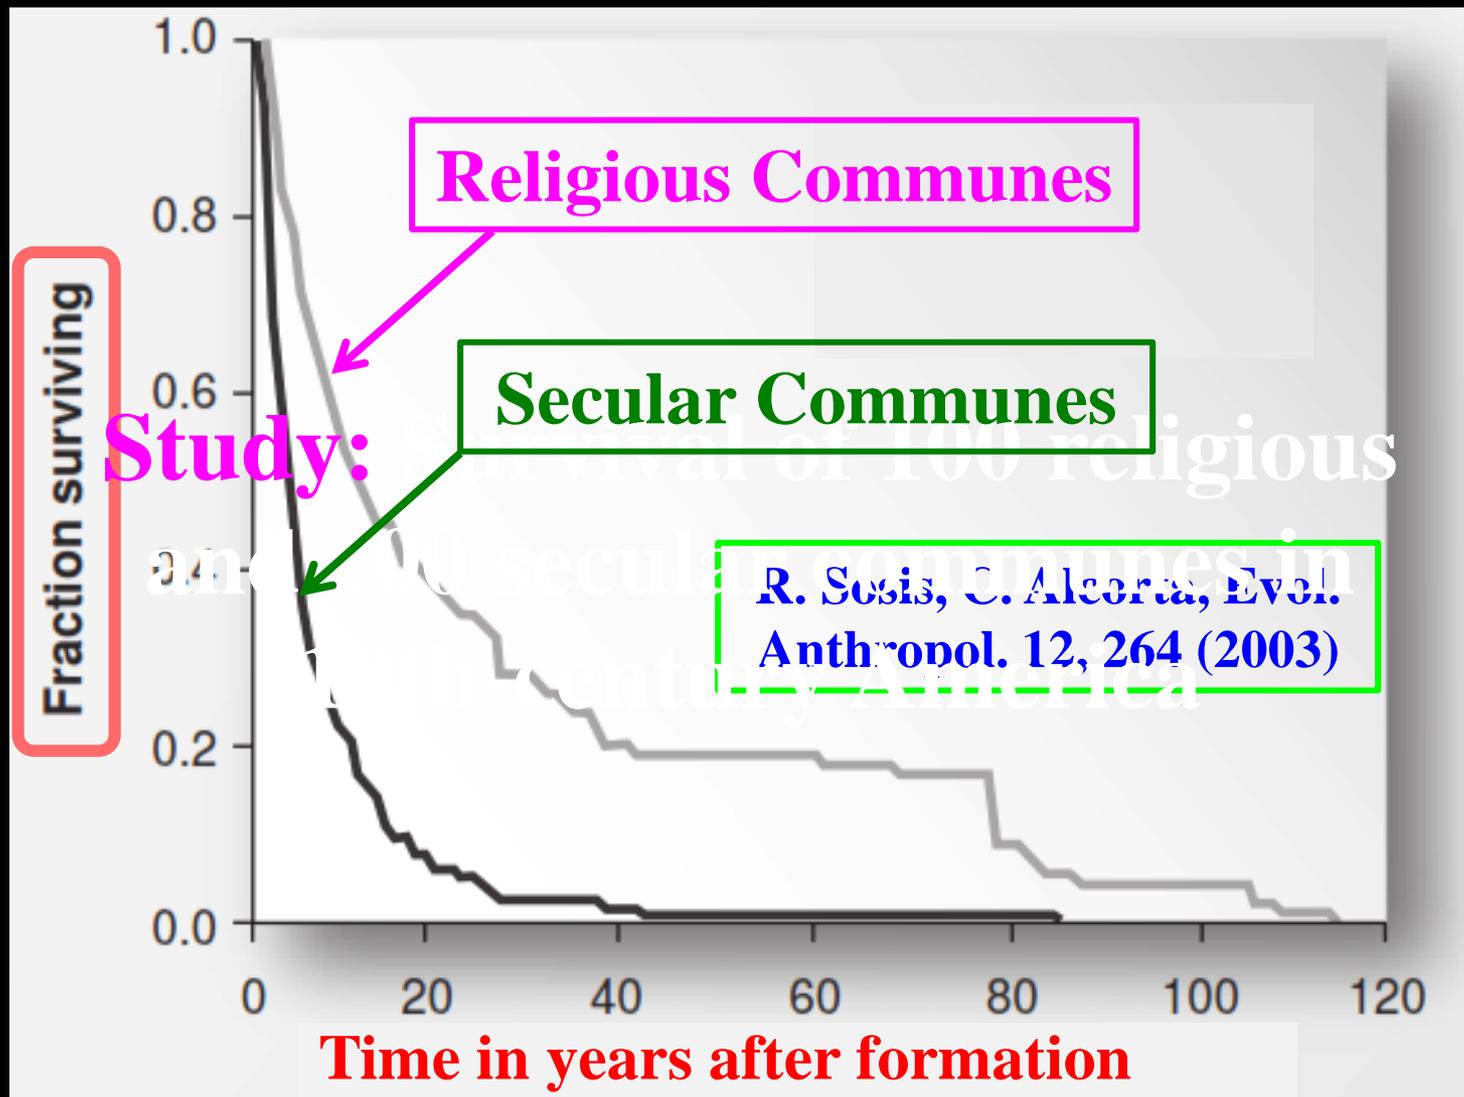

Idea behind this talk

Religions with the right attributes grow because they promote the survival and growth of societies indoctrinated with their myths.

First

**Evidence that religions can
help to maintain societies.**

**You need to be in Slide
Show mode to read
some of the next slides.**

For every year, religious communes were about 4 times more likely to survive as compared to secular communes.

Religious communes imposed more than twice as many costly, isolating requirements using food taboos, constraints on material possessions as well as on marriage and sex.

Unique rituals and inspirational needs bind believers and isolate them from outsiders, preventing defection.

Mechanisms of enhanced survival of religious communes:
Outsiders were typically defined as evil.

All of these manipulate innate human tribalism and negativity bias, helping to frighten and bind members to the group and isolate them from evil unbelievers.

Binding and isolation using control/denigration/fear

More binding and isolating beliefs resulted in longer commune survival.

Islam and Christianity have all these characteristics supporting long-term survival

Strangely:

What are thought of as the fundamental beliefs of these religions are copied from earlier religions almost nothing is new!

- ❖ **Christianity: Judaism with earlier ones**
- ❖ **Islam: Mostly Judaism/ some Christianity**

**What makes Christianity and Islam
unique among religions?**

Angry, vengeful gods and Hell!

**Hell for unbelievers is the one new myth
in Christianity, adopted by Islam.**

**Why should Hell be important in
forming larger societies?**

**Historically, war has driven the
growth of larger, more
coherent societies.**

**Can Hell belief promote effective
prosecution of wars?**

War: Peace and growth thru violence.*

Large nation states grew through war

But: This required large, cooperating groups of people willing to kill other humans.

Example: Europe over time*

15th century: **5,000 civil units, baronies and principalities**

Early 17th century: **500 civil units**

Early 19th century: **200 civil units**

1953: **Less than 30 states**

***Military historian Quincy Wright : A Study of War, p.74**

*** S. Pinker: The Better Angles of Our Nature**

Problem: Killing other humans has severe psychological effects on normal people.

Firing squad: Cover faces of victims and give some blanks to shooters to allow them doubt about killing

Nazi murders of Jews: Started with death squads and evolved to gas chambers to protect the killers. Here the victims were eventually forced to kill each other.

Drones: Large physical separation reduces problems, but it is still killing with serious, negative psychological impacts.

Solution: Make Killing Easier

Denigrate/dehumanize those to be killed

Propaganda: derogatory names, images, and indoctrination to denigrate opponents.

Drones: Bug Splat became the derisive term used for murdered civilians

US Military: Greatly improved indoctrination for killing after inefficient killing in WW II

On Killing: The Psychological Cost of Learning to Kill in War and Society by Dave Grossman (2009)

My thesis is that Hell belief was very useful historically in supporting war due to its denigration of unbelievers.

As can be seen today in Islam and Christianity, the nasty parts of holy texts have the greatest effect on the behavior of true believers (fundamentalists).

The Most Powerful Religions

Historically, Islam and Christianity denigrated unbelievers as hated by God, and damned to Hell.

This created large, less than human, out-groups that could be robbed, raped, enslaved, and killed with fewer negative psychological effects.

The Hell myth helped support the violence required for the formation of great empires.

Other benefits of Hell belief (research)

- ❖ **Fear and uncertainty induced by Hell belief enhances attachment to religious superstitious beliefs, supporting a feeling of increased control (an important psychological support). (1st Great Awakening Jonathan Edwards "Sinners in the Hands of an Angry God"). (Islam more effective)**
- ❖ **Hell threat combined with a watching, all-knowing god concerned with human behavior acts as supernatural enforcement, improving behavior towards other believers, stabilizing societies. (Islam more effective)**

Fear/uncertainty increases superstition

Science 10/3/2008: Vol. 322 no. 5898 pp. 115-117

Also Princess Alice experiments etc....

London protest 2006

Why are criticisms of gods taken so personally? It seems insane since they are claimed to be

“all powerful”!

This anger isn't about disrespecting gods!

It's about fear!

“Let the gods avenge themselves.”
Example: The power of Islam

**Inducing fear in believers is central to
Islam compared to Christianity
powerful religions and Islam is much
more frightening and powerful than
Christianity and suppresses rationality
much more effectively.**

Pew survey 12/2008 of American Christians

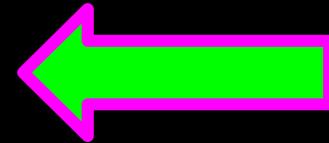

Q: What faiths can lead to eternal life?

Only Christianity: 26%

Many faiths: 65%

People with no Faith: 56%

Most Christians have evolved beyond the evil bible God who damns all unbelievers to hell.

What about Muslims?

PEW survey of Muslims 2013: What faiths can lead to heaven?

Country	Only Islam
Palest. Terr.	89%
Turkey	74%
Iraq	95%
Tunisia	72%
Egypt	96%
Pakistan	92%
Jordan	96%
Bangladesh	88%

That's a powerful religion that maintains its superstitions against rationality!

Gods Hatred for Unbelievers

In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: 2 Thessalonians 1:7-9 (KJV) (Jesus comes from Heaven to kill unbelievers and send them to Hell).

“And as for those who believe not in Allah and His Messenger — We have surely prepared for the disbelievers a blazing fire.”

Ahmadi Quran 48:14. <https://www.alislam.org/quran/48:14>

Fight unbelievers until they convert or you can kill them and steal their stuff.

Sahih hadith Muslim (1:33) - The Messenger of Allah said: “I have been commanded to fight against people till they testify that there is no god but Allah, that Muhammad is the messenger of Allah, and they establish prayer, and pay Zakat and if they do it, their blood and property are guaranteed protection on my behalf” <https://muflihun.com/muslim/1/33>

Christian God Approved Violence

- 1) Slaughters of pagans, other types of Christians, massive forced conversions and destruction of the knowledge of the ancient world: mostly complete by 900CE. **WWII: Christian slaughter of 6,000,000 Jews**
The anti-Semitism of the new movement [Christian Social movement] was based on religious ideas instead of racial knowledge.
- 2) 600 years of theft, murder and torture in the Inquisitions (Saving souls). Inquisitors were the “richest guys in town”.
-Adolf Hitler in Mein Kampf
- 3) Killed tens of millions of indigenous people in colonization
- 4) Slaughters of 2 million innocent peasants in the Vietnam war, 11 million forced from their homes. Spraying of large populated areas with dioxin and the herbicides. **Trump support by 81% of Protestant Evangelicals was unaffected by torture of Catholic child immigrants at our southern border.**
Martin Luther: “Kill a Commie for Christ” and “stop the godless Communists’ Christians strongly approved. (Not atheists)
- 5) **Iraq war:** 100s of thousands of noncombatants killed and millions driven from their homes. **G. W. Bush fundamentalist Christian**

Christianity using lies to promote conflict

Denigrating Propaganda

Invented the justification for robbing and killing of non-Christians by early Christians.

Book

“The Myth of Persecution: How Early Christians Invented a Story of Martyrdom,” 2013

by Candida Moss (professor of New Testament and Early Christianity at the University of Notre Dame)

The same subject was covered in **“Decline and fall of the Roman empire”** by Gibbon in the 18th century.

**Faking and exaggeration of martyrdom:
Christianity has massive amounts of martyr art
and false martyr stories designed to manipulated
believers, making murder and theft easier.**

Christianity legalizing murder, theft, and slavery

1095: Pope Urban: **Bull Terra Nullius** (empty land). **Christian kings and princes had the right to “discover” lands in non-Christian areas and claim them.**

In 1452, the papal Bull Dum Diversas instructed the Portuguese crown “to invade, capture, vanquish, and subdue all Saracens, pagans, and other enemies of Christ, to put them into perpetual slavery, and to take away all their possessions and property.”

