

NATIONAL RURAL HEALTH ASSOCIATION

ANNUAL RURAL HEALTH EQUITY CONFERENCE

MAY 10, 2016

MINNEAPOLIS, MN

SCHOLARSHIPS AVAILABLE

The National Rural Health Association has scholarship funds available for students and community members with a critical need for financial support with conference expenses. Scholarships will be awarded to people who meet the eligibility criteria specified on the enclosed application form, and who are unable to attend the Annual Health Equity Conference on Rural Health without such support.

In an effort to foster collaboration within communities, scholarships will be given to students and those working in community/grassroots level organizations in healthcare. The scholarships will help expose these students and community members to health issues and encourage their participation in resolving these issues through positive solutions.

The scholarship is to help offset the cost of the conference registration fee, hotel accommodations, and your travel expenses. Your total scholarship award will be **\$1000**.

Scholars selected are expected to provide their own funds to pay for their remaining expenses. Scholarship recipients will be notified of their award upon receipt and review of the application. Scholars will receive their award once they arrive at the conference.
