FINANCING YOUR EDUCATION

Financial aid helps you cover educational expenses including tuition, fees, housing, meals, books, supplies and transportation. It's important to be informed and have a plan for covering the cost of your education. Staff from the NDSU Financial Aid and Scholarships Office and One Stop can assist you with financial aid questions.

SOURCES OF FINANCIAL AID

nds.edu/onestop/finaid

Federal Financial Aid: Federal aid comes from the U.S. Department of Education and is the largest source of financial aid. There is a wealth of information about federal financial aid at studentaid.gov.

State Aid: North Dakota has various types of aid based on financial need, academic merit, talents and/or career choices.

Institutional Aid: Aid which comes directly from the university or college.

Private Sources: Aid which comes from a variety of civic organizations, associations, clubs, foundations, faith organizations, businesses and private lenders (banks, credit unions).

TYPES OF FINANCIAL AID

nds.edu/onestop/finaid

Grants: Funds which do not require repayment and are awarded to students who demonstrate financial need.

Federal Loans: Federal funds which must be repaid with interest after you graduate, enroll less than half-time or cease enrollment. Subsidized loans do not accrue interest while you are enrolled at least half-time. Unsubsidized loans do accrue interest beginning the date funds are disbursed to your account.

Private Education Loans: A co-signer with good credit is required for most private education loans (check with your lender of choice). Private education loans accrue interest once funds are released by the lender. Repayment options will vary by lender.

Scholarships: Funds you may apply for which are awarded based on special talents, skills, academic achievement or financial need. First-time, freshman and transfer scholarships are administered through NDSU Office of Admission.

Work-Study Awards: Funds you may earn by working on or off campus for an approved work-study employer. Money earned is paid directly to the student in the form of a paycheck and doesn't count against you for financial aid purposes.

APPLY FOR FINANCIAL AID

studentaid.gov

The first step in the financial aid process is to complete the Free Application for Federal Student Aid (FAFSA), which determines eligibility for federal funds as well as many state and institutional funds. The FAFSA form is available online (studentaid.gov) beginning Oct. 1 for the following school year. It is important to complete the FAFSA as soon as possible for each academic year you are enrolled to be considered for federal aid.

SATISFACTORY ACADEMIC PROGRESS

nds.edu/onestop/finaid/sap

You must meet the Standards of Satisfactory Academic Progress (SAP) to receive federal financial aid. Requirements include earning a minimum cumulative GPA of 2.0 and successfully completing two-thirds (67%) of the cumulative attempted credits. If you do not meet SAP, you will be placed on Financial Aid Warning. If SAP is still unmet after your semester of Warning, you will be placed on Financial Aid Disqualification, and will lose your eligibility for federal financial aid.

FINANCIAL AID CHECKLIST

nds.edu/onestop/finaid

Refer to the **Financial Aid Guide for New Students** at nds.edu/onestop/finaid for detailed steps related to items below:

- Respond to your financial aid offer through Campus Connection
 - Claim your account and log into Campus Connection
 - Review holds and your "TO-DO" list
 - Review your financial aid offer (federal loans and Work-Study)
 - Estimate your bill
 - Accept, reduce or decline aid offered
 - Report external scholarships/awards
 - Submit scholarship checks to NDSU One Stop
- Complete Loan Entrance Counseling and the Master Promissory Note if accepting a federal direct loan(s)
- Review options and resources to help cover expenses; apply for a private loan if needed.
- Enroll in direct deposit
- Complete the FERPA Consent to Release form and set up an Authorized Payer

CAMPUS EMPLOYMENT

career-advising.ndsu.edu/front-page/12980-2

Part-time jobs are available to all students with or without a federal work-study award. Go to HANDSHAKE to look for available jobs both on and off campus and follow the posted instructions to apply.

CHANGES TO YOUR FINANCIAL AID OFFER

NDSU is required by federal regulations to adjust your offer based on additional information that may become available. You will receive notification via your NDSU email account if there are revisions to your financial aid offer.

