A citizen of Canada or Mexico who seeks *temporary* entry as a business person to engage in activities at a professional level may be admitted to the United States in accordance with the North American Free Trade Agreement (NAFTA). The applicant seeking admission must have at least a baccalaureate degree and be in a profession listed in the Free Trade Agreement. The citizen who qualifies for admission will be classified as TN (Trade NAFTA) for a period not to exceed three years with unlimited requests for extensions. TN status is only available to citizens – **landed immigrants are not eligible**. Dependents of TN status holders apply for entry in TD nonimmigrant status. Non-Canadian citizen dependents must apply for a TD visa at a U.S. Consul. Persons in TD status are not allowed to be employed in the United States even if the source of pay is from a foreign entity

Obtaining TN Status (nonimmigrant)

1. Mexican citizens → **a visa is required** and must be obtained from a Consulate/Embassy abroad
2. Canadian citizens → **no visa required**. These individuals apply for TN status at the US Port of Entry.
 - a. ***Note: The Dept. of Homeland Security (DHS) recommends Canadian citizens contact their planned port of entry in advance (at least 3-5 days) to avoid any delays and/or unexpected surprises**
 - b. **Present the following at the port of entry:**
 - i. Job offer letter from NDSU
 - ii. Proof of citizenship
 - iii. A separate letter from the employer listing (1) the job responsibilities (*these must match one of the professions listed in the Free Trade Agreement*) (2) proposed dates of employment (3) amount of pay/remuneration (this is provided by our Faculty Immigration Services unit)
 - iv. Proof of applicant's professional credentials/qualifications – ex: degree/diploma/certificate/license*, curriculum vitae, etc.
3. There may be a port of entry fee. Inquire about the current fees at the US Port of Entry or Mexican Consulate/Embassy
4. **You may apply for TN-entry up to 10 days before your contract effective date.**
 - a. **Likewise, you are granted a 10-day grace period for departure after employment ceases – no matter what dates are listed in the TN letter to Customs and Border Protection.**
5. Legal entry is established by issuance of an [I-94 number](#), which is given by US Customs and Border Protection (CBP) for land-crossings. The number is retrieved electronically for air and sea arrivals.
6. The regulation requires that applicant's awarded degrees/diplomas/certificates from foreign institutions (outside the US) be accompanied by an evaluation from a reliable evaluation service provider that specializes in such evaluations. The evaluation must show the US equivalency.
7. It is recommended that an official English translation accompany any degree/diploma/certificate/license that has been issued in a foreign language
