The College of Human Sciences and Education offers undergraduate and graduate programs that prepare students for careers that improve people's lives. In addition, we conduct research and provide activities, organizations, services, and outreach to supplement academic student learning.

We are looking forward to 2019 Welcome Week Activities coming up at the beginning of Fall Semester. The College of Human Sciences and Education will host an event for incoming freshman and transfer students on Monday, August 26 at around 10:00 a.m. (immediately following the Presidents' Welcome) in Century Theater in the Memorial Union.
