

NDSU Safety Agreement

The NDSU Safety Agreement outlines the workplace safety rules and expectations that are to be practiced by personnel to ensure the safety of the workplace for everyone. The Principal Investigator (PI), faculty advisor, or supervisor of a workspace is responsible for requiring safe work practices, and ensuring this agreement includes all workspace specific rules and expectations.

General Safety	Lab user Initials
1. I have completed all applicable Safety Training Courses assigned and will adhere to the guidelines outlined in these trainings.	
2. I have received Workplace Specific Training regarding emergency procedures to include building evacuation routes, emergency meeting location, and fire alarm pull station locations.	
3. I have been trained on the location and proper use of all emergency equipment, which may include: emergency eyewash, safety shower, fire extinguisher, emergency shut offs, etc...	
4. I have received training on workplace specific standard operating procedures (SOPs), and I know where SOPs are located in my workplace.	
5. I have been provided appropriate personal protective equipment (PPE), and have been trained on the uses, limitations and maintenance of all PPE. I will wear the appropriate PPE when required.	
6. I have been trained on how to respond to incidents and will immediately report any chemical spills, fires, injuries, near-misses, or other incidents to my supervisor or faculty advisor.	
7. I will never work alone in a workspace unless approved by my supervisor or faculty advisor.	
8. [INSERT ADDITIONAL SAFETY EXPECTATIONS BELOW]	
9.	
10.	
11.	

I have read and understand the rules, safety practices and regulations governing my conduct in the workspace. I will follow all applicable guidelines to ensure my safety and the safety of others in the workspace.
