Accessing Baseline Safety Modules in Blackboard

- Login to Blackboard with NDUS credentials
- Select courses on left menu
- In “Course Catalog” search: Baseline Safety
- Hit enter to get your search results
- Hover over the course you wish to take
- Select the drop down arrow and click “enroll”
- On confirmation page click “submit”
- Select “OK” to go directly to the course
1. Go to courses

2. Go to course catalog

3. Search Baseline Safety
4. Hover over course, click on drop down arrow, then select enroll

5. Click submit to proceed.

6. Select ok to continue to the course

You may also access courses you have been enrolled in by going to ‘Courses’ on the left menu and changing the top to current courses.
