

MISSION STATEMENT:

To support the academic mission of the university by increasing and sustaining all aspects of campus well-being.

VISION STATEMENT:

We envision a vibrant university environment, free of violence, supporting student success, and culminating in a culture of health where all community members are empowered to advance well-being.

THE ULTIMATE OUTCOMES OF OUR SHARED WORK:

NDSU is a campus community of well-being for students, faculty, staff, families, visitors and alumni.

WELL-BEING IS AN OPTIMAL AND DYNAMIC STATE THAT ALLOWS PEOPLE TO ACHIEVE THEIR FULL POTENTIAL.

We want to help make NDSU a supportive environment that embraces each individual's path toward well-being.

Because this can look and feel different for everyone, we ask you to ponder:

- What does well-being mean to you?
- How can you be a part of creating a campus of well-being?
