College of Science & Mathematics  
Scholarships 2011-2012

To apply for these scholarships visit:  
http://www.ndsu.edu/scimath/academic_departments.shtml

Center for Science & Mathematics Education (CSME)  
- McCarthy Science Teacher Scholarship  
  Two, $500 scholarships per year to outstanding chemistry, earth science, or  
  physics majors entering the teaching profession.

- The Robert Noyce Scholarship Program  
  Up to ten awards of $12,000/year to students pursuing dual majors in a STEM  
  discipline and in education. A commitment to teach for two years in a high needs  
  school is expected upon graduation.

Coatings & Polymeric Materials  
- Department of Coatings and Polymeric Materials Scholarships  
  The Department of Coatings & Polymeric Materials provides over $22,000 in  
  scholarships to undergraduates each year; with individual awards typically  
  varying from $500 to over $2500 per applicant depending on applicant  
  qualifications. Every year our scholarship funding exceeds the number of  
  applicants.

The Department of Computer Science  
- Computer Science Scholarship  
  5 students each year based on performance at NDSU $250 each
- Microsoft Scholars sponsored by Microsoft Corporation  
  5 students each year based on performance at NDSU $1,000 each
- The Paul Juell Scholarship  
  1 incoming student each year
- NDSU CoCISE Scholarship Program--NDSU Collaborative for Scholarships in Computer,  
  Information Sciences and Engineering for students majoring in Computer Science,  
  Computer Engineering, Management Information Systems, or Pre-Management  
  Information Systems.

Geosciences  
- Geoalumni Scholarship  
  A scholarship of $300 to the geology major at the senior level with the highest  
  academic standing. Funds provided by alumni and friends of the Geosciences  
  Department.
- Agassiz Scholarship  
  The Glossary of Geology and a $250 cash scholarship are given by the Lake  
  Agassiz Rock Club to a geology major at the junior level on the basis of scholastic  
  achievement.
• Brophy Family Scholarship
  One $250 scholarship given to the outstanding geology major at the sophomore level with funds provided by John and Margaret Brophy.

• "Green Hammer" scholarship
  A geological hammer and a $200 scholarship to the outstanding geology major at the first-year level.

• Brophy scholarship
  A $300 scholarship given to the student who submitted the most outstanding report for Field Geology with funds provided by John and Margaret Brophy.

Mathematics
• Anderson-Hill Scholar's Award
• Continuing Success Award
• Emerging Talent Scholarship
• Fred Haring Scholarship
• Gil Nelson Scholarship
• Hill-Tidd Scholar's Award
• James H. Olsen Scholarship
• Lloyd Olson Scholarship
• Mathematics Department Scholarship
• Mathilda Thompson Mathematics Scholarship
• Pythagoras Awards
• Ronald M. Mathsen Scholarship

Physics
• Physics Achievement Award
  Up to four awards will be made annually to Physics majors based upon their academic performance. A minimum GPA of at least 3.3 is expected, but more emphasis will be given to excellence in Physics and Mathematics and distinction in undergraduate research.

• Eivind Horvik Memorial Award
  A cash award of $150 plus a recognition certificate for the best overall performance in the calculus-based physics sequence. The recipient's name is recorded on a permanent plaque in the Physics Department office.

• Sinha Family Scholarship
  Awarded to a physics major with Junior or Senior standing

Zoology, Psychology, & Chemistry
Scholarships are available to students declaring a major in chemistry, psychology or zoology. The College of Science and Mathematics also awards textbook scholarships to select first-year students with high academic achievement.
