Please submit a “Verification Form” for each cultural sharing experience you complete. This online form is located on the Office of International Programs website under “Scholarships>Academic and Cultural Sharing Scholarship”. All hours will be subject to verification by the NDSU Office of International Programs. Sign-up or attendance lists should be kept at all organization-sponsored events and all activities must be advertised to the NDSU campus community in advance, to allow everyone to attend.

**IMPORTANT NOTICES**

Cultural sharing hours are not awarded for membership in organizations. If you are graduating, you still need to complete 10 hours during the semester you graduate in order to keep the scholarship on your account. Because it is a privilege to receive a scholarship from a university, the Office of International Programs must ensure that the students who receive the scholarship meet certain requirements in order to remain eligible and that the recipients are good representatives of the NDSU student community. Students who lose the scholarship for any violation of scholarship requirements are not eligible to receive the scholarship again. Unfortunately, no appeals are possible.

If you have any questions about the scholarship requirements or cultural sharing hours, please contact your International Student Advisor directly. They would be happy to explain this information to you or suggest cultural sharing hour activities.