1823: Chief Justice John Marshall in **U.S. Supreme Court case Johnson v. M’Intosh** formed the basis for extinguishing “the right of occupancy” of native Americans because they were not subjects of a European Christian monarch. **Still in use in today.**

Allah Approved Violence

- 1) Slaughters of unbelievers and theft of their property, enslavement of men/women/children. Massive forced conversions. Largest death toll (80 million) in conquest/rule of what is India and nearby countries 1000-1700CE. Mahmud of Ghazni 1000AD was a prolific murderer (Will Durant)
- 2) Tamerlane 1336-1405 (self named “The Sword of Islam”) was the greatest of generals who unified much of the Muslim world. Historians estimate his conquests caused 17,000,000 deaths (5% of the world’s population at the time).
- 3) Enslaved millions of unbelievers 623CE-1910CE
- 4) Janissaries: 100s of years of kidnapping and forced conversion to Islam of Christian boys from North of the Mediteranian to form the Calif’s elite military force.
- 5) Hamidian Ottoman massacre 1894-96: 250,000 dead, slavery and forced conversions of hundreds of Christian villages.

... when the Lord Jesus shall be revealed from heaven
Allah in Ahmadī Quran 4:90 They wish that you
should disbelieve as they have disbelieved, so that you
may become all alike. Take not, therefore, friends from
vengeance on them that know not God, and that obey
among them, until they emigrate in the way of Allah.
not the gospel of our Lord Jesus Christ: Who shall be
And if they turn away, then seize them and kill them
wherever you find them; and take no friend nor helper
from among them." <http://www.al-Islam.org/quran/4:90> (KJV)

Unbelievers: **idmurdie**

Fortunately, today, in personal interactions with others, most Christians and Muslims ignore the amoral, violent and intolerant parts of the Bible, Quran and Sahih Hadith.

Unfortunately, the hatred and defective in-group morality in these holy books can have serious effects on our world, acting as sources of violence and intolerance that can start and enhance conflicts.

To see the persistence of these evil effects, consider the actions and statements of fundamentalists (true believers).

Iraq: Fundamentalist Religion and War

Fundamentalist president G. W. Bush urges French president Chirac to join in war on Iraq. Bush appealed to their “common Christianity”

“Gog and Magog are at work in the Middle East”

“This confrontation is willed by God, who wants to use this conflict to erase his people’s enemies before a New Age begins.” G. W. Bush

“Those who believe, fight in the Cause of Allah, and those who disbelieve, fight in the cause of Satan”

On to Islam

I'll use Ahmadiyya Islam as an example of the religion based hatred inherent in Islamic doctrines.

Ahmadi Islam is a fair test case to consider because it is both a strict, fundamentalist and devotedly non-violent branch of Islam.

First Definitions

Ibn Manzur's Lissan al-Arab, one of the most authoritative lexicons of the Arabic language, **states that the word 'Islam' is derived from the root verb istaslama which means 'to submit' or 'give in' or 'surrender'.**

Word	Arabic	Meaning
Islam	اسلام	Submission
Salam	سلام	Well-being/Peace
Aslam	اسلم	To submit
Istaslama	استسلاما	To surrender

In context Islam means submission to the will of Allah

Lisan al-Arab also defines **Jihad as holy war**

Jihad is holy war

“Today it is certain that no Muslim, writing in a non-Western language (such as Arabic, Persian or Urdu), **would ever make claims that jihad is primarily nonviolent or has been superseded by the spiritual jihad.**”

Michael Cook Professor of Near Eastern Studies at Princeton **Cook is widely considered to be among the most outstanding scholars on the history of Islam.**

From a 2006 presentation to the Pew foundation.

Ahmadi Islam was founded by **Mirza Ghulam Ahmad**,
splitting from **Sunni Islam** on **3/23/1889**.

Although they hold essentially the same superstitions, most
Sunnis consider them to be non-Muslims.

**Ahmadis are persecuted/killed around the world by fundamentalist
Sunni Muslims** because their founder claimed to be a prophet.

**Israel is the only place in the Middle East where they can have a
Mosque and are allowed to freely practice their religion.**

They have also found sanctuary in Western countries.
**Surprisingly the doctrines presented on their web site
express hatred for Christians and Jews.** This is
completely consistent with the content of the Quran and
sahih hadith in expressing of hatred for unbelievers.

Ahmadi Muslim slogan:

“Love for all hatred for none”

I'll let the divinely guided Ahmadi founder, Messiah, and prophet **demonstrate with his own words the extent of hatred of unbelievers present in the Quran and Hadith.**

I agree with his evaluation of the content of the Quran and sahih hadith with regard to Jews and Christians. Here there is no way to say that these are “taken out of context”.

The founder doesn't uphold his own slogan, but takes the Quranic position with regard to unbelievers.

Ahmadis swear to uphold the 10 Baiat conditions created by their prophet and founder **Mirza Ghulam Ahmad** when first initiated as an Ahmadi.

<https://www.alislam.org/library/books/Conditions-of-Baiat-Responsibilities-of-Ahmadi.pdf>

Number 4: The initiate shall solemnly promise:

IV. That under the impulse of any passions, he/she shall cause no harm whatsoever to the creatures of Allah in general, and Muslims in particular, neither by his/her tongue nor by his/her hands nor by any other means.

The Founder doesn't uphold his oath.

However, it's possible that the oath doesn't cover unbelievers who are referred to as "the worst of beasts" by Allah in the Quran.

Quotes that follow are mostly from the **Essence of Islam** series written by Ahmadi founder Mirza Ghulam Ahmad who died in 1908.

This series explains the essential beliefs of Islam.

All documents quoted were approved by the current divinely guided Khalifah, **Spiritual leader of the Ahmadi sect**

All are from the official Ahmadi worldwide web site:

<https://www.alislam.org/>

Ahmadi Founder Mirza Ghulam Ahmad: Promised Messiah, divinely inspired prophet and Mahdi:

Note: In Sunni Islam the term Messiah refers uniquely to Jesus who is recognized as a great prophet.

The Ahmadi founder **Mirza Ghulam Ahmad** made many extravagant claims about being divinely inspired, his relation to Allah and Jesus. He also claimed to be the Mahdi, an end times figure who is supposed to be the final reformer who will convert the world to Islam as well as a substitute for the second coming of Jesus. **True believer, fundamentalist Ahmadis apparently revere him because of these extremely wild claims.**

Mirza Ghulam Ahmad (Ahmadi founder)
claimed to be a prophet who talks to Allah:

<https://www.alislam.org/book/truth-about-ahmadiyyat/claim-promised-messiah/>

“The only reason that I call myself a prophet is **that I am honored with the converse of God Almighty and that He speaks to me frequently and responds to me and discloses much of the unseen to me** and communicates to me the mysteries of the future such that are not disclosed to anyone unless he enjoys special nearness to God. **It is on account of the multiplicity of these experiences that I have been made a prophet.**”

Page 307 “On the one hand, it is proved from the Bible that the Christians of Europe are Gog and Magog, and, on the other, the Holy Qur’an has mentioned specific signs concerning Gog and Magog which can only be applied to European powers...”

That the texts of the peaceful Ahmadis support the sort of religious hatred discussed, shows the nature of the awful content in the Quran and Sahih Hadith and the moral blindness produced by religious indoctrination.

Ahmadis pretend that the violence in the Holy texts doesn't exist. Unfortunately, violent Islamic fundamentalist groups like ISIS and Al Qaida, Boko Haram and others practice many of the violent parts of the holy texts including sex slavery, torture, and murder of unbelievers.

In the case of the sahih hadith, Ahmadis have more flexibility so they deny the validity of thousands of sahih hadith that other Sunni sects accept as valid representations of the thoughts, actions and character of Mohammad.

More clearly than the Bible, the Quran separates humans into evil unbelievers and good Muslims.

Quran denigrates all unbelievers:

8:56. “Surely, the **worst of beasts in the sight of Allah** are those who are ungrateful. So they will not believe” (Ahmadi Quran)

<https://www.alislam.org/quran/8:56>

Quran praises Muslims for their superstitions:

3:111 “Ye are the best of peoples evolved for mankind enjoining what is right forbidding what is wrong and believing in Allah.”

<https://www.alislam.org/quran/3:111> (Ahmadi Quran)

Although Ahmadis are persecuted and killed for their religious beliefs their doctrines denigrate non-Muslims because of their beliefs. **Religious indoctrination produces moral blindness.**

More on why Islam is a much more powerful religion than Christianity

Denigration and Violence

Although useful to support violence and wars, the hatred for Jews and Christians expressed in Islam was probably originally driven by replacement theology.

To show that you are the chosen people of God, it helps to denigrate the religion(s) that gave birth to yours as well as the people that follow them. This also applies to Christian attitudes towards Jews.

Islamic Intolerance: Ahmadi persecution example
Islam suppresses sect formation and division
maintaining its nature much better than Christianity.

**There are only about 70 sects in
Islam vs 33,000 in Christianity**

**The Muslim World League annual conference at Mecca,
Saudi Arabia in April of 1974** included 140 delegations of
Muslim countries and organizations. **At the conference, the
League issued the following unanimous declaration:**

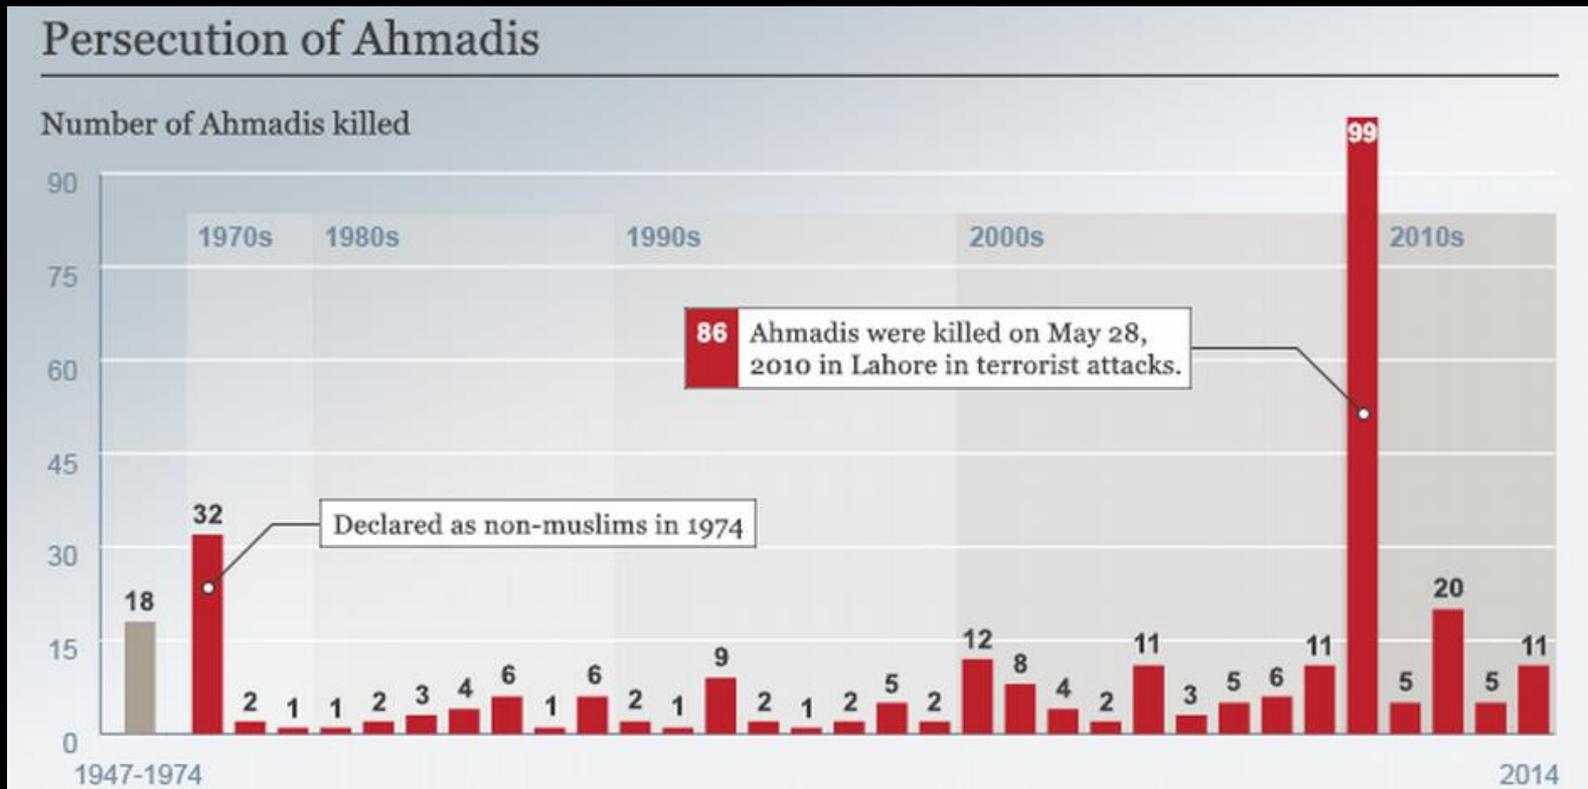

**"Qadianism or Ahmadiyyat: It is a subversive movement
against Islam and the Muslim world, which falsely and
deceitfully claims to be an Islamic sect....."**

