DS-2019 Request Form: J-1 Graduate Students

Thank you for your interest in becoming an exchange visitor at North Dakota State University! The exchange visitor status is used to bring students, professors and research scholars (among others) to the United States for educational purposes.

Due to the source of all or part of your funding, you will be receiving a DS-2019 for purposes of obtaining a J-1 visa (student category). When applying for the visa, you must present a DS 2019 with an original signature by a J-1 Responsible Officer to the consulate.

In order to help expedite the issuance of Form DS 2019, it is essential that you include the following information and documentation as requested on the following form(s). It is important that we know what your current activity is in your home country (question #5) as this will determine one of the fields listed on your DS-2019.

If the information requested is not complete or is inadequate, issuance of the DS 2019 may be delayed.
