HOW TO APPLY

- Sign in with NDSU username and password
- Once signed in, you can navigate through two tabs at the top - "Applications" and "Opportunities"
- The "Application" tab takes you to the general application. Simply finish and submit or save and edit. Tip: Not all questions are required to complete but it is to your benefit to complete all of them.
- The "Opportunities" tab is where you can view the opportunities or scholarships available. Tip: Use the filter feature on the right side of the screen to narrow the number of opportunities. You can filter by "scope" or department - choose "Department of Public Health" to see the scholarships for public health students.
- Clicking on a specific opportunity allows you to see a description, award amount in some cases, deadline and if additional information is required.
- The general application can be completed any time during the academic year and must be completed before you are eligible for public health-specific scholarships. The opportunities listed above are available the first week of April.