100s of Ahmadis have been killed by Sunni Muslims

Ahmadis killed by Sunni Fundamentalists

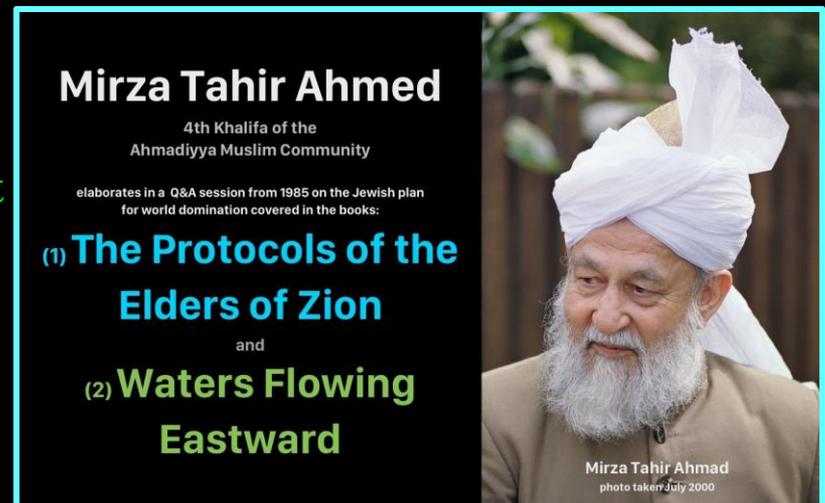

Continuing Ahmadi Anti-Semitism

February 23, 1985 talk by Mirza Tahir Ahmad 4th Ahmadi khalifa on the Protocols of the Elders of Zion. This is an antisemitic, fabricated text purporting to describe a Jewish plan for global domination. Actually created in Russia (1903) by Czarist secret police (**the Okhrana**). It is the foundational text of modern anti-Semitism and a best seller (along with Mein Kamph) in Muslim lands. **Waters flowing Eastward** is another antisemitic text filled with conspiracy theories about the Jews.

In his sermon of Friday February 1, 1991, Mirza Tahir Ahmad repeats the long since discredited lies regarding the Protocols of the Elders of Zion.

https://videos.files.wordpress.com/wldTXHRD/mirza-tahir-ahmad-and-the-protocols-of-the-elders-of-zion-1_hd.mp4

The spreading of hatred of Jews by the leader of the peaceful Ahmadis (4th Ahmadi khalifa) further supports my contention that hatred of unbelievers in the Quran is a essential part of Islam important to its success that can not be abandoned by fundamentalists like the Ahmadis.

The Protocols of the Elders of Zion or *The Protocols of the Meetings of the Learned Elders of Zion* is an **antisemitic fabricated text** purporting to describe a Jewish plan for global domination. The hoax, which was shown to be plagiarized from several earlier sources, some not antisemitic in nature, was first published in Russia in 1903,

In the Middle East a large number of Arab and Muslim regimes and leaders have endorsed them as authentic, including endorsements from Presidents Gamal Abdel Nasser and Anwar Sadat of Egypt, the elder President Arif of Iraq, King Faisal of Saudi Arabia, and Colonel Muammar al-Gaddafi of Libya.

The **1988 charter** of **Hamas**, a Palestinian Islamist group, states that *The Protocols of the Elders of Zion* embodies the plan of the Zionists.^[92] Recent endorsements in the 21st century have been made by the **Grand Mufti** of **Jerusalem**, Sheikh **Ekrima Sa'id Sabri**, the education ministry of **Saudi Arabia**,^[91]

In his **sermon of Friday February 1, 1991**, Mirza Tahir Ahmad repeats the long since discredited rumor regarding the *Protocols of the Elders of Zion*.

Effectiveness of Denigration of Jews by Jesus and Allah Today

2017, 2018 FBI USA hate crime statistics

Jews vs Muslims or LGBTQ people. A Jew is more than twice as likely to be the victim of a hate crime than either a Muslim or an LGBTQ person.

The violence towards Jews is much worse in most European countries than in the US where Muslims are much better integrated into society. The influx of poorly educated Muslims has made the situation of Jews in Europe much worse.

Replacement theology (supersessionism) certainly plays a part in the hatred of Jews by Christians and the hatred of both Jews and Christians by Muslims.

Muslim hatred of Jews far exceeds that of Christians.

This is seen both in PEW surveys and in the huge increase of attacks on Jews by Islamists in Europe.

Fortunately the percentage of violent fundamentalist Muslims is far smaller in the US.

<https://www.theatlantic.com/magazine/archive/2015/04/is-it-time-for-the-jews-to-leave-europe/386279/>

From 2015 Atlantic article *Is It Time for the Jews to Leave Europe?: France's 475,000 Jews represent less than 1 percent of the country's population. Yet last year, according to the French Interior Ministry, 51 percent of all racist attacks targeted Jews. The statistics in other countries, including Great Britain, are similarly dismal. In 2014, Jews in Europe were murdered, raped, beaten, stalked, chased, harassed, spat on, and insulted for being Jewish. *Salé Juif*—"dirty Jew"—rang in the streets, as did "Death to the Jews," and "Jews to the gas." In following years the situation has only gotten worse in Europe.*

11/2019 National Geographic article: Jews flee France for Israel.

<https://www.nationalgeographic.com/history/2019/11/french-jews-fleeing-country/>

The Ahmadis provide support for my premise that the hatred in Islam and Christianity for unbelievers is a core belief creating a moral blindness to the humanity of unbelievers and support violence.

Although they are persecuted and killed because of their own slightly different superstitions by other Sunni Muslims they show the same moral blindness by supporting hatred towards Jews and Christians. In this, their hateful doctrines faithfully follow the Quran and hadith.

Islam is very effective at denigrating unbelievers

The Quran denigrates all unbelievers for not believing in Allah:

8:56. “Surely, the **worst of beasts in the sight of Allah** are those who are ungrateful. So they will not believe” (Ahmadi Quran)

<https://www.alislam.org/quran/8:56> (Of course beasts can be killed)

Quran praises Muslims for their superstitions:

3:111 “Ye are the best of peoples evolved for mankind enjoining what is right forbidding what is wrong and believing in Allah.”

<https://www.alislam.org/quran/3:111> (Ahmadi Quran)

Islam is also more powerful than Christianity with features that strongly discourage leaving the religion.

Even in the USA leaving Islam is very difficult

Ex-Muslims of North America was established to help young people trying to leave Islam.

Their website presents stories of young Muslims who left Islam in America, some were beaten, some kidnapped, a few accepted by their parents.

<https://exmuslims.org/mini-documentaries/>

Why Islam is more powerful than Christianity

The next 6 slides give links to information in the Quran and Sahih Hadith supporting my contention that Islam is more powerful and better able to resist rationality, democracy, modernity, and change than Christianity

- 1) **Denigrates and damns unbelievers much more effectively than Christianity.**★ Calls for death of apostates.★ Explicit sex slavery (denigration) of captured non-Muslim women.★
- 2) **Hell is much more frightening, since it is much harder avoid than in Christianity.** Fear strengthens belief (superstition). Much more religious coercion encouraging fealty or conversion to Islam.★
- 3) **Martyrs who die fighting for Islam go directly to paradise.**★
- 4) **Stronger belief in End Times in their lifetime: (more than 50%).** For US Christians 2010, 27% believe it will happen in the next 40 years. **Again:** Fear strengthens religious superstition/belief.
- 5) **Mohammad was a warrior/prophet.** No support for church/state separation in the Quran. **Suppresses development of democracy.**★
- 6) **More effective oppression of women and control of sexual behavior in Islam.**★ Also Ahmadi ★
- 7) **Promotes violence against unbelievers, including torturing, cutting up or killing.**★

Why no Islamic Democracies?

“The absolute sovereignty of God cannot be reconciled with the sovereignty of men.” 

Najjar, F. M. **“Islam and Modern democracy.”** The Review of Politics 20 (2): 164-180, 1958.

Half the Quran specifically denigrates, promotes violence against or damns all unbelievers, Christians, Jews etc. The Quran very specifically orders Muslims to obey Allah as revealed in the holy book and not to obey unbelievers.

There is no way in a multicultural society to have Democracy and obey Allah. 

Mohammad was both a war leader and a religious leader. Sahih hadith include his violent, coercive acts and beliefs He was the perfect prophet to promote theocracy, holy war and dictatorship.

Islam: **More powerful than Christianity 2** **It's growing 2x faster than Christianity.**

- 8) **More effectively suppressed the development of rationality.** No equivalent in Islam to the Reformation or Enlightenment. **Islamic occasionalism sees connection of cause to effect as blasphemy.** Suppression of printing and science education. 
- 9) **Belief in Allah/Mohammed much stronger** (above 95%). **Young believe more strongly than elders;** US now about 26% unbelievers with young believing less and less. 
- 10) Suppresses sect formation: **Christianity 33,000 sects; Islam has about 70.** **Mohammad was the final prophet.** More explicit repeated statements of religious coercion. **As an honor culture using shame and collective policing it is more effective at controlling the behavior of individuals using group censure.** **Sunnis also have no religious hierarchy to reform or evolve.** 
- 11) **Belief that Islam is the only way to heaven much stronger** 
- 12) **Support today for suicide bombing of civilians to defend Islam shows much stronger commitment to religion than Christianity.** 

Coerced conversion thru taxation: **The Jizyah**

13) The Jizyah: Christians and Jews may be allowed to live and keep their property if they submit and pay the jizyah (a special heavy tax on unbelievers). This tax was a primary source of income for the Ottoman empire and caused so much conversion to Islam that the Ottomans had to institute new taxes on Muslims to stay solvent.

ISIS used the Jizyah to raise funds from captured unbelievers. Even if you paid up they have made it clear that they would still hate you.

Islam: Slavery a powerful denigration of unbelievers

14) Finally in Islam slavery, the most denigrating behavior towards other humans, is directly linked to religion (Unlike Christianity).

In the Old Testament you can sell your daughter into sex slavery. **In contrast, in Islam only unbelievers can be enslaved.**

Due to severe penalties for sex outside marriage for Muslims and polygyny (up to 4 wives), there was a shortage of available unmarried Muslim women. Sex slavery became a very profitable business in Islam. Unpaid warriors could turn a good profit selling captured women since unmarried men and wealthy married men could own and rape as many sex slaves as they could afford.

The Atlantic trade in slaves had a 1:2 female/male sex ratio since slaves were primarily used as field workers. Slavery in Islam was preponderantly female with a 2:1 ratio of female/male, in part, due to the popularity of sex slavery.

Sex slavery in the Quran: Allah Oks raping women [Link](#)

Sex slavery in the Trusted Hadith, Mohammad gives his advice on how to rape captured women: [Link](#)

Islam has inherent features that resist rationality, democracy and change, making it a much more powerful, unchanging religion than Christianity.

Democracy is inconsistent with following the doctrines of the Abrahamic faiths which denigrate all unbelievers. As we have seen, reading the Quran gives a much clearer view of the beliefs of Muslims today than does the Bible for Christians.

Rationality and science has turned modern Christian theologians into spin-meisters. Islam is mor resistant.

Islam is the more powerful religion

Contrast: Islam/Christianity with Hinduism/Buddhism

For Hindus there is no holy text like the Bible or Quran

The Bhagavad Gita is the one short text honored in all parts of India.

On the next slide Krishna speaks as an avatar of Brahman.

The basic message is don't divide the world into good and evil! This is in sharp contrast to the Manichean nature of the Bible and Quran.

Contrast: Islam/Christianity with Hinduism/Buddhism

From the English translation by Swami Prabhavananda and Christopher Isherwood

**He who regards
With an eye that is equal
Friends and comrades,
The foe and the kinsman,
The vile, the wicked,
The men who judge him'
And those who belong to neither faction:
He is the greatest.**

Historically, Hinduism lacked much of the intolerant fanaticism of Christianity and Islam. It absorbed the gods of other religions as avatars of Brahman. Today, you can find Hindu web sites where both Jesus and Mohammad have been so absorbed.

