What tone do I want to set for this semester? [Consider: class size, demographics, majors vs non-majors, student expectations, other...]

When students leave my class at the end of the semester I want them to be able to..... (list no more than three competencies/skills)

I will know that students are able to.... (fill in from above) by measuring their ability to.......[list 2-3 objectives for each competency/skill, use word bank on back]

I will measure their ability to....(fill in from above) through these assignments/projects/assessments:
