### KEY:

A. Architecture, Nursing and Pharmacy differential tuition rates are assessed on all credits of students admitted into the professional programs.

B. Engineering differential tuition is assessed on all credits of students enrolled in pre-engineering and engineering programs for: Agriculture/Biosystems, Construction, Construction Mgmt., Computer, Electrical, Environmental, Industrial Eng./Mgmt., Mechanical, Manufacturing, and Computer Science.

C. College of Business differential tuition is assessed on all credits of students admitted to a primary or secondary undergraduate major of: Accounting, Business Administration, Finance, Management, Management Information Systems, Marketing, and Global Business. Students that were admitted to the program as a pre-major will be automatically enrolled in to the professional major when the admission requirements (e.g. 2.5 cumulative GPA, completed/enrolled in five core courses) are met. Students requesting not to be admitted must opt out by the deadline established by the College of Business.

D. Students with majors outside the College of Business, who have declared a minor or certificate within the College of Business, will be charged tuition in accordance with their declared major.

E. However, these students will be charged additional tuition only on credits offered through the College of Business, which will be capped at 13 credits per semester. This additional rate will be applied to students who are not enrolled in a College of Business major but have been admitted to a minor in Accounting, Banking, Business Administration, Entrepreneurship, Fraud Investigation, Logistics Management, Management Information Systems, or a Certificate in Entrepreneurship or Professional Selling.

* MN residents not approved by the MNDOHE to receive the discounted tuition rate will be charged as MSEP. The pharmacy program is excluded from the ND/MN reciprocity agreement. Pharmacy students from MN will be charged the MSEP rate unless approved for the MN rate as undergraduates.

Contiguous Provinces & States: Manitoba, Saskatchewan, Montana, South Dakota.
Audit Rate: 50% of the base residency rate.

MSEP States: Illinois, Indiana, Kansas, Michigan, Minnesota*, Missouri, Nebraska, Ohio, Wisconsin.  *MN students not approved for the MN Reciprocity Rate.
