### NOTES:

A - Architecture, Nursing and Pharmacy differential tuition rates are assessed on all credits of students admitted into the professional programs.

B - Engineering differential tuition is assessed on all credits of students enrolled in pre-Engineering and Engineering programs for: Agriculture & Bio Systems, Civil, Computer, Construction Engineering/Management, Electrical, Environmental, Industrial, Mechanical and Manufacturing.

C - College of Business differential tuition is assessed on all credits of students admitted to a primary or secondary undergraduate major of: Accounting, Business Administration, Finance, Management, Management Information Systems and Marketing.

D - Students with majors outside the College of Business, who have declared a minor within the College of Business, will be charged tuition in accordance with their declared major. However, these students will be charged additional tuition assessed on credits offered through the College of Business, which will be capped at 12 credits per semester. This additional rate will be applied to students who are not enrolled in a College of Business major but have been admitted to a minor in: Accounting, Business Administration, Fraud Investigation, Logistics Management, and Management Information Systems; or a Certificate in Professional Selling.

E - Architecture students with both Undergraduate and Graduate credits will have their tuition capped at the Graduate tuition rate.

*All Minnesota rates are per the MN Reciprocity Agreement except the Pharmacy Program, which is excluded from the agreement. Minnesota residents who have not been approved by the state of Minnesota for the Reciprocity rates will be charged the MSEP tuition rate.*