India is not a united country

This may be the price of religious tolerance

- **No common Creed, no single canonical religious text**
- **No common worship or rituals (Different avatars)**
- **Inclusive: No recruitment/ coercion of unbelievers**

Although India was made up of large rich societies it was unable to effectively resist repeated Islamic invasions that slaughtered 10s of millions of Hindus and eliminated Buddhism. (mostly 1000-1700AD).

There is no national language in India. Indian law actually designates 22 “scheduled languages” and 6 “classical languages”, including Sanskrit.

In Buddhism the oldest Zen poem begins with:

**The perfect way is without difficulty,
save that it avoids picking and choosing.
Only when you stop liking and disliking
Will all be clearly understood.**

**A split hair's difference,
And heaven and Earth are sundered!**

**If you want to get the plain truth,
Be not concerned with right and wrong.**

**The conflict between right and wrong
is the sickness of the mind.**

Again, don't impose divisions on the world!

In both Hinduism and Buddhism there are no perfect gods damning unbelievers.

Neither is particularly useful for the formation of empires by aiding the slaughter of unbelievers!

In both the ultimate struggle is seen as internal to humans.

Quotes from the current Dalai Lama contrast with the Manichean certainty of Islam and Christianity that damns all unbelievers and forces their doctrines on others.

“We must conduct research and then accept the results. If they don't stand up to experimentation, Buddha's own words must be rejected.” Tenzin Gyatso, current Dalai Lama,

**“The purpose of religion is to control yourself, not to criticize others. How much am I doing about my anger, attachment, hatred, pride and jealousy? These are the things which we must check in our daily lives.”
Tenzin Gyatso **Current Dalai Lama****

“For those who may not find happiness to exercise religious faith, it's okay to remain a radical atheist; it's absolutely an individual right, but the important thing is with a compassionate heart — then no problem.” Tenzin Gyatso **Current Dalai Lama**

Fundamentalist Christian theologian's approval of child murder and genocide today!

Deuteronomy 20:16 (KJV): Slaughter of the Canaanites etc...

“But of the cities of these people, which the Lord thy God doth give thee for an inheritance, thou shalt save alive nothing that breatheth:” (Kill them all and steal their stuff.)

William Lane Craig on Deuteronomy 20: 16-17

<https://www.reasonablefaith.org/writings/question-answer/slaughter-of-the-canaanites/>

“Moreover, if we believe, as I do, that God's grace is extended to those who die in infancy or as small children, the death of these children was actually their salvation.” God's will determines morality (His Divine Command Theory) : A famous, fundamentalist Christian theologian approves genocide.

Hitler represented the worst of the evil certainty of Christianity in contrast to Buddhism.

As a fanatical, antisemitic Catholic Hitler also understood the motivational power of religion.

Mein Kampf is full of religious references.

"Any violence which does not spring from a spiritual base, will be wavering and uncertain. It lacks the stability which can only rest in a fanatical outlook." Hitler, Mein Kampf

"The greatness of Christianity did not lie in attempted negotiations for compromise with any similar philosophical opinions in the ancient world, but in its inexorable fanaticism in preaching and fighting for its own doctrine." Hitler, Mein Kampf Vol 1 Ch 12

The anti-Semitism of the new movement was based on religious ideas instead of racial knowledge.— Adolf Hitler, Mein Kampf

Holy Slaughter: **A founder of Protestantism**

At first **Luther** viewed the Jews positively. **When his attempts to convert them failed, he turned fanatically vicious and produced a tract “*On the Jews and Their Lies*” (1543) detailing how they should be dealt with.**

They had rejected his perfect vision of God.

400 years later, Hitler implemented Luther’s principles in his **Final Solution.**

“The anti-Semitism of the new movement was based on religious ideas instead of racial knowledge.” **Adolf Hitler (Mein Kampf)**

“We are at fault in not slaying them. If we wish to wash our hands of the Jews’ blasphemy and not share in their guilt, we have to part company with them...They must be driven from our country ...we must drive them out like mad dogs”.

Martin Luther “On the Jews and Their Lies”

Luther and Hitler were just following Jesus who damned the Jews for not accepting his wild claims.

At Nazi Nuremberg rallies a first edition of *On the Jews and Their Lies* was kept in a place of honor, in a glass case at the front.

Holy Slaughter: A founder of Protestantism

Once you accept violent, iron-age texts like the Bible and Quran as the word of a perfect God it is straightforward to adopt dangerous in-group forms of morality that approve of the slaughter of unbelievers.

Religious Coercion

Islam is a much more powerful religion than Christianity unbelievers are coerced with threats to convert while believers are coerced to remain Muslims.

Sahih Hadith are those trusted by Sunni Muslims to accurately represent the actions, wishes, views and statements of Mohammad the perfect man.

The collections I use the Sahih Hadith called Bukhari and Muslim are the most trusted.

Religious coercion in Islam is much more effective than in Christianity

Because of this coercion
Even in the USA today leaving
Islam is very difficult

Attempting to leave Islam can result in extreme sanctions driven in part by the honor culture followed by many Muslims.

Ex-Muslims of North America was established to help young people trying to leave Islam.

Stories are presented of Muslims who left Islam in America, some were beaten, some kidnapped, a few accepted by their parents.

Compulsion to pray and convert are more extreme than in Christianity

Show up for prayer or be burned alive

Sahih Bukhari (11:626) - The Prophet said: "Certainly I decided to order the Mu'adh-dhin (call-maker) to pronounce Iqama and order a man to lead the prayer and then take a fire flame to burn all those who had not left their houses so far for the prayer along with their houses." <https://muflihun.com/bukhari/11/626>

Convert and you can keep your life and your stuff

Allah 's Apostle said, "I have been ordered to fight with the people till they say, 'None has the right to be worshipped but Allah,' and whoever says, 'None has the right to be worshipped but Allah,' his life and property will be saved by me..." Sahih Hadith Bukhari 52:196

<https://muflihun.com/bukhari/52/196> (Book 52 is the book of Jihad)

Islam: Religious coercion

Convert if you want to keep you life and property

Sahih Hadith Muslim 1:34 I heard the Messenger of Allah (Peace be upon him) say: “He who professed that there is no god but Allah and made a denial of everything which the people worship beside Allah, **his property and blood became inviolable...**” <https://muflihun.com/muslim/1/34>

Sahih Muslim 1:32 The Messenger of Allah said: “I have been commanded that I should fight against people till they declare that there is no god but Allah, and when they profess it that there is no god but Allah, **their blood and riches are guaranteed protection on my behalf**”....
<https://muflihun.com/muslim/1/32>

Sahih Muslim Book 1 Hadith 31 It is reported on the authority of Abu Huraira **that he heard the Messenger of Allah say:** I have been commanded to fight against people, till they testify to the fact that there is no god but Allah, and believe in me (that) I am the messenger (from the Lord) and in all that I have brought. **And when they do it, their blood and riches are guaranteed protection on my behalf**<https://muflihun.com/muslim/1/31>

More coercion: Kill/damn apostates

No freedom of religion in Islam (Hell or death)

Whoso disbelieves in Allah after he has believed — save him who is forced thereto while his heart finds peace in the faith — but such as open their breasts to disbelief, on them is Allah's wrath; and they shall have a severe punishment. Ahmadi Quran 16:107 <https://www.alislam.org/quran/16:107>

Leave Islam and die (Forced religion)

Narrated 'Abdullah: Allah's Apostle said, “The blood of a Muslim who confesses that none has the right to be worshipped but Allah and that I am His Apostle, cannot be shed except in three cases: In Qisas for murder, a married person who commits illegal sexual intercourse and the one who reverts from Islam (apostate) and leaves the Muslims.”

Sahih Bukhari 83:17 <https://muflihun.com/bukhari/83/17>

More coercion: Kill/damn apostates

Chop the heads off apostates

Abu Musa said, "(He was) a Jew who embraced Islam and has now turned apostate." Muadh said, "I will surely chop off his neck!"

<https://muflihun.com/bukhari/59/632>

Apostates dragged off to Hell in Sahih Bukari

Religious coercion in the Quran and Hadith are reflected in beliefs of Muslims today.

Pew 2013: Percent of Muslims by country favoring death for leaving Islam

Country	Favor Death
Afghanistan	78%
Pakistan	64%
Egypt	64%
Jordan	58%
Bangladesh	36%
Palest. Terr.	59%
Iraq	38%

From the book of Jihad....**the Prophet said**, “If somebody (a Muslim) discards his religion, kill him.” **Sahih Hadith Bukhari 52:260** <https://muflihun.com/bukhari/52/260>

Islam: Religious coercion today

In **12/13** countries, **all Muslim majority, apostates/atheists** can be put to death

Country	% Muslim	Country	% Muslim
Afghanistan	99%	Qatar	90%
Iran	99.4%	Saudi Arabia	97%
Malaysia	64.5%	Somalia	99%
Maldives	98%	Sudan	97%
Mauritania	99.9%	U.A.E.	96%
Nigeria	51.5%	Yemen	99%
Pakistan	96.4%		

All of these countries, except Pakistan, have laws including the death penalty for apostasy.

Coerced conversion thru taxation: **The Jizyah**

Fight those from among the People of the Book who believe not in Allah, nor in the Last Day, nor hold as unlawful what Allah and His Messenger have declared to be unlawful, nor follow the true religion, until they pay the tax with *their own* hand and acknowledge their subjection. (Ahmadi Quran 9:29)

<https://www.alislam.org/quran/9:29>

Christians and Jews may be allowed to live and keep their property if they submit and pay the jizyah (a special heavy tax on unbelievers). This tax was a primary source of income for the Ottoman empire and caused so many conversions to Islam that the Ottomans had to institute new taxes on Muslims to stay solvent.

Coercion: My way or Hell for you!

<https://muflihun.com/bukhari/91/384> **Sahih Hadith Bukhari 91:384**

Allah's Apostle said, “All my followers will enter Paradise except those who refuse.” They said, “O Allah's Apostle! Who will refuse?” He said, “Whoever obeys me will enter Paradise, and **whoever disobeys me is the one who refuses (to enter it).**”

Disobeying Mohammad is disobeying Allah

Sahih Bukhari 88:251 Allah's Apostle said, “Whoever obeys me, obeys Allah, and whoever disobeys me, disobeys Allah, and whoever obeys the ruler I appoint, obeys me, and whoever disobeys him, disobeys me.”

<https://muflihun.com/bukhari/88/251>

Hell fear as coercion

Greater fear of Hell makes a stronger religion, since frightened followers are less likely to leave

Islam has much more stringent requirements to attain paradise/heaven than Christianity.

Statement of Ahmadi founder in this regard is shown on the next slide

If you seek salvation, adopt the ways of the humble and carry the yoke of the Holy Qur’an with meekness. The wicked will be ruined and the rebellious will be hurled into hell. But he who bends his neck humbly will be saved from death.”**

**Religious coercion in
Islam is much more

Islam: Suppression of Rationality

Fundamentalist religion based on superstition is inherently irrational. For hundreds of years science and reason have continuously reduced the domain of the Christian religion and produced the advanced societies of today.

Islam efficiently suppresses Rationality making it a much more powerful religion than Christianity. This also has had the unfortunate effect of hugely suppressing the prosperity, modernization and development of most Muslim majority countries.

Fundamentalism also tends to be associated with other pseudoscientific beliefs: Examples from the Amadi website follow.

Suppression of rationality is seen in Nobel awards

World populations of Jews and Muslims (2018)

Muslims 1.85 billion 25% Jews 15 million 0.20%

Nobel Prizes Awarded to Muslims and Jews

Science	3	90
Medicine	0	58
Economics	0	30
Literature	2	15

“About 700 years ago Islamic civilization lost the will and ability to do science.” Abdus Salam

“I agree with him that religious orthodoxy and the spirit of intolerance are two of the major factors responsible for killing the once flourishing enterprise of science in Islam.” Abdus Salam

Even during the “**Golden Age**” many of the brightest minds were hounded and killed by religious extremists. Protection was often because of local, better educated leaders. **When the leadership changed, persecution often began again. This problem continues today. Out of the 4 Muslim Nobel winners Salam was persecuted and shunned. The one Egyptian who won a literature Nobel was attacked and crippled.**

From: Foreword by Abdus Salam

“Excommunication (takfir) of many of the brightest scientific minds of the past (e.g. Ibn Rushd 1126-1198, Ibn-ul-Haitham 965-1040 and Abu Ali Sina 980-1037) by a class of nearly illiterate men who have appropriated the status of a priestly class is a continuing problem.” **Abdus Salam**

Belief in Occasionalism stunts development of science

From: Islam and Science: Religious Orthodoxy and the Battle for Rationality **by Pervez Amirali Hoodbhoy** Foreword by **Abdus Salam**

Salam's long foreword summarizes many of the points made in Hoodbhoy's book.