UNDERSTANDING COST OF ATTENDANCE

nds.edu/onestop/finaid/cost

A Financial Aid Cost of Attendance (COA) Budget is not what you will be charged, but rather an estimate which is used to determine financial aid and loan eligibility. The Financial Aid (COA) Budget provides an estimate of a student's educational expenses (for students with the same enrollment status) at a particular school. The types of costs that are to be included are determined by law. An NDSU Financial Aid (COA) Budget includes books, room/ board, loan fees, transportation, tuition and fees and miscellaneous personal expenses. You can have different standard costs for out-of-state students (e.g., higher tuition) and a lower cost of attendance for in-state students. Students must be awarded on the basis of a COA comprised of allowable costs assessed by all students carrying the same academic workload. Differential tuition may be charged in relation to some programs which have extra fees or costs related to the program of study.

NDSU's Cost of Attendance (COA) resembles the Financial Aid COA budget and includes tuition, fees, course materials and supplies, housing and meals and miscellaneous educational expenses. Exact costs will vary for each student depending on residency, enrolled credits, living arrangements and other factors. In addition to direct educational costs, you should also plan for indirect costs (e.g., transportation, insurance, personal items and other miscellaneous expenses) related to attending college.

STUDENT RESPONSIBILITIES

- Monitor registration activity, account balances and financial aid on Campus Connection.
- Complete any tasks within your to-do list and resolve any account holds.
- Check your NDSU email account daily and respond promptly.
- Follow appropriate procedures when dropping a course or withdrawing from the university and be sure to make these changes by the posted deadline.
- Develop a plan before the start of the semester for paying any cost not covered by financial aid and scholarships and, if necessary, apply for a private loan.
- Make payments on time. If a third party is making payments, make sure they have correct information and access. If an authorized payer will be utilized, set up the authorized payer through Campus Connection.
- Enroll in direct deposit for any refunds of excess payments or financial aid.
- Maintain accurate and current contact information in Campus Connection.

CUSTOMER ACCOUNT SERVICES

Customer Account Services facilitates the processes used for billing and collecting costs associated with attending NDSU.

NET PRICE CALCULATOR

ndsu.edu/onestop/financial/netpricecalculator
Estimate your expenses and financial aid online.

BILLING STATEMENTS

ndsu.edu/onestop/accounts
Billing statements are not mailed to you, however you may view your account balance anytime on Campus Connection. Additionally, monthly e-bill notifications are sent to your NDSU email account. You also may sign up for text message reminders.

It is your responsibility to confirm the accuracy of your charges. Financial aid is applied to your account approximately two weeks into the semester. Payment on the remaining balance can be made a variety of ways:

- **Online** by electronic funds transfer or credit card via Campus Connection. Credit card transactions are assessed a non-refundable service fee of 2.75%.
- You may set up an **authorized payer** to make online payments.
- **In person** at NDSU One Stop in the Memorial Union (cash or check only)
- **Mail checks** to NDSU One Stop; Dept. 3110; PO Box 6050; Fargo, ND 58018-6050.

Alternative methods are available as well:

- Enroll in a **payment plan** by the semester due date and divide your responsibility into three monthly installments.
- **Third parties** (i.e. National Guard or Vocational Rehab) may pay tuition. Please notify One Stop with documentation prior to the start of the semester.

NDSU DATES AND DEADLINES

ndsu.edu/onestop/dates-and-deadlines
It is your responsibility to make payment by the published deadline. Failure to do so may result in late fees, enrollment and/or transcript holds, or the cancellation of registration.

DROPPING COURSES AND WITHDRAWING TO ZERO CREDITS

ndsu.edu/onestop/effects-dropping-or-withdrawing

Dropping a Course:

When dropping a class, you will remain enrolled in other classes. Classes may be dropped via Campus Connection and results in a 100% or no refund of tuition/fees, depending on the timing of the drop. It is important that students make their drop decisions early in the semester as there are no partial refunds for dropped classes.

Withdrawing to Zero Credits:

Withdrawing means that you are terminating enrollment in all courses. You must submit a "cancel/withdraw to zero" form in Campus Connection by clicking on the eForms tile. Withdrawal results in a 100%, 75%, 50% or zero refund of tuition/fees, depending on the timing of the withdrawal. You may be required to repay a portion of the financial aid received for the term if withdrawal occurs after financial aid disbursement. Students are recommended to speak with their academic advisor or One Stop before withdrawing to zero credits.

AUTHORIZED PAYER AND FERPA RELEASE

ndsu.edu/onestop/third-party-and-family-member-student-account-access

Students may provide access to their accounts in a variety of ways:

- Authorized users have permission to make online payments on behalf of the student, but do not have access to account details.
- Users with delegated access are granted permission to view specific student account pages and data within Campus Connection.
- Individuals with a FERPA Release Form on file are allowed to contact NDSU staff to discuss financial and/or academic information.

