# DUAL CREDIT CLASSES

Dual-credit classes offer students in grades 10, 11, & 12, with a recommended GPA of 3.0 or higher, access to college-level coursework regardless of location. These classes are taught by NDSU instructors and are offered fully online and asynchronous, which removes scheduling and travel barriers. Students may choose to take these classes to challenge themselves in areas of interest, to earn college credit at a lower tuition rate, or to form a personal connection with an institution of higher education.

This catalog will be updated as new dual-credit classes are added. View the most current list of classes at [www.ndsu.edu/otl/programs/dual\\_credit/](http://www.ndsu.edu/otl/programs/dual_credit/). View our YouTube playlist at [youtube.com/c/ndsuoatl](https://youtube.com/c/ndsuoatl).