The rise of Occasionalism in Islam is one central reason for disastrous state of Muslim majority countries today. Here Allah is seen as controlling everything down to the level of reactions between molecules. H and O don't react to form water because of energy considerations, but because Allah wills it. **Predictive science is seen as a blasphemous attempt to limit Allah's power.**

The book discusses in detail many effects of fundamentalist Sunni Islam on Muslim countries today.

Sunni revival suppresses rational branch of Islam

From Hoodbhoy's book

Before the “Sunni Revival” which started about the year 1000AD and continues to the present. **Islam had a strong Mu'tazila branch which supported a rational approach to thinking and life.**

Mu'tazila: A school of Islamic theology based on reason and rational thought that flourished during the 8th–10th centuries. Mu`tazilites believed that good and evil were not determined by revealed scripture or interpretation of scripture, but that reason was the "final arbiter" in distinguishing right from wrong. The Mu`tazili school of Kalam posited that the injunctions of God are accessible to rational thought and inquiry, and that it is reason, not "sacred precedent", that is an effective means of determining what is just, and obligatory in religion.

Quote from: pages 104-105 Islam and Science: Religious Orthodoxy and the Battle for Rationality by Pervez Amirali Hoodbhoy
Foreword by Abdus Salam

“Al-Ghazali is viewed as the most important refuter of Mutazilites an Islamic school of theology based on reason and rational thought... According to Al-Ghazali it is futile to believe that the world runs according to physical laws. God destroys, and then recreates the world after every instant of time. Hence there can not be continuity between one moment and the next, and one cannot suppose that a given action will definitely lead to a particular outcome. Conversely, it is false to assign a physical cause to any occurrence.” “In Al-Ghazali's theology, God is directly the cause of all physical events and phenomena, and constantly intervenes in the world.”

“This mindset is the direct cause of the absence of real sciences in the Islamic world, Practical engineering is more developed.”

From: Islam and Science: Religious Orthodoxy and the Battle for Rationality by Pervez Amirali Hoodbhoy Foreword by Abdus Salam

Prediction of rain lies outside what can be lawfully known. Allah is all powerful so this intrudes in his domain. Between 1983 and 1984 weather forecasts were suspended by the Pakistani government after protests by fundamentalists.

One Important early effect of Muslims

turning away from rationality
The Ottomans' defeat stopped further Jihadi
expansion north of the Mediterranean

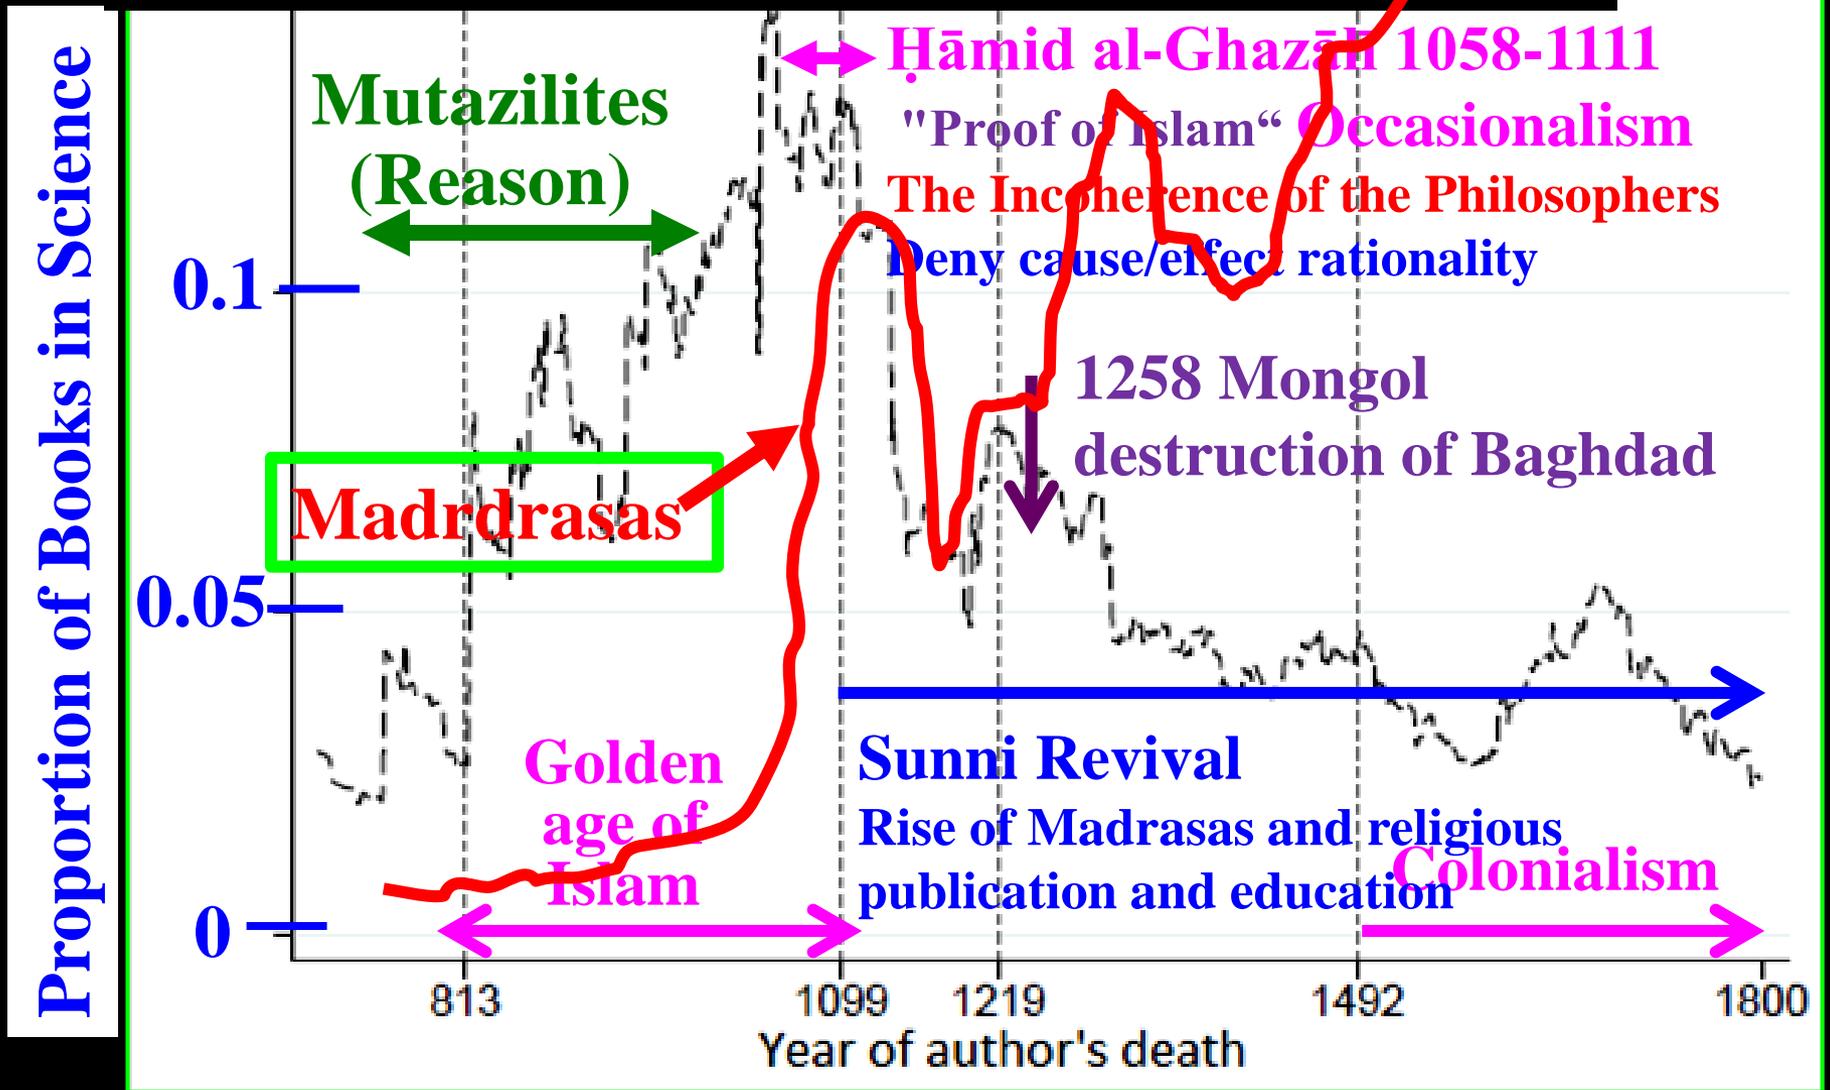

Conquest north of the Mediterranean had produced new tax revenue and high value slaves. In particular, Christian boys who were kidnapped and forced to convert to Islam formed the Ottoman Calif's elite military force, the Janissaries. Trade in white sex slaves captured here was also particularly profitable.

One of the great minds at the end of the Islamic “Golden Age”

- ❖ **Omar Khayyám (1048 – 1131 AD), Persian mathematician, philosopher, astronomer, physician, and poet. He correctly measured the length of the solar year to six decimal places. Khayyam’s calendar, is more accurate than today’s widely-used Gregorian calendar.**

Omar Khayyám (1048 – 1131 AD) The Rubaiyat

Allah, perchance, the secret word might spell;

If Allah be, He keeps His secret well;

What He hath hidden, who shall hope to find?

Shall God His secret to a maggot tell?

The Koran! well, come put me to the test—

Lovely old book in hideous error drest—

Believe me, I can quote the Koran too,

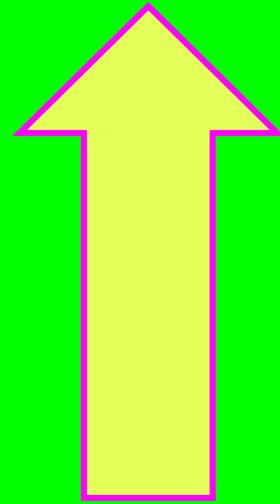

The unbeliever knows his Koran best.

And do you think that unto such as you,

A maggot-minded, starved, fanatic crew,

God gave the secret, and denied it me?—

Well, well, what matters it! believe that too.

Islam Suppresses Rationality

ISIS makes clear that their violent hatred of others is because they are not Muslims. As seen earlier, the doctrines of the non-violent Ahmadis express hatred of unbelievers for exactly the same reason.

This supports my contention that hatred of unbelievers is an important, core part of both Islam and Christianity

**From Dabiq #15 the ISIS English language newsletter
page 30-31: Excerpt given below:**

Article: Why we hate you and why we fight you.

1) We hate you, first and foremost, because you are disbelievers; you reject the oneness of Allah – whether you realize it or not – by making partners for Him in worship, you blaspheme against Him, claiming that He has a son, you fabricate lies... (Partners refers to Jesus as God)

2) What's important to understand here is that although some might argue that your foreign policies are the extent of what drives our hatred, this particular reason for hating you is secondary, hence the reason we addressed it at the end of the above list. The fact is, even if you were to stop bombing us, imprisoning us, torturing us, vilifying us, and usurping our lands, we would continue to hate you because our primary reason for hating you will not cease to exist until you embrace Islam. Even if you were to pay jizyah and live under the authority of Islam in humiliation, we would continue to hate you.

Sahih Hadith are those trusted by Sunni Muslims to accurately represent the actions, wishes, views and statements of Mohammad the perfect man.

The collections I use the Sahih Hadith called Bukhari and Muslim are the most trusted.

Promotion of violence against and killing of unbelievers in the Quran and Hadith. Includes chopping them up as is practiced by ISIS, Boko Haram and other Islamist extremist groups.

Quran: Conquest of unbelievers

How many a township have We destroyed! As a raid by night, or while they slept at noon, Our terror came unto them. Ahmadi Quran 7:5 <https://www.alislam.org/quran/7:5>

Mohammad approves the killing children of unbelievers

Sahih Muslim Book 19 (The Book of Jihad) Hadith 4322: It is narrated by Sa'b b. Jaththama that he said (to the Holy Prophet): Messenger of Allah, we kill the children of the polytheists during the night raids. He said: "They are from them." <https://muflihun.com/muslim/19/4322>

Kill Children of unbelievers

Sahih Muslim Book 19 (The Book of Jihad) Hadith 4322: It is narrated by Sa'b b. Jaththama that he said (to the Holy Prophet): Messenger of Allah, we kill the children of the polytheists during the night raids. He said: "They are from them." <https://muflihun.com/muslim/19/4322>

Sahih Bukhari Book 52 (Book of Jihad) Hadith 256

-The Prophet... was asked whether it was permissible to attack the pagan warriors at night with the probability of exposing their women and children to danger. The Prophet replied, "They (i.e. pagans) are from them". (Present: Used to justify bombing of civilians) <https://muflihun.com/bukhari/52/256>

The sword verse Ahmadi Quran 9:5: Abrogates all earlier (in time) seemingly “nice” verses. The sword verse is one of the very latest verses recorded by Mohammad.

Kill them if they don't convert or if they oppose us.

Sword Verse: And when the forbidden months have passed, kill the idolaters wherever you find them and take them prisoners, and beleaguer them, and lie in wait for them at every place of ambush. But if they repent and observe Prayer and pay the Zakat, then leave their way free. Surely, Allah is Most Forgiving, Merciful. <https://www.alislam.org/quran/9:5>

The reward of those who wage war against Allah and His Messenger and strive to create disorder in the land is only this that they be slain or crucified or their hands and their feet be cut off on alternate sides

Ahmadi Quran: 5:34 <https://www.alislam.org/quran/5:34>

When thy Lord revealed to the angels, saying, ‘I am with you; so give firmness to those who believe. I will cast terror into the hearts of those who disbelieve. **Smite, then, the upper parts of their necks, and smite off all finger-tips.’ Ahmadi Quran 8:13**
<https://www.alislam.org/quran/8:13>

That is because they have opposed Allah and His Messenger. And whoso opposes Allah and His Messenger, then Allah is surely severe in retribution. Ahmadi Quran 8:14
<https://www.alislam.org/quran/8:14>

Quran specifies no punishment for killing unbelievers

And whoso kills a believer intentionally, his reward shall be Hell wherein he shall abide. And Allah will be wroth with him and will curse him and will prepare for him a great punishment. Ahmadi Quran: 4:94 <https://www.alislam.org/quran/4:94>

ISIS follows the Quran and Hadith in killing unbelievers

Chop up and kill non-Muslims

Ahmadi Quran Quran (8:13-14) When thy Lord revealed to the angels, saying, ‘I am with you; so give firmness to those who believe. I will cast terror into the hearts of those who disbelieve. Smite, then, the upper parts of their necks, and smite off all finger-tips.’ That is because they have opposed Allah and His Messenger. And whoso opposes Allah and His Messenger, then Allah is surely severe in retribution.

Chop the heads off apostates

Abu Musa said, "(He was) a Jew who embraced Islam and has now turned apostate." Muadh said, "I will surely chop off his neck!"

<https://muflihun.com/bukhari/59/632>

From Hadith Bukhari Book 82 (Book of Disbelievers)

Torture and Murder of Unbelievers

al-Bukhari Book 82 Hadith 794 Narrated Anas:.... **after they had recovered from their ailment (became healthy) they turned renegades (reverted from Islam) and killed the shepherd of the camels and took the camels away. The Prophet sent (some people) in their pursuit and so they were (caught and) brought, and the Prophet ordered that their hands and legs should be cut off and that their eyes should be branded with heated pieces of iron, and that their cut hands and legs should not be cauterized, till they die.**

<https://muflihun.com/bukhari/82/794>

al-Bukhari Book 82 Hadith 795 Narrated Anas: **The Prophet cut off the hands and feet of the men belonging to the tribe of 'Uraina and did not cauterise (their bleeding limbs) till they died.** <https://muflihun.com/bukhari/82/795>

al-Bukhari Book 82 Hadith 803 **Narrated Ash-Sha'bi:** from 'Ali when the latter stoned a lady to death on a Friday. 'Ali said, "I have stoned her according to the tradition of Allah's Apostle." <https://muflihun.com/bukhari/82/803>

Ahmadi Quran: Chop up unbelievers

If the hypocrites, and those in whose heart is a disease, and those who cause agitation in the city, desist not, We shall surely give thee authority over them; then they will not dwell therein as thy neighbours, save for a little while. 33: 61 Ahmadi Quran <https://www.alislam.org/quran/33:61>

Then they will be accursed. Wherever they are found, they will be seized, and cut into pieces. 33: 62 Ahmadi Quran <https://www.alislam.org/quran/33:62>

Similar to behavior of ISIS and the Saudis when they recently cut up **Jamal Khashoggi**, while he was still alive.

Ahmadi Quran Quran (8:13-14) When thy Lord revealed to the angels, saying, 'I am with you; so give firmness to those who believe. I will cast terror into the hearts of those who disbelieve. **Smite, then, the upper parts of their necks, and smite off all fingertips.**' That is because they have opposed Allah and His Messenger. And whoso opposes Allah and His Messenger, then Allah is surely severe in retribution. <https://www.alislam.org/quran/8:13>

Expel Jews and Christians from Arabia

Sahih Muslim Book 19: 4366 (The Book of Jihad)

It has been narrated by 'Umar b. al-Khattib that he heard the Messenger of Allah (Peace be upon him) say: “I will expel the Jews and Christians from the Arabian Peninsula and will not leave any but Muslim.”

<https://muflihun.com/muslim/19/4366>

People of the Book are Jews and Christians

Fight those from among the People of the Book who believe not in Allah, nor in the Last Day, nor hold as unlawful what Allah and His Messenger have declared to be unlawful, **nor follow the true religion, until they pay the tax with *their own* hand and acknowledge their subjection.**

<https://www.alislam.org/quran/9:29> (Ahmadi Quran 9:29)

Christians and Jews may be allowed to live and keep their property if they submit and pay the jizyah (a special heavy tax on unbelievers). This tax was a primary source of income for the Ottoman empire and caused so much conversion to Islam that the Ottomans had to institute new taxes on Muslims to stay solvent.

Ahmadi Quran Violence

O ye who believe! fight such of the disbelievers as are near to you and let them find hardness in you; and know that Allah is with the righteous.

Ahmadi Quran 9:123 <https://www.alislam.org/quran/9:123>

O Prophet, strive against the disbelievers and the hypocrites. And be severe to them. Their abode is Hell,

Ahmadi Quran 9:73 <https://www.alislam.org/quran/9:73>

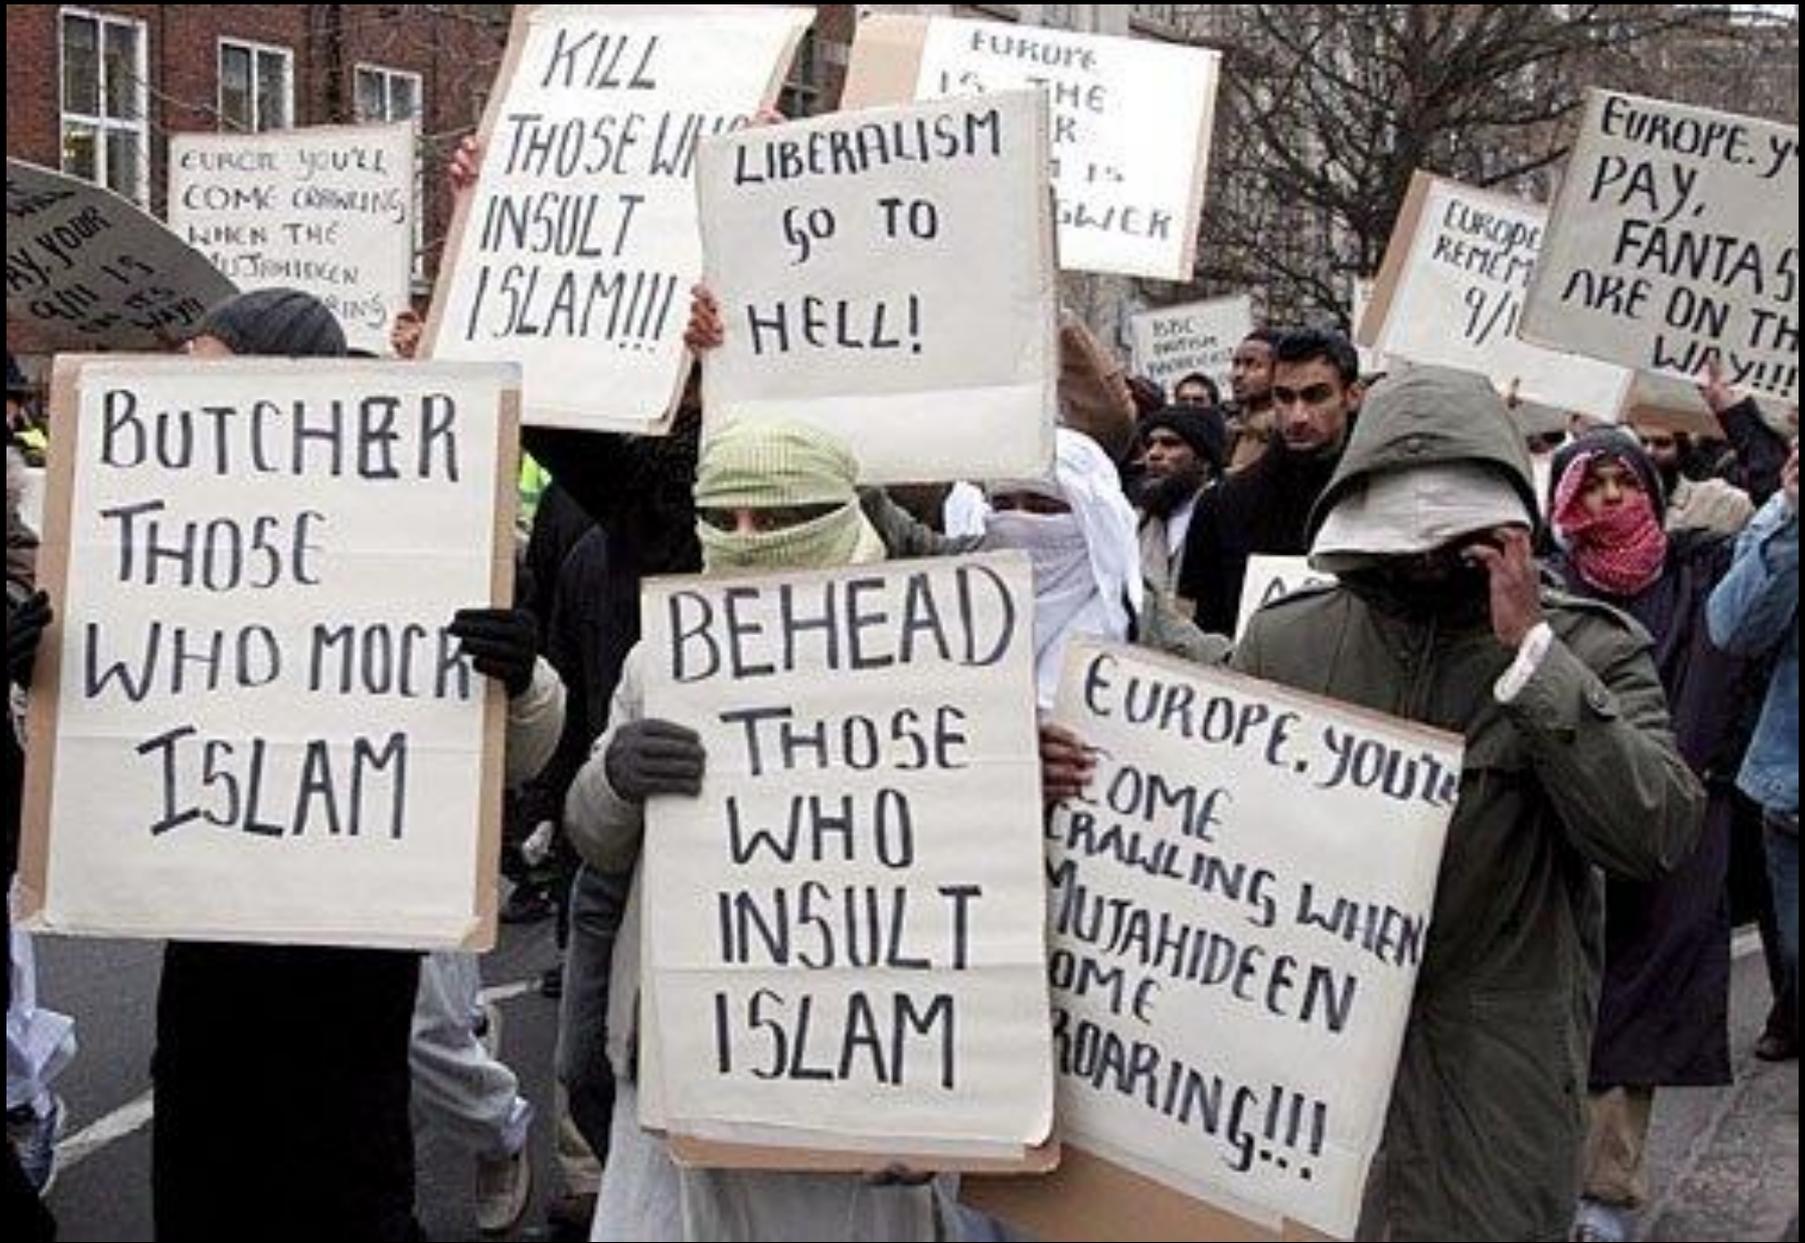

Double standard, In-Group Morality/out-group Intolerance

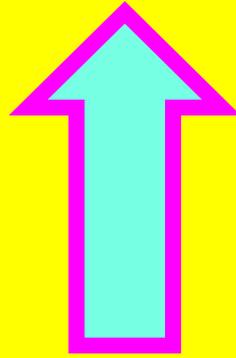

He it is Who has sent His Messenger, with guidance and the Religion of truth, that He may make it prevail over all other religions. ... Muhammad is the Messenger of Allah. And those who are with him are hard against the disbelievers, tender among themselves.... Ahmadi Quran: 48:29-30

Mohammad had a number of people assassinated for opposing him or making fun of him.