PAYMENT PLANS

ndsu.edu/onestop/accounts/payments/paymentplan

Payment plans are available to help students spread their financial responsibility over a period of a few months rather than making payment in a single lump sum. Available plan options will appear in the online payment portal within Campus Connection shortly before the start of the semester. Students must enroll within the first few weeks of the semester and a \$30 non-refundable enrollment fee is due at that time. Down payments to reduce the amount of the monthly installments are strongly encouraged. Payments are made automatically on the due date each month.

IT ACCOUNTS AND ONLINE SERVICES

NDSU utilizes a variety of technology tools to assist and support learning. Each tool is accessed with one of two information technology accounts; North Dakota University System or NDSU Electronic ID. Both accounts must be claimed or activated following the steps at kb.ndsu.edu/99739. The online services listed below are grouped by what account you will use to access them.

NORTH DAKOTA UNIVERSITY SYSTEM (NDUS) ID

Campus Connection

ndsu.edu/onestop/connect

Manage accounts, financial aid and registration processes.

Blackboard

kb.ndsu.edu/103372

The central hub for all course communications, assignments and materials. Many other technologies are integrated within Blackboard.

Email

kb.ndsu.edu/97800

Email is the official means of communication at NDSU. Check it frequently for important emails from university departments and officials. Activate and check your NDSU email as soon as possible.

MULTI-FACTOR AUTHENTICATION (MFA)

kb.ndsu.edu/99732

Two steps are necessary to verify identify before accessing NDSU technology platforms. In addition to an IT account, users must verify their identity through mobile phone, tablet or landline using Duo.

NDSU ELECTRONIC ID

Campus Cash

kb.ndsu.edu/97695

A free campus debit account tied to your NDSU ID card that may be used at retail dining, NDSU Bookstore, Herd Shop, vending and more.

HANDSHAKE

RESIDENCE LIFE

nds.edu/reslife

THE RESIDENCE LIFE EXPERIENCE

More than just a bed, Residence Life provides a place to grow, learn, connect, explore and make an impact. You create the experience you want.

Why Students Love to #LIVETHETHEHERD

LIVE CLOSER

The convenience of living on campus can't be beat.

LIVE SMARTER

Students who live on campus have higher GPAs on average and are more likely to graduate in four years than those who live off campus.

LIVE CONNECTED

Friends, on-campus activities, campus resources, on-campus dining—living on campus keeps you close to the things you value.

LIVE SECURE

24-hour keycard secure entrances, entrance security cameras, onsite staff and university police access and coverage offer added safety.

LIVE SUPPORTED

Live next door to your friends and surround yourself with professional support systems like campus staff, faculty and campus resources.

Preparing to Move In

Review your hall/room assignment as well as roommate's name and email address in your housing portal at nds.edu/reslife/portal. Check out nds.edu/reslife/movein for the following information:

ndsu.edu/dining

THE DINING EXPERIENCE

NDSU offers an unparalleled dining experience. With three dining centers, four coffee shops and a food court, we can satisfy every craving and keep you coming back for more.

DINING

MEAL PLAN OPTIONS

- **Unlimited Access Meal Plans:** Incoming first-year students living in a residence hall must select a five-day (Monday-Friday) or seven-day (Monday-Sunday) meal plan. These plans allow unlimited access to all three dining centers.
 - The five-day plan is only recommended for students who plan to leave campus every weekend. The seven-day plan is only \$15 more per weekend.
- **Block Meal Plans:** Block plans are available for purchase in increments of 25 and can be used at nine locations on campus. Block plans are popular for upperclassmen and off-campus students.

DINING CENTERS

Providing all-you-care-to-eat, our dining centers offer a wide array of options like homestyle classics, global cuisine, do-it-yourself grills and expansive salad, sandwich and panini bars. Expert culinary team members, including registered dietitians, are available to meet with students with special dietary needs.

- **West Dining Center** is a tree nut- and peanut-free facility connected to Cater, Pavak, Seim, Sevrinson and Thompson halls. Unique features include wood-stone pizza, in-house bakery and Clean Eats—a station that offers all menu items free from the top nine allergens.
- **Residence Dining Center** is connected to Reed/Johnson and Weible halls. Distinctive features include Creations, a station where you fully customize your meal, and Bison Beanery, a full-service coffee shop that offers all your coffee favorites at no extra charge.
- **Union Dining Center** is located in Memorial Union. It offers a convenient location and cozy home environment.

