PARKING 101

All student parking lots on the NDSU campus require a permit for access. Permits allow the holder to park in designated areas on campus.

NDSU student parking permits also allow you to park at the Wallman Wellness Center for up to two consecutive hours free every school day. Park & Ride permits are not eligible to park in the Wellness Center Lot.

Your parking fee is responsible for construction, maintenance and operation of the parking lots on campus.

Campus parking lots are enforced. To avoid unnecessary parking citations, visit our website for complete NDSU parking regulations, frequently asked questions and the latest information on campus parking.
