OFFICE OF TEACHING AND LEARNING
We know that observing each other in the classroom and discussing it with others, is a great way to become a better teacher. In this program, NDSU faculty and teaching staff get involved in those observations and discussions.

There are two available tracks.

**TRACK 1: FORMAL PEER TEACHING REVIEW**
You will be matched with a senior faculty member trained in formal pedagogy review. Upon completion, you will receive a formal report for promotion, tenure and evaluation (PTE) portfolios, and for career promotion purposes.

**TRACK 2: INFORMAL PEER TEACHING PARTNERSHIP**
This track is an open and personalized teaching partnership between you and your peers that aims to improve individual teaching effectiveness through productive and discreet feedback.

This option can be used as an informal professional development opportunity, or you may choose to write teaching support letters for your portfolios.