Menus: Visit ndsu.edu/dining/menu or download the NDSU Dining App to view menu and nutrition information.

FOOD COURT AND COFFEE SHOPS

- **Food Court:** Located in the lower level of the Memorial Union, the food court offers a variety of options including sandwiches, burgers, salads, pizza, Tex-Mex and Chinese food.
- **Coffee Shops:** Now including a Caribou Coffee and a Proudly Serving Starbucks location, campus offers four full-service coffee shops.

ACADEMIC POLICIES

catalog.ndsu.edu/academic-policies

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

catalog.ndsu.edu/academic-policies/ferpa

The federal Family Educational Rights and Privacy Act (FERPA) protects academic and financial information from being released to third parties, including parents/guardians. Certain non-sensitive demographic information is releasable to third parties upon request without the consent of the student. For a listing of these information categories, refer to the FERPA website. A student can restrict this non-sensitive information from being released with a written request to the Office of Registration and Records.

Students may consent to release financial and/or academic records to individuals of their choosing by completing the FERPA Release form on Campus Connection by clicking on the eForms tile. This will allow a designee to obtain financial and/or academic information via phone, mail or email. Completing the FERPA release does not provide electronic access to records.

If there is a desire for third-party or proxy viewable access to certain Campus Connection pages, students can delegate access. Instructions for both the students and the third party are available at ndsu.edu/onestop/connect/delegated_access.

Scholastic Standing

Academic progress is measured by grades and credits earned. To be eligible to register without conditions, you must achieve/maintain good academic standing. This is defined as a minimum cumulative GPA of 2.0. Some programs of study have academic standards higher than the university minimum, and students should consult with their academic advisor for specific requirements.

Math/English Placement

Placement of students into entry level mathematics and English courses is determined by approved placement exam scores. Specific information for placement, including a list of approved exams, scores and corresponding placement, can be found at ndsu.edu/onestop/placement.

Transfer and Test Credit

In addition to credits earned at NDSU, students may have college-level credit by other means. Transfer credits may come from other colleges and universities (including those that administer Dual Credit, PSEO and College in the Schools), by examination (such as AP or CLEP) and by military courses. Transfer credit evaluations must be conducted to determine if the credits earned elsewhere are equivalent to those at NDSU. The resulting Transfer Credit Report, viewable in Campus Connection, will show the credits earned and NDSU equivalency.

Dates and Deadlines

ndsu.edu/onestop/dates-and-deadlines

Students are responsible for all registration and financial activity on their accounts, and these activities have important dates and deadlines.

STUDENT POLICIES AND EXPECTATIONS

Code of Conduct Policy

ndsu.edu/policy (section 6, policy 601)

All students are expected to know and follow the policies and procedures within the Code of Student Conduct.

Substance Free Campus

ndsu.edu/policy (section 1, policies 153 and 155)

NDSU has a genuine caring concern for the community and recognizes the misuse and abuse of alcohol and other drugs can limit academic, personal and career achievement. For this reason, alcohol, marijuana, other drugs and smoking of cigarettes and e-cigarettes is prohibited.

Community of Respect

ndsu.edu/policy (section 1, policy 100)

NDSU is committed to providing a safe and non-discriminatory learning, living and working environment for every member of the university community. NDSU prohibits discrimination and harassment on the basis of age, color, gender expression/identity, genetic information, marital status, national origin, physical or mental disability, pregnancy, public assistance status, race, religion, sex, sexual orientation, spousal relationship to current employee, or status as a U.S. veteran.

FAMILY PROGRAMS

ndsu.edu/familyprograms

Family members play a critical role in their students' college success. NDSU Family Programs helps your family navigate the transition to NDSU by keeping them informed and connected. Family members may reference the Family Programs website to sign up to receive the family newsletter, review frequently asked questions and/or to become a member of our Facebook group.

ACADEMIC COLLEGES

ndsu.edu/academics

NDSU has five distinct academic colleges each consisting of various academic departments with a variety of majors and minors. Students who have not declared a major will choose an Exploratory Area to investigate potential majors that align with their interests, strengths and goals. Details are at career-advising.ndsu.edu/exploratory-areas. View the academics website for a full list of majors and minors.
