2. Authorization for access is provided by using the [Key Request form](#) for keys or the [Card Access Request form](#). Upon the receipt of an authorized request, the Facilities Management Department will prepare the key(s), or grant access.

  - 4.1 Keys and ID cards are not to be left unattended on desks, in door locks, or carried in such a manner as to be susceptible to loss or theft.
  - 4.2 When faculty, staff, or students leave a building after hours, the exterior door lock must be set to prevent unauthorized access. If the door does not close or lock properly, notify the

University Police (231-8998) immediately.

- 4.3 The University Police must be notified whenever a potential or actual security problem exists, i.e., unauthorized entry, theft of property, or loss of keys or ID cards.
  5. Institutional Security System enhancements: An electronic network has been established to provide access control and monitor various activities on campus, involving access control devices, intrusion devices, and video cameras, where applicable. The access control devices are installed at select interior and exterior doors and spaces.
    - 5.1 Intrusion devices and video cameras monitor select spaces requiring a continuing level of security. The installation of the devices may be requested from Facilities Management via a work request.
    - 5.2 The requesting department will be responsible for the cost of the devices, installation, connectivity and system maintenance. Contact Facilities Management for a project cost estimate.