Religion Encouraging Conflict

Violence in Quran and Hadith

**Bible supports separation
of church and government
and opens the path for
Democracy**

Christianity arose in lands subject to Roman rule and Romans didn't have jails. For many infractions, as it was in 17th century Europe, the penalty was death. Submission to roman unbelievers in charge allowed survival.

In contrast, in Islam, Mohammad was a religious, secular and war leader. There was no concept or example of separation of church and state.

Christian support of government Contrasts with Islam

And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's. And they marveled at him.

Mark 12:17

Rulers chosen by God

By him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him. And he is before all things, and in him all things hold together.

Colossians 1:16-17

Christian support of government Contrasts with Islam

¹ Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

² Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation.

³ For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same:

⁴ For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.

⁵ Wherefore ye must needs be subject, not only for wrath, but also for conscience sake.

⁶ For this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing.

⁷ Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor.

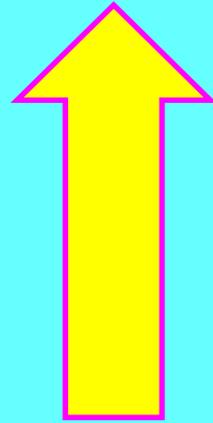

Romans 13:1-7 (KJV)

Martin Luther Quotes: Support Rulers

“we must endure the authority of the prince. If he misuse or abuse his authority, we are not to entertain a grudge, seek revenge or punishment. Obedience is to be rendered for God's sake, **for the ruler is God's representative**. However they may tax or exact, we must obey and endure patiently.” **Martin Luther, "Tribute to Caesar" sermon**

“If the peasants are in open rebellion, then they are outside the law of God. Therefore let all who are able slash, strike down, and kill (those who rebel) openly and secretly, remembering that there can be nothing more venomous, harmful, or devilish than a rebel. It is exactly like killing a mad dog.” **Martin Luther**

Death sentence in 2019 for blasphemy

Pakistani academic Junaid Hafeez was sentenced to death in 12/19 for a Facebook post. Death sentences for blasphemy in Muslim countries are not just long abandoned, unenforced laws.

He has been held in solitary confinement due to security concerns since 2014 when his lawyer, prominent rights activist Rashid Rehman, was murdered for defending Hafeez.

The attack came after Rehman had been threatened in open court by religious leaders and lawyers associated with the prosecution.

At least 75 people have been killed in connection with blasphemy accusations in Pakistan since 1990, according to an Al Jazeera tally.

Democracy: Catholic versus Muslim countries

Man-Li Gu, & Eduard J. Bomhoff: Religion and Support for Democracy: A Comparative Study for Catholic and Muslim Countries *Politics and Religion*, 5 (2), 280-316 (2012).

Support for democracy in the Catholic countries stems from a civic culture that embodies values such as tolerance of diversity, mutual trust, and gender equality. Support for democracy in Muslim countries was linked not with liberal values but desire for prosperity and wealth redistribution.

Support for war: Reward for fighting and dying for Allah

Sahih Hadith are those trusted by Sunni Muslims to accurately represent the actions, wishes, views and statements of Mohammad the perfect man. The collections I use the Sahih Hadith called Bukhari and Muslim are the most trusted.

Dying fighting for Allah abrogates all your previous sins

Fight and Die for Allah: You go directly to Paradise

Die for Allah: Paradise awaits

Let those then fight in the cause of Allah who would sell the present life for the Hereafter. And whoso fights in the cause of Allah, be he slain or be he victorious, We shall soon give him a great reward. Ahmadi Quran: 4:75 <https://www.alislam.org/quran/4:75>

Sahih Bukhari 2:35 Narrated Abu Huraira: **The Prophet said**, “The person who participates in (Holy battles) in Allah's cause **and nothing compels him to do so except belief in Allah and His Apostles**, will be recompensed by Allah either with a reward, or booty (if he survives) or will be admitted to Paradise (if he is killed in the battle as a martyr)” <https://muflihun.com/bukhari/2/35>

Narrated Anas bin Malik: **The Prophet said**, “A single endeavor (of fighting) in Allah's Cause in the forenoon or in the afternoon is better than the world and whatever is in it.” Sahih Hadith Bukhari 52:50: (Book of Jihad) <https://muflihun.com/bukhari/52/50> (52 is Book of Jihad)

Die for Allah: Paradise awaits

Sahih Hadith Bukhari 52:53 (Book of Jihad) Narrated Anas bin Malik: The Prophet said, “Nobody who dies and finds good from Allah (in the Hereafter) would wish to come back to this world even if he were given the whole world and whatever is in it, except the martyr who, on seeing the superiority of martyrdom, would like to come back to the world and get killed again (in Allah's Cause).” Narrated Anas: **The Prophet said,** “A single endeavor (of fighting) in Allah's Cause in the afternoon or in the forenoon is better than all the world and whatever is in it. **A place in Paradise as small as the bow or lash of one of you is better than all the world and whatever is in it.”**

<https://muflihun.com/bukhari/52/53> Book 52 is the book of Jihad

More from Sahih Hadith on Holy war

Sahih Bukhari (52:44) - A man came to Allah's Apostle and said, "Instruct me as to such a deed as equals Jihad (in reward)." He replied, "I do not find such a deed." (The Book of Jihad)

Sahih Muslim (1:149) - "Abu Dharr reported: I said: Messenger of Allah, which of the deeds is the best? He (the Holy Prophet) replied: Belief in Allah and Jihad in His cause..."

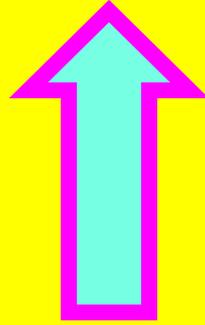

Sahih Bukhari 52:73 (Book of Jihad) Narrated 'Abdullah bin Abi Afa: Allah's Apostle said, "Know that Paradise is under the shades of swords." <https://muflihun.com/bukhari/52/73> (The Book of Jihad)

Narrated Al-Mughira bin Shu'ba: Our Prophet told us about the message of our Lord that "Whoever amongst us is killed will go to Paradise." Umar asked the Prophet, Is it not true that our men who are killed will go to Paradise and theirs (i.e. those of the Pagan's) will go to the (Hell) fire? The Prophet said, "Yes." Sahih Bukhari 52:72 (Book of Jihad) <https://muflihun.com/bukhari/52/72>

Even today: Islamic doctrines produce effective, vicious warriors: **Paradise awaits!**

On 4 June 2014, ISIL began their efforts to capture Mosul (1.5 million people). The Iraqi army had 30,000 soldiers stationed in the city, facing a 1,500 man rather poorly equipped ISIL force. On June 10, the army dropped its weapons and ran. ISIS captured large numbers of modern US weapons and tanks.

And of course, the attacks on 9/11 and many other suicide bomb attacks.

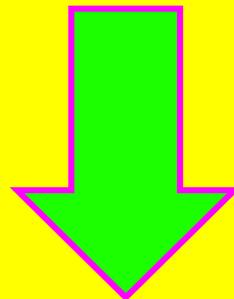

Fight and Die for Allah:
Go to Paradise

Support for war

The repetitive degradation, cursing and damning of all unbelievers in the Quran takes up a significant fraction of the text. Here are a few examples.

Also good to frighten Muslims, keeping them from apostasy.

Ahmadi Quran: Hell and degradation for unbelievers

The “People of the Book” are Christians and Jews

Ahmadi Quran 98:7 “Verily, those who disbelieve from among the People of the Book and the idolaters will be in the Fire of Hell, abiding therein. They are the worst of creatures.”

<https://www.alislam.org/quran/98:7>

Fight those from among the People of the Book who believe not in Allah, nor in the Last Day, nor hold as unlawful what Allah and His Messenger have declared to be unlawful, nor follow the true religion, until they **pay the tax with their own hand and acknowledge their subjection.**

<https://www.alislam.org/quran/9:29> (Ahmadi Quran 9:29)

Christians and Jews may be allowed to live and keep their property if they submit and pay the jizyah (a special heavy tax on unbelievers). This tax was a primary source of income for the Ottoman empire and caused so much conversion to Islam that the Ottomans had to institute new taxes on Muslims to stay solvent.

Hell for Unbelievers: Ahmadi Quran

Say to those who disbelieve, 'You shall be overcome and gathered unto Hell; and an evil place of rest it is Chapter 4 : Verse 94

And as For those who disbelieve and reject Our Signs, they are the people of Hell Chapter 5 : Verse 11

And those who have disbelieved and rejected Our Signs, these are they who are the inmates of Hell. Chapter 5 : Verse 87

And fear the Fire prepared for the disbelievers. Chapter 3 : Verse 132

Allah has surely cursed the disbelievers, and has prepared for them a burning fire, Wherein they will abide for ever. They will find therein no friend nor helper. 33:65-66 <https://www.alislam.org/quran/33:65>

Christians to Hell

Indeed they are disbelievers who say, ‘Surely, Allah is none but the Messiah, son of Mary,’ whereas the Messiah himself said, ‘O children of Israel, worship Allah Who is my Lord and your Lord.’ Surely, whoso associates partners with Allah, him has Allah forbidden Heaven, and the Fire will be his resort.

5:73 Ahmadi Quran <https://www.alislam.org/quran/5:73>

O ye who believe! take not the Jews and the Christians for friends. They are friends one to another. And whoso among you takes them for friends is indeed one of them. Verily, Allah guides not the unjust people. Ch 5: Verse 52 Ahmadi Quran

Hell for Unbelievers from Ahmadi Quran.

And for those who disbelieve in their Lord there is the punishment of Hell, and an evil resort it is!

Chapter 67: Verse 7

And if thou couldst see, when the angels take away the souls of those who disbelieve, smiting their faces and their backs, saying: ‘Taste ye the punishment of burning! Chapter 8 : Verse 51

Ahmadi Quran: Unbelievers to Hell

And who is more unjust than he who invents a lie concerning Allah, or rejects the truth when it comes to him? Is there not an abode in Hell for those who disbelieve? 29:69

That is their reward — Hell; because they disbelieved, and made a jest of My Signs and My Messengers. Chapter 18 : Verse 107

And never pray thou for any of them that dies, nor stand by his grave; for they disbelieved in Allah and His Messenger and died while they were disobedient. Chapter 9 : Verse 84

And on the day when those who disbelieve will be brought before the Fire, it will be said to them, ‘Is not this the truth?’ They will say, ‘Aye, by our Lord.’ He will say, ‘Then taste the punishment, because you disbelieved.’ Chapter 46 : Verse 35

Hell for Unbelievers Quran from Ahmadi site.

Allah promises the hypocrites, men and women, and the disbelievers the fire of Hell, wherein they shall abide. It will suffice them. And Allah has cursed them. And they shall have a lasting punishment, Chapter 9 : Verse 68

And who is more unjust than he who invents a lie concerning Allah, or rejects the truth when it comes to him? Is there not an abode in Hell for those who disbelieve? Chapter 29 : Verse 69

But *as for* those who disbelieve, for them is the fire of Hell. Death will not be decreed for them so that they may die; nor will the punishment thereof be lightened for them. Thus do We requite every ungrateful person. Chapter 35 : Verse 37

Oppression of Women

If women are seen to be very inferior to men, you can't have a modern democracy.

Oppression of Women

Sahih Hadith are those trusted by Sunni Muslims to accurately represent the actions, wishes, views and statements of Mohammad the perfect man.

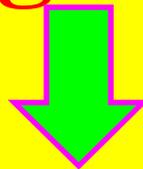

The collections I use the Sahih Hadith called Bukhari and Muslim are the most trusted.

Due to severe penalties for sex outside marriage for Muslims and polygyny (up to 4 wives), there was a historical shortage of available unmarried Muslim women. Sex slavery became a very profitable business in Islam. Unpaid warriors could turn a good profit selling captured women since unmarried men and wealthy married men could own and rape as many sex slaves as they could afford.

