

2014 K.N. Rao Mathematics Competition

All undergraduates registered at a tri-college institution (NDSU, MSUM, Concordia) are eligible. The only requirements are courses in calculus and introductory linear algebra. Varsity Mart Gift certificates will be awarded to the top five contestants and the top three will receive NDSU Scholarships.

Email Artem.Novozhilov@ndsu.edu by October 25th to either register or request further details. Please include name, mailing address, institution and email address.
