

# 2023-24 INSTRUCTIONAL DEVELOPMENT SERIES

## SCHEDULE OF EVENTS:

This year's FREE instructional development series focuses on student retention with three specific sub-themes which are neurodiversity in the classroom, supporting and retaining generation Z students, and supporting students' mental health. Faculty, staff, and graduate students are invited to join us for any or all of these events. For more information go to [www.ndsu.edu/otl/news/detail/73331](http://www.ndsu.edu/otl/news/detail/73331).
