The goal of SLI is to help you become connected to NDSU and more confident in taking your place among NDSU’s finest student leaders.
I had a blast! We got to hang out and see where everything was on campus and ask questions about anything we wanted to know. Oh yeah, and I made some great friends before the start of school.

3 DAYS ON CAMPUS

NDSU student leaders are group facilitators ensuring you get to know other participants and maximize what you learn in the workshops. They will help you build strong bonds and help the group learn to be an effective team. Student leaders also will answer questions you have about college life. Don't wait until school begins to start building these connections, jump right in with the Summer Leadership Institute.

4 INTERACTIVE WORKSHOPS

Values: Affirm which values make you a stronger leader.
Getting involved: Find your niche and develop your leadership skills.
Learning Styles: Motivate yourself to achieve high grades and accomplish anything.
Team Building: Uncover the secrets to working in diverse groups.
100 INCOMING STUDENT PARTICIPANTS

SLI is a great getaway where you will get acquainted on a first name basis with 100 other incoming students. Your experience includes all meals and lodging in a Residence Hall.

The workshops were so cool. I learned about how to get involved, how to set goals and stay motivated, and to work in teams. I feel I'm on my way to becoming a great leader. We really had so much fun, I would do it again!
