SECTION 802

FEDERAL FLOW-THROUGH AGREEMENTS

SOURCE: NDSU President

When a sponsored agreement is received from a non-federal entity, Sponsored Programs Administration will make a determination about the actual source of the funding provided by the entity. If the entity is using federal money to support the project, the University must account for the funds as if they were federal funds. Thus, the institution must adhere to all federal guidelines and restrictions of the federal agency supporting the project.