The Atlantic trade in slaves had a 1:2 female/male sex ratio since slaves were primarily used as field workers. Slavery in Islam was preponderantly female with a 2:1 ratio of female/male, in part due to the popularity of sex slavery.

Sahih Hadith are those trusted by Sunni Muslims to accurately represent the actions, wishes, views and statements of Mohammad the perfect man. The collections I use, the Sahih Hadith called Bukhari and Muslim are the most trusted.

Raping Women

Sex Slaves Ahmadi Quran

Possessions of the right hand are captured unbelieving women kept as sex slaves. Made lawful refers to women a Muslim is allowed to have sex with.

Raping captured women is OK with Allah

Mohammad on Raping captured Women. His men are worried that impregnating them will decrease the value.

Bukhari 34:432 Narrated Abu Said Al-Khudri: that while he was sitting with Allah's Apostle he said, "O Allah's Apostle! We get female captives as our share of booty, and we are interested in their prices, what is your opinion about coitus interruptus?" The Prophet said, "Do you really do that? It is better for you not to do it. No soul that which Allah has destined to exist, but will surely come into existence." <https://muflihun.com/bukhari/34/432>

Bukhari 46:718 Narrated Ibn Muhairiz: We went with Allah's Apostle, in the Ghazwa of Barli Al-Mustaliq and we captured some of the 'Arabs as captives, and the long separation from our wives was pressing us hard and we wanted to practice coitus interruptus. We asked Allah's Apostle (whether it was permissible). He said, "It is better for you not to do so. No soul, (that which Allah has) destined to exist, up to the Day of Resurrection, but will definitely come, into existence." <https://muflihun.com/bukhari/46/718>

Mohammad gives advice on Raping captured Women

Narrated Abu Said Al-Khudri: **That during the battle with Bani Al-Mustaliq they (Muslims) captured some females and intended to have sexual relation with them without impregnating them. So they asked the Prophet about coitus interruptus. The Prophet said, “It is better that you should not do it, for Allah has written whom He is going to create till the Day of Resurrection.”** Sahih al-Bukhari 93:506

<https://muflihun.com/bukhari/93/506>

Christians: Kill/rape Unbelievers

The Old Testament also contains rape and slaughter.

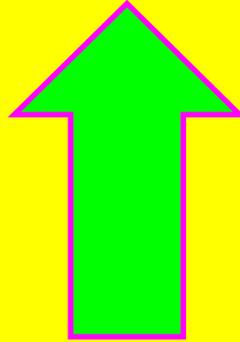

After receiving the 10 C (Thou shall not kill) in Exodus the Israelites go on a spree slaughtering unbelievers:

Numbers 31:17-18 (KJV) Moses: Now therefore kill every male among the little ones, and kill every woman that hath known man by lying with him. **But all the women children, that have not known a man by lying with him, keep alive for yourselves.**

Kill children and rape virgins

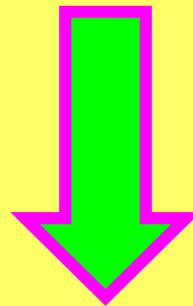

Deuteronomy 21:10-11 (KJV) When thou goest forth to war against thine enemies, and the Lord thy God hath delivered them into thine hands, and thou hast taken them captive, And seest among the captives a beautiful woman, and hast a desire unto her, that thou wouldest have her to thy wife;

If you covet a woman then God says rape her

Raping Women

The Quran has very few apparently nice verses: These are abrogated by verses given later in time by Mohammad (Sword Verse) or very often are pieces of verses taken out of context. As will be seen this can totally change the meaning. Quran 5:33 which only applies to the Jews is a perfect example (see 3 slides down)

Abrogation in Sunni Islam

Later verses (in chronological terms) abrogate any earlier ones that are contradictory. The Sword Verse , one of the most violent is one of the last ones revealed to Mohammad.

Whatever Sign We abrogate or cause to be forgotten, We bring one better than that or the like thereof. Dost thou not know that Allah has the power to do all that He wills? <https://www.alislam.org/quran/2:107>

And when We bring one Sign in place of another — and Allah knows best what He reveals — they say, ‘Thou art but a fabricator.’ Nay, but most of them know not. <https://www.alislam.org/quran/16:102>

Sword Verse Ahmadi Quran 9:5 And when the forbidden months have passed, kill the idolaters wherever you find them and take them prisoners, and beleaguer them, and lie in wait for them at every place of ambush. But if they repent and observe Prayer and pay the Zakat, then leave their way free. Surely, Allah is Most Forgiving, Merciful.

<https://www.alislam.org/quran/9:5> **(Merciful and forgiving only if you convert!)**

Next verse seems nice but see the coercive verses in the Quran and Hadith

Link 

There should be no compulsion in religion. **Surely, right has become distinct from wrong**; so whosoever refuses to be led by those who transgress, and believes in Allah, **has surely grasped a strong handle which knows no breaking. And Allah is All-Hearing, All-Knowing** Chapter 2 : Verse 257 (abrogated by sword verse) <https://www.alislam.org/quran/2:257>

They may not say you must convert, but they threaten to kill or rob/rape you if you don't become a Muslim (see religious coercion section.)

Also see next verse (compelled by being “inmates of the fire”)

Allah is the friend of those who believe: He brings them out of every *kind of darkness into light*. **And those who disbelieve**, their friends are the transgressors who bring them out of light into every *kind of darkness*. **These are the inmates of the Fire; therein shall they abide.** Chapter 2 : Verse 258 <https://www.alislam.org/quran/2:258>

Quran 5:33 is the verse most often taken out of context as only a fragment of the verse is given

On account of this, We prescribed for the children of Israel that whosoever killed a person — unless it be for *killing* a person or for creating disorder in the land — it shall be as if he had killed all mankind; and whoso gave life to one, it shall be as if he had given life to all mankind. And Our Messengers came to them with clear Signs, yet even after that, many of them commit excesses in the land. Ahmadi Quran 5:33

<https://www.alislam.org/quran/5:33>

This verse applies only to Jews, just as do admonishments from Allah in the Quran for Jews to keep the sabbath. Muslims are only not to kill Muslims.

See next 2 verses oppose Allah and be killed, tortured or crucified

The reward of those who wage war against Allah and His Messenger and strive to create disorder in the land is *only this* that they be slain or crucified or their hands and their feet be cut off on alternate sides, or they be expelled from the land. That shall be a disgrace for them in this world, and in the Hereafter they shall have a great punishment; Except those who repent before you have them in your power. So know that Allah is Most Forgiving, Merciful. Ahmadi Quran 5:34-35

<https://www.alislam.org/quran/5:34> (Allah only forgives those who submit!)

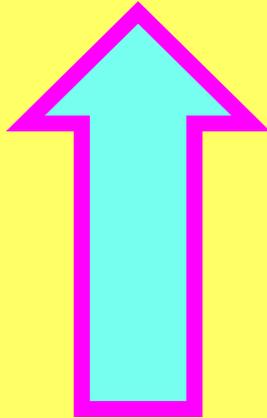

<https://www.alislam.org/quran/49:11> **Ahmadi Quran**

49:11-12 Surely all believers are brothers. So make peace between brothers, and fear Allah that mercy may be shown to you. **O ye who believe!** let not one people deride another people.... Bad indeed is evil reputation **after the profession of belief; and those who repent not are the wrongdoers.** (Believers are only Muslims)

49:16 The believers are only those who truly believe in Allah and His Messenger, and then doubt not, but strive with their possessions and their persons in the cause of Allah. It is they who are truthful.

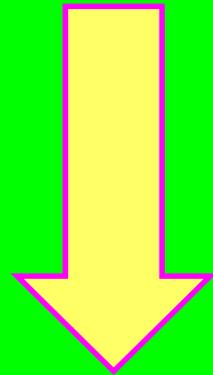

‘For you your religion, and for me my religion.’ 109:7 Ahmadi Quran

Printing and science

The United Nations' 2002 Arab Human Development Report (see, e.g., Diner (2009), p. 19) thus found that during the 1970's, the total number of books translated into Arabic was about one-fifth of the figure for books translated into modern Greek. In the 1980's, over a five-year period, only 4.4 books per million inhabitants were translated in the Arab world, versus 519 for Hungary and 920 for Spain. Focusing on science, the Pakistani nuclear physicist Pervez Hoodbhoy (2007) reports that the top 46 Muslim countries combined produced 1.17% of world scientific literature, versus 1.48% for Spain.

At the major University in Islamabad where he taught at the time, there were three mosques and a fourth one planned, but no bookstore.

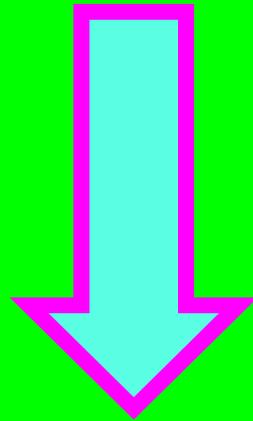

Printing and science

In Muslim lands, printing –especially in Arabic and Turkish– was strongly opposed throughout the early-modern and modern periods. In 1515, Sultan Selim I issued a decree under which the practice of printing would be punishable by death. Printing only started in the Islamic World at the beginning of the 19th century, partly due to the need for defensive modernization against the West. By 1500, more than 1,000 printing shops had sprung up in Europe. Printers were turning out an average of 500 books per week” (Vander Hook, 2010, p. 12). It is estimated that just during 1436-1500 approximately 15,000 different texts were printed in 20 million copies, and over the 16 century 150,000 to 200,000 different books and book editions, totaling more than 200 million copies (Kertcher and Margalit, 2005). The persistence and legacy of the anti-printing, anti-scientific attitudes and policies that took hold in the Muslim world eight centuries ago are still easily discernible today.

February 23, 1985 talk by Mirza Tahir Ahmad 4th Ahmadi khalifa on the Protocols of the Elders of Zion. This is an antisemitic, fabricated text purporting to describe a Jewish plan for global domination. Actually created in Russia (1903) by Czarist secret police (the Okhrana). It is the foundational text of modern anti-Semitism popular in Muslim lands.

The Protocols of the Elders of Zion is a favorite of neo-Nazis, white supremacists and other anti-Semites.

The Protocols of the Elders of Zion (Russian: Протоколы сионских мудрецов) or *The Protocols of the Meetings of the Learned Elders of Zion* is an antisemitic fabricated text purporting to describe a Jewish plan for global domination. The hoax, which was shown to be plagiarized from several earlier sources, some not antisemitic in nature,^[1] was first published in Russia in 1903,

In the Middle East a large number of Arab and Muslim regimes and leaders have endorsed them as authentic, including endorsements from Presidents Gamal Abdel Nasser and Anwar Sadat of Egypt, the elder President Arif of Iraq, King Faisal of Saudi Arabia, and Colonel Muammar al-Gaddafi of Libya.

The 1988 charter of Hamas, a Palestinian Islamist group, states that *The Protocols of the Elders of Zion* embodies the plan of the Zionists.^[92] Recent endorsements in the 21st century have been made by the Grand Mufti of Jerusalem, Sheikh Ekrima Sa'id Sabri, the education ministry of Saudi Arabia,^[91]

Start of the genocide of native Americans

The Puritan fathers believed they were the Chosen People of an infinite god and that this justified anything they did. They were Calvinists who believed that the vast majority of humanity was predestined to damnation.

When the Pilgrims came to New England they came not to vacant land but to territory inhabited by tribes of Indians. **The governor of the Massachusetts Bay Colony, John Winthrop (1588–1649) justified the theft of Indian land appealing to Psalms 2:8. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. The Pilgrims massacre of hundreds of Pequot Indian men, women and children was justified with Romans 13:2: “Whosoever therefore resisteth the power” (civil power constituted by God), “resisteth the ordinance of God: and they that resist shall receive to themselves damnation.”** In 1637 Winthrop proclaimed a thanksgiving for the successful massacre of hundreds of Pequot Indians, opening up land for the Pilgrims.

Over the following centuries, the pattern repeat itself across the continent until 95 to 99 percent of American Indians had been exterminated.

is willed by God, who wants to use this conflict to erase his people's enemies before a New Age begins.”

That whosoever would not seek the LORD God of Israel should be put to death, whether small or great, whether man or woman. **God in 2 Chronicles 15:13 KJV**

George W. Bush encouraging French president Chirac to join war on Iraq

Before this Bush appealed to their “common Christianity”.

Religion infused national security briefings

On the next slide:

You have to be in slide show mode to see all the Bible verse persuasions used to encourage W. Bush to go to war in Iraq. There are a lot more of these I didn't include.

**Cheney and Rumsfeld
played him like a drum!**
